**MAYOR JOHN THOMPSON.**  
It is with a great deal of pleasure that we present to our readers this week, a portrait of John Thompson, the new mayor of Dwight. Mr. Thompson is an old resident, and his experience in public affairs well qualify him for the position he holds. He is at present engaged in the loan, collection, and insurance business, deals in stock, and besides the office of mayor, represents the township on the Board of Supervisors and is police magistrate. He is often designated as the "Sage of Dwight." We have been at considerable expense in securing the above portrait, and hope it will be appreciated by our readers, and have no doubt it will.
