Obituary of Mrs. J. M. Reeder.

Mrs. Joseph M. Reeder, the subject of this brief sketch, was born in Allegheny Co. New York state, June 23, 1832.

Her maiden name was Lucinda E. Spencer. She was one of a family of six children, three sons and three daughters.

Her mother also still lives at a ripe old age. In 1857 Miss Spencer came to Illinois, where in 1860 she was united in marriage with Joseph M. Reeder.

There were born in the union four daughters, Delilah E., Eleanor J., Nellie M. and Ida E. of whom three are now living.

She also had two step sons, Levi and Jas. C. Reeder. On Jan. 15, 1876, she buried her husband and the father of her children.

Mrs. Reeder was a resident of Dwight until within the last two years, since which time she has made her home in Streator, with her daughter, Nellie.

Mrs. Reeder united with the Baptist church in Highland township and has never since connected herself with any other church.

Her death was the result of the slowly encroaching disease, consumption. For the last four months she has been confined to her bed.

She was a kind and considerate friend and neighbor and a loving mother. The remains were conveyed from Streator to this place and the funeral services were held Thursday in the M. E. church at 10:30 a. m., directly after the arrival of the train.

The remains were deposited in the McDowell cemetery.

GRAND PREMIUM OFFER! A SET OF THE WORKS OF CHARLES DICKENS, IN Twelve Large Volumes,

Which We Offer with a Year's Subscription to this Paper for a Trifle More than Our Regular Subscription Price.

Wishing to largely increase the circulation of this paper during the next six months, we have made arrangements with a New York publishing house whereby we are enabled to offer as a premium to our subscribers a set of the Works of Charles Dickens, in Twelve Large and Handsome Volumes, with a year's subscription to this paper, for a trifle more than our regular subscription price.

Our great offer to subscribers eclipses any ever heretofore made. Charles Dickens was the greatest novelist who ever lived. No author before or since his time has won the fame that he achieved, and his works are even more popular to-day than during his lifetime.

He is a vast storehouse of useful and entertaining knowledge—most notably one of the best and most valuable works ever published in any language.

It is a work to be consulted every day with regard to the various perplexing questions that constantly arise in writing and conversation, by the farmer and housewife in their daily duties and pursuits, and for countless readers no work is more entertaining of instruction.

DAVID COPPERFIELD, MARTIN CHUZZLEWIT, NICHOLAS NICKELBY, DOMBEY AND SON, BLEAK HOUSE, LITTLE DORRIT, OUR MUTUAL FRIEND, PICKWICK PAPERS, BARNABY RUDGE AND CHRISTMAS STORIES, OLIVER TWIST AND GREAT EXPECTATIONS.

THE CURIOUSITY SHOP AND THE UNCOMMERCIAL TRAVELER, A TALE OF TWO CITIES, HARD TIMES AND THE MYSTERY OF EDWIN DROOD.

The above are without question the most famous novels that were ever written. For a quarter of a century they have been celebrated in every nook and corner of the civilized world.

Yet there are thousands of homes in America not yet supplied with a set of Dickens, the usual high cost of the books preventing people in moderate circumstances from enjoying this luxury.

But now, owing to the use of modern improved printing, folding and stitching machinery, the extremely low price of white paper and the great competition in the book trade, we are enabled to offer to our subscribers and readers a set of Dickens' works at a price which all can afford to pay.

Every home in the land may now be supplied with a set of the great author's works.

CHICKAMAUGA CHIEF.

Bay stallion; foaled April 18, 1886, owned by A. H. HAYNES.

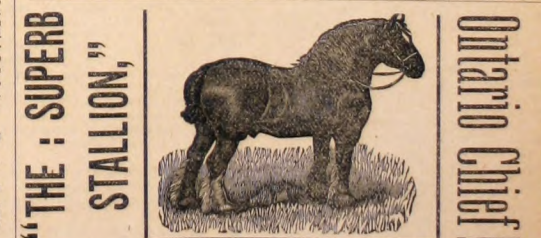

By AMBER 768.—(Son of Almont 33, and 35 in 2:30 list.) 1st dam Polly—(dam of Danzig), by Chickamauga 4776—(sire of Luella, 2:21; Danube, 2:21; Charlie B., 2:29, and Bell Chick, 2:40); 2d dam, untraced. AMBER 768—By Almont 33, sire of Westmont, 2:13; Piedmont, 2:17, and 39 sons and 19 daughters are producers of 2:30 trotters. 1st dam Paddy, by Mambrino Chief 11. (Sire Lady Thorne, 2:18; Woodford Mambrino, 2:24, and 23 sons and 16 daughters producers.) 2d dam, by Parks' Highlander, 3d dam, by Grey Eagle. (Grand sire dam of Grafton, 2:26, and Edgewater, sire of Harry W., 2:27, and dam of Edgemark, 4 years, 2:16.) 4th dam, by Bertrand, CHICKAMAUGA 4776. By Vermont Boyson of Green Mountain Morgan, by Gifford Morgan, (sire of Luella, 2:21; Danube, 2:21; Charley B., 2:29, and Bell Chick, 2:40.) 1st dam untraced.

Note.—Chickamauga Chief was sired by one of the best individual sons of the great producer Almont 33, and Chickamauga, the sire of his dam, got but forty-eight colts and two of these have records better than 2:22, one of 2:29, and one of 2:40, a percentage of speed shown by few of the best trotting sires. Here is a promising young horse certain to sire roasters, and being from prolific speed sources he ought also to sire trotters. His breeding comprises Hambletonian, Mambrino Chief, Pilot, Jr., and Morgan, lines that have produced our most enduring roasters and fastest trotters. Chickamauga Chief has never been developed for speed, but is open gaited, rapid and promising, and will be trained after the season.

Terms.—Fifteen Dollars to insure with foal, payable when mare is known to be with foal. Persons parting with mares before they are known to be with foal, or failing to return them regularly, will forfeit the amount of the insurance. While all possible care will be taken to prevent accidents I will not be responsible should any occur.

Horse will be found at barn of his owner during the season. Mares from a distance will be kept at reasonable rates.

A. H. HAYNES, Dwight, Ill.
