

Chicago Bi-Chloride of Gold Club.

The Rev. Flavius J. Brobst made an eloquent and able address at last night's meeting of the Bi-Chloride of Gold Club.

Mr. Brobst had read many stories of the club and Dwight and had met many graduates of the Keeley Institute, but he declared that he was never more surprised than when he looked into the faces of the men who are members of this famous club.

"To look at this large audience" said the reverend gentleman, "at once removes from my mind all traces of the impression which, I am frank to admit, at one time existed to the effect that the Dwight treatment was a fraud. Men of culture, refinement, and education, means and intelligence. I do not grow enthusiastic over a 'fake,' and as I listened to the speeches made here and witness the sincerity of you all the fact comes to me with force that the Keeley gold cure does all that is claimed for it.

"And to me comes also the fact that having been saved yourselves you are now doing that which is most noble—you are doing your utmost to save others.

"I shall present to my friends," concluded Dr. Brobst, on every opportunity the wonderful character of the club and its members, and I heartily congratulate you on your work. I am from this time an eager missionary of your body and its cause."

At the conclusion of the address Dr. Brobst was elected an honorary member of the club amid loud cheers. N. A. Reed, Jr., presided at the meeting in the absence of Ope P. Reed, and made an enthusiastic address, as did Secretary Banks and several other graduates.

Thirty persons have been sent to Dwight by the club, but at present the finances are so low that no more can be sent until the treasury is augmented.—Tuesday's Inter Ocean.

Harry Cleveland, of Rock Island, was elected president Wednesday and responded to the honor with appropriate remarks. Mr. Cleveland has the elements of popularity with the club members that is sure to make his administration successful.

The entertainments this week have been of a high order of excellence and much enjoyed by every one. The entertainment committee extend their thanks to those who have kindly assisted them in their efforts.

Rev. F. W. Merrill, the Chaplain of the Club, has been assigned to duty at the First M. E. Church at Rock Island, which necessitates his resignation. The reverend gentleman is very popular with the members of the Club, and he has the best wishes of all.

Secretary Banks, of the Chicago Club, visited the boys Wednesday. He gave the members additional courage by a few remarks at the morning meeting. He reports the Chicago branch as accomplishing a great deal of good.

We are in receipt of the Mahoning (Ohio) Dispatch, which contains a biography and portrait of B. F. Phillips, a late graduate and member of the Club. Through his enterprise the North Jackson Milling company was recently organized and he was elected treasurer. Everyone will be glad to hear of his prosperity.

We are in receipt of a letter from J. L. Bebert, of Canonsburg, Pa., which ends as follows: "No words can express our thoughts with regard to the success of the Keeley cure."

Ex-president Wm. Burris, of Missouri, came to Dwight Sunday and spent two days with the boys. He delivered three excellent speeches while here and the new comers were greatly encouraged, as well as entertained by his remarks.

A general jubilee was held Tuesday morning to celebrate the thousandth mark in the membership of the Club. The number at the time the meeting was called was 1,005, all in good standing. Remarks were made by Major Curtis J. Judd, Ex-Presidents Stanton, Reynolds, Burris, and Messrs. Voris and Call, which were highly appreciated. It was decided to send the

"glad tidings" to Dr. Keeley, and accordingly a cablegram was immediately forwarded.

D. C. Osmon, Jr., of Chicago, was a club visitor Monday.

Mr. Fair received the sad intelligence Monday morning that his mother was dead. He was completely overcome with grief, and he has the sympathy of his many friends in Dwight. He left Monday to attend the funeral in San Francisco.

President Clark delivered his farewell address to the Club Tuesday evening and left for his far away home in Florida Wednesday. His address was one of the best ever delivered before the Club, eloquent and earnest, showing his thankfulness and honest belief in the Keeley cure. Mr. Clark has made a popular president and the best wishes of all go with him.

There is a full regiment of us—1000 strong.

Mr. Geo. E. Whitney, of Portland, Me., leaves for his home in the Pine Tree state to-day.

G. Sawyer, of Clarence, Iowa, left Wednesday for home.

Robt. Thomas, of Lacon, Ill., went home this week.

We publish an extract this week from the proceedings of the Chicago branch club which is interesting reading. Rev. Brobst is a man of great influence for good in Chicago, and he will undoubtedly be the means of assisting the club financially.

