EDISON IS FOND OF PIE.

Something About the Wizard Count's Pretty Wife.

The wizard's family consists of Mrs. Edison, two boys and a little girl, the latter the child of his second marriage.

Mrs. Edison is a beautiful woman, with charming manners, as becomes a countess. Her beauty and fine manners won high praise last summer while in London and Paris.

Mr. Edison's pet name for her is 'Mena.' Mrs. Edison always dresses in perfect taste, and on ordinary occasions very quietly.

She takes a long drive every morning, accompanied by her little daughter and her nurse. Her carriage costume at this season is very apt to be an army blue cashmere.

Mrs. Edison has a young woman's fondness for society and entertains a good deal, luncheon and dinner parties being her favorite ways of dispensing hospitality to her friends.

The luncheon hour at the Edison mansion is 2 o'clock, and lest her absent-minded husband forget that he needs some refreshment, Mrs. Edison often has the carriage sent for him to his laboratory.

IDOLATRY IN INDIA.

More Idols Than Worshipers—How the Ceremonies are Conducted.

Capt. Cruikshank of the English army tells the following about idolatry in India. 'It seems as if there were more idols than people in India,' he said.

'They are afterwards put in the holy cart and sold. The priests have no trouble in selling them, for holy food is always quoted high. Twenty loads of holy food can be sold in the time it takes to dispose of a cargo that has not been to the temple.'

We noticed Mr. Barr, of Dwight, in town Thursday. Mr. Amos Grindler is now one of the eligibles. He has a fine team and bran new carriage. Grant short has another bouncing boy at his house. Grant looks proud, but you ought to see Louis Gillet, the grandpa. We noticed Patsie Langon at the town well and thinking, well, there is a new style of head gear out (for Patsie is fashionable) asked him about it, he says 'No, I've got the gripper,' have to have this red scarf 'round my head. There will be an exhibition held at district No. 1, Langon school in four weeks. There will be dialogues, recitations, debates, papers read and a general good time had. Will give date next week. Come everybody they say. Mr. and Mrs. James O'Leary, of Kinsman, were visitors of Mrs. John Grindler's on Thursday afternoon. Richard Weber and John Grindler will go to the city of 'Shekago' Saturday. It will be hard getting along with out Dick. There is a great complaint among the children of sore throat and bad cough. All the little ones about here have had a siege of it.
