Morgan, the able assistant of Mr. G. Codagan Morgan, of Chicago, was in the city Monday, just in time to put in a bid for the erection of the water works. His bid, we understand, is \$17,240, and furnish the additional money needed for the same. Julia & Barnes, of Joliet, charged the town \$50 for remodeling the plans of the water works engine house. It is a curious coincidence that a man like Mr. Morgan, who has put up some of the best systems in the country, didn't know how to draw the plan of an engine house. Mr. Morgan will have to come to Dwight and get posted in his business. Every man in town will be a civil engineer and a water works fiend before the works are finished. An Exclusive Family. Mrs. Forreund—What? Invite the Downtown girls to our party! Why, my dear, their father is in trade. He keeps a shop. Miss Forreund—I know, ma, but he is awfully exclusive. You will find the push cart at the back door. She is Mighty. Girls are but weak creatures, but the most ethereal of them can throw a man over with the greatest of ease.—St. Joseph News. To Be Sure. "After all," observed the burglar softly to himself, as he grabbed everything in reach and stole quietly away,

A Little Story. Do you pay \$10 a month rent? If so you will pay in eight months \$800, and the money is gone, as far as you are concerned, forever. You can go into the Equitable Building and Loan Association, and pay \$795.20 or \$9.94 a month, and have a home of your own in the same time, and the money or home is yours forever and it hasn't cost you a cent. You have made your home for nothing and \$4.80 more. Isn't it true? Now a word to those that want to make a few hundred honest dollars. You pay the Equitable \$40 in monthly payments of \$5.50, and in eight months you will get a cool \$1,000 for it. Pay the Equitable \$2.75 a month for eight months and you will get five hundred in cash. Call on W. G. Dustin, the resident agent, for further particulars.