Mons Ricci, the noted Italian singer, gave the club one of his best solos Saturday night. He has undoubtedly the finest basso voice in this country.

Mr. Cantrell left Sunday morning. His voice will be more than missed by the Club. He is the organizer and leader of the celebrated "Myrtle" quartette, of Chicago.

The entertainment Saturday evening was very fine and consisted of a literary and musical programme, and was taken part in by ladies and gentlemen from Dwight and abroad.

The entertainment committee of the Club are energetic gentlemen and use every endeavor to furnish first-class amusement for the Club and visitors, and are successful.

The Club room is crowded to its utmost capacity every evening when entertainments are given.

Judge Baxter, of Peekskill, N. Y., left for his home last week. He came here an unbeliever and went away a strong believer in the Keeley treatment. The judge delivered a cheering address the day of his departure.

Ope P. Reed, president of the Chicago branch club, was out Saturday night and gave the boys an encouraging talk. Mr. Reed's smiling countenance is always welcome in Dwight. He is a great big, large hearted, good natured man, and it does one good to look at him.

Tuesday, Thursday and Saturday evenings, hereafter, will be entertainment nights.

Mr. Wm. M. Haywood, of Clinton, Iowa, is the one thousandth member of the Club, and his autograph and talismanic number has been eagerly sought after by owners of souvenir books.

Capt. J. H. Hoofstittler, of this city, a man who has a national reputation as a prohibition orator, and who as a public speaker has few superiors, is at home from the Keeley institute at Dwight. As all citizens of Sterling are aware, Mr. Hoofstittler was an occasional drinker, what is known as a "periodical." Time and again, after months of sobriety and ardent labor in the prohibition field, had the fatal spell come upon him, and, despite his every effort to free himself from it dragged him down. Yet he had not been robbed of his manhood. Crippled and crushed as it was, it was strong enough to assert itself a few weeks ago, hence his visit to the institute. That he has been greatly benefited is confident; that his cure may be sure all are hopeful. In another part of today's Herald, we publish Mr. Hoofstittler's farewell address before the Bi-Chloride of Gold Club, the evening of his departure. The address is a grand, a beautiful one, and we know that it will be read with deep interest and highly appreciated by all who knew the gentleman personally or by reputation, and who hope that never again may he lack strength to gain the mastery over the tempter that has followed remorselessly upon his track. May God so will it.—Sterling (Ill.) Herald.

DR. PRICE'S Cream Baking Powder. Used in Millions of Homes—40 Years the Standard.

A Little Story. Do you pay \$10 a month rent? If so you will pay in eighty months \$800, and the money is gone, as far as you are concerned, forever. You can go into the Equitable Building and Loan Association, and pay \$75.30 or \$9.94 a month, and have a home of your own in the same time, and the money or home is yours forever and it hasn't cost you a cent. You have made your home for nothing and \$4.80 more. Isn't it true? Now a word to those that want to make a few hundred honest dollars. You pay the Equitable \$440 in monthly payments of \$5.50, and in eighty months you will get a cool \$1,000 for it. Pay the Equitable \$2.75 a month for eighty months and you will get five hundred in cash. Call on W. G. Dustin, the resident agent, for further particulars.

PROPOSALS FOR WATER WORKS

SEALED PROPOSALS will be received by the President and Board of Trustees of the Village of Dwight, Illinois, until 10 o'clock, the 25th day of September, 1891, for the construction of a system of water works according to plans and specifications now on file in the office of the Village Clerk. Proposals will be received for the work as a whole or for any part thereof. Each and every proposal must be accompanied with a certified check for the sum of \$250, made payable to the Village Treasurer of Dwight, as a guarantee of good faith, said check to be returned to the bidder when his proposal has been rejected, or when accepted and satisfactory bond deposited with the President and Board of Trustees. Each and every proposal must be sealed and marked "Proposal for Water Works," and must be filed with the Village Clerk, his office at Dwight, Illinois, on or before the time stated above. The rights reserved to make any additions or deductions from the materials to be furnished and work done under the accepted proposal at proportionate prices, to the amount of 15 per cent of the same at any time before the materials have been ordered, and the right is still further reserved to reject any and all proposals.
