For this is the baking powder that "makes the baking better."

It leavens the food evenly throughout; puffs it up to airy lightness, makes it delightfully appetizing and wholesome.

Remember, Calumet is moderate in price—highest in quality.

Ask your grocer for Calumet. Don't take a substitute.

RECEIVED HIGHEST AWARDS, World's Pure Food Exposition, Chicago, Illinois, Paris Exposition, France, March, 1912.

Advice about Stomach Troubles and how to relieve them.

Don't neglect indigestion, for it may lead to all sorts of ills and complications. An eminent physician once said that ninety-five per cent of all ills have their origin in a disordered stomach.

Our experience with Rexall Dyspepsia Tablets leads us to believe them to be one of the most dependable remedies known for indigestion and chronic dyspepsia. Their ingredients are soothing to the inflamed membranes of the stomach. Rich in Pepsin and Bismuth, two of the greatest digestive aids known to medicine, the relief they afford is very prompt. Used persistently and regularly for a short time, they tend to relieve pains caused by stomach disorders.

**Severe Reflection.**

A discussion on appointments to the Most Noble Order of the Thistle gave rise to a caustic saying on the part of Disraeli. Among the names suggested was that of a certain peer, who displayed more zeal than judgment in his support of the Conservative party. "Oh, no!" remarked his ungrateful chief, "I couldn't give Lord —— the Thistle. He'd eat it."

**Hats Denoted Liberty.**

In Rome slaves, when they received their liberty at their masters' hands, wore cone-shaped felt hats, which came to be the symbol of liberty. After the death of Nero the citizens of Rome wore pointed hats to show that they were relieved from the oppression of a tyrant. Later on, when the Netherlands threw off the Spanish yoke, they adopted a hat in the coat of arms of that nation.

A well in Pesth was sunk to the depth of 3,100 feet in the '70s.
