UNION FOREVER.

The Open, Union, No-License Caucus Last Night Harmonious.

Good Progressive Candidates Were Nominated.

Pursuant to call a large number of voters of Dwight assembled at the town house last night and nominated a no-license ticket that will be supported by the people of Dwight generally. David McWilliams was elected chairman and F. A. Haise secretary. Major Judd was elected President of the Board, but refused to serve, and John Thompson was then unanimously nominated and is acceptable to all. About ten candidates were voted for trustees, resulting in the choice of W. H. Taylor, D. B. Stevens and John Leach. Andrew Doherty was nominated for clerk.

These gentlemen are all good men, and every voter should cast a ballot for them.

Conservatism is one of the important essentials in any candidate for the board, but there is such a thing as being too conservative. We want a board that will see that the public improvements keeps pace with the private improvements. The private improvement in Dwight during the last year has increased the price of property sufficient to pay for water works, drainage, electric light, improving streets, etc., four or five times over. A great amount of property has doubled in value and there is no one that owns a house in a good location but can get from two to five hundred dollars more for it than they could one year ago. But at the same time the public improvements have remained just where they were. That is not right. It is out of the general order of things. No property owner who has not improved any during the past year should kick on public improvements especially when the price of their property has been increased on an average of one third without any particular effort on their part. They should now be perfectly willing to stand their share of expense when the increase in the value of their property is much more than the expense would be, and has really cost them nothing.

The increased value is generally been brought about by public improvements, but in this case it is private enterprise that has accomplished it, and now it is not only right, but it is the duty of the public to do its share, and see that public enterprise keeps pace with private enterprise, at least.

Immediately afterward the caucus for the nominations of members of the school board to be voted for to day was called, and resulted in the nomination of the following gentlemen: President, Dr. Palm; members for three years, John Pettitt, John Geis; for two years to fill vacancy, John R. Oughton.

Building and Loan Association.

The price of property is raising every day in Dwight, and owing to the scarcity of houses in the town. Now what the town needs is a building and loan association. It has great advantages for the poor man, and if well and honorably conducted, members can provide homes for themselves at about the same, or possibly a little more than it costs for rent. The building association in Pontiac has accomplished wonders for men of small means, and many families there now owe the blessings of a comfortable home to the association. Let some one take the initiative in the matter and call a meeting. If we were not "too young" we would do it ourselves.

A Cat Whose First Name was "Pole."

We have heard of men being skunked, and we have heard of men being elected, but when this occurs to a man all on the same day, it is a novelty. This happened to Ben Thompson, the fat, good natured, collector of Round Grove township, on election day. Ben worked all day at the polls, and after being made glad by the votes showing up in his favor for another year, he started joyfully across the fields on his way home. While crossing Myron Tambling's farm, he had the misfortune to meet a cat, and what was more unfortunate, the cat's first name was "pole." The cat did a "tale unfold" which Ben will remember until his robust form is laid away to rest. Ben was sick that night, and the next day he was yet when he thinks of it his stomach rebels. We think the fact of that polecat being found on Myron Tambling's farm and Myron being a Republican, and Ben a Democrat, that there is politics in it.

CARR—Steinhofel.

We clip the following, under the above head, from the Racine Daily Journal. The bride is a sister of Mrs. A. R. Zimmerman, of Dwight:

"Miss Orah Carr and Mr. Max Steinhofel, were united in marriage at 8 o'clock at the home of the bride's parents, No. 1316 Grand Avenue, Rev. Charles Percival officiating. The bride was attired in a cream colored albatross with natural flowers for ornaments, and the groom wore the regulation black. The bride was attended by Miss Helen Steinhofel, sister of the groom, and the groom's best man was Mr. Albert Druse. Only relatives and a few intimate friends of the contracting parties were present. After the ceremonies a wedding supper was served and the newly married couple received many handsome and useful gifts. They were escorted to their new home on Grand Avenue by friends and did not go on a wedding tour. The bride is a very amiable and lovely young lady and has a large circle of friends, while the groom is popular and has been with the Aischuler Co., as shipping clerk for the past five years. To the young couple is extended the best wishes of all for a long and happy married life."

ROUND GROVE.

Gene George lost a fine horse last week.

Everybody busy this week putting in the oats.

CHICKAMAUGA CHIEF.

Bay stallion; foaled April 18, 1886, owned by A. H. HAYNES. By AMBER 768—(Son of Almont 33, and 35 in 2:30 list.) 1st dam Polly—(dam of Danzig), by Chickamauga 4776—(sire of Luella, 2:21; Danube, 2:21; Charlie B., 2:29, and Bell Chick, 2:40); 2d dam, untraced. AMBER 768—By Almont 33, sire of Westmont, 2:13; Piedmont, 2:17, and 39 sons and 19 daughters are producers of 2:30 trotters. 1st dam Patti, by Mambrino Chief 11. (Sire Lady Thorne, 2:18; Woodford Mambrino, 2:24, and 23 sons and 16 daughters producers.) 2d dam, by Parks' Highlander. 3d dam, by Grey Eagle. (Grand sire dam of Grafton, 2:22, and Edgewater, sire of Harry W., 2:27, and dam of Edgemark, 4 years, 2:16.) 4th dam, by Bertrand. CHICKAMAUGA 4776, by Vermont Boy son of Green Mountain Morgan, by Gifford Morgan, (sire of Luella, 2:21; Danube, 2:21; Charley B., 2:29, and Bell Chick, 2:40.) 1st dam untraced.

NOTE.—Chickamauga Chief was sired by one of the best individual sons of the great producer Almont 33; and Chickamauga, the sire of his dam, got but forty-eight colts and two of these have records better than 2:22, one of 2:29, and one of 2:40, a percentage of speed shown by few of the best trotting sires. Here is a promising young horse certain to sire roadsters, and being from prolific speed sources he ought also to sire trotters. His breeding comprises Hambletonian, Mambrino Chief, Pilot, Jr., and Morgan, lines that have produced our most enduring roadsters and fastest trotters. Chickamauga Chief has never been developed for speed, but is open gaited, rapid and promising, and will be trained after the season.

TERMS.—Fifteen Dollars to insure with foal, payable when mare is known to be with foal. Persons parting with mares before they are known to be with foal, or failing to return them regularly, will forfeit the amount of the insurance. While all possible care will be taken to prevent accidents I will not be responsible should any occur.

Horse will be found at barn of his owner during the season. Mares from a distance will be kept at reasonable rates.

A. H. HAYNES, Dwight, Ill.
