

and to redeem some of his past life, and he will do it with an earnest heart and sober brain. He has the best wishes of the club for his future prosperity.

Mr. Watson, of Denver, made his farewell talk to the club Wednesday morning. Mr. Watson has been very prominent in club matters and has labored earnestly for the legal organization of the body. He will probably locate in Chicago for the practice of his profession.

ITEMS OF INTEREST

Picked Up at the Club Rooms and Various Parts of the City. Interesting communications were received from Messrs. Chas. H. Odley and Frank H. Platt Monday.

Buy food for the hungry; And clothes for the cold; But for the fellow that drinks Bi-chloride of gold.

A vote of thanks was tendered Thursday morning to Mr. Jno. Michau, of St. Joseph, Mo., for so kindly staying over at his own expense to deliver the lecture on last Tuesday night.

A letter was received Thursday morning from Mr. Love, ex-president of the club, acknowledging the receipt of his badge of office, and expressing a wish for the future prosperity of the organization.

The by-laws of the B. C. of G. C. of the World were issued this week. It is a neat and tasty job and is the work of the STAR and HERALD STEAM PRINTING HOUSE, from which office none but the best of work is turned out.

Mr. Harry A. Bronson, of Rockford, Ill., who graduated a short time ago, had a very interesting article in the Rockford Morning Star of the 31st inst. Harry says he is thoroughly cured, and he surely looked it when he left here.

A letter was received Tuesday from Mr. Wm. J. Baker, of St. Louis, who will be remembered by many as one of the most energetic chairmen our amusement committee ever had. "Bake" is all right, don't want any booze, and will always welcome all B. C. of G. C. men when in St. Louis.

A lecture was delivered at the Congregational church Tuesday evening by Mr. Michau, of St. Joseph, Mo., a prominent club member. The proceeds—something over \$25—are to be devoted towards paying the expenses of some poor but worthy person at Dwight. The lecture was very good, and the boys turned out nobly for the cause of charity.

A letter was received from Ex-President McSherry of Joliet, Monday, acknowledging the receipt of his badge. He seemed much pleased with the prospects of the club, and said that he thought some time this organization would be a great power for good in the land. Mr. McSherry has been chief of police at Joliet, and is very popular with all who know him.

Wanted. A good girl for general house work. Enquire of Mrs. J. R. Oughton.

For Sale. Good Illinois farms, cheap; fine soil; near good market; easy terms. E. F. BELL, Dwight, Ill.

New School Books. Kelagher is now prepared to exchange school books according to the arrangements recently made by the county superintendent and school directors of Livingston county.

Happy New Year. I am now ready to furnish farm hands, laborers, and mechanics on short notice. Those who want to hire a man of any kind call and see me at Scott's coal office. Girls wanted. J. JACOBSON.

Dissolution Notice. The partnership heretofore existing as Weber & Co., is this day dissolved by mutual consent. Mr. B. Weber retiring. Messrs. Sorensen & Parker will continue the business under the firm name of Sorensen & Parker. All indebtedness of the late firm will be paid by the present firm, and outstanding debts collected by them. SORENSEN & PARKER.

Dr. Keeley's Bust. We have just seen a statuette of Leslie E. Keeley, modelled by Mr. Herbert W. Birt, of London, England. Mr. Birt is a silver medalist, and is well known as a rising sculptor, whose fine work is attracting considerable attention in England. Mr. Birt has made arrangements with the Dwight Art Co. of this city to handle this work, and a limited number will be sold at extremely low prices. It is acknowledged to be the most suitable souvenir yet brought out of Dr. Leslie E. Keeley and his great Bichloride of Gold treatment. We take it upon ourselves to say that the Dwight Art Co. will take pleasure in showing it to all who may call. With such a work, we only hope they will be able to keep the supply equal to the demand, as such great care is required in their production, and all but absolutely perfect copies are rejected at once.

An Introduction

to the through car service of the Wisconsin Central lines and Northern Pacific railroad is unnecessary. Its advantages and conveniences have been fully established. It is the only route to the Pacific coast over which both Pullman vestibule first-class and Pullman tourist cars operated from Chicago via St. Paul without change. Through train leaves Chicago every day at 10:45 p. m. The traveler via this route passes through the most picturesque, interesting and prosperous belt of country in the western world. There is scenery with most striking contrasts that ranges from the rolling prairie and the pine forest level to the wildest passes of the wildest mountains in the world. There is a series of the noblest cities, towns and villages of every variety and size, from the hamlet or the tiny farm, upward; the richest mines in the world; the greenest and most lasting pasturage; the wildest scenery on the continent; canons as wild as a nightmare; hills snow-capped and peaks startling in the magnificence of their beauty; and a perfection of comfort in traveling that has never been surpassed. East train via Wisconsin Central lines for St. Paul, Minneapolis, Ashland and Duluth leaves Chicago at 5:00 p. m. daily with Pullman vestibule sleepers and the Central's famous dining cars attached. Trains do not stop at Dwight.
