Flagler & Potter have received a large invoice of stoves for the winter trade. Call and see them. Mr. and Mrs. H. T. McLane are spending part of the week in Kankakee visiting friends. Remember that Walter Schott sells the best hard and soft coal in town, at Ketcham's oldstand.

A good, solid foundation is a good thing. W. H. Conrad has the best of stone for that purpose. Dr. Ubellar, dentist, graduate of the Chicago College of Dental Surgery, 2d door north of Institute.

Editor I. B. Sommer, of the Herald-Democrat, of LaGrange, Mo., made us a pleasant call yesterday. Geo. Stone is now editor and publisher of the Gardner Journal, and is making a splendid paper of it. An elegant line of oak side boards and chamber suits from \$15.00 to \$50 at Baker's Furniture Store.

Ketcham & Smith sold Thomas Weldon's property on Seminole street to B. F. Norton. Price \$2,200. The Orange Judd Farmer and the STAR AND HERALD one year for \$2. This is to new subscribers only. The STAR AND HERALD record for the past week is 51 new subscribers. Our regular edition is 1,200 copies.

W. H. Conrad, the lumber man, has everything on hand that is needed in building. He deals fair. Give him a call. Benj. F. Scott, editor of the Lacon Owl, was in the city yesterday on business. He made this office a pleasant call.

Thomas Blair & Co., the plumbers, have a full stock of plumbing and steam fixture fittings always on hand. Call on him. J. Schott, the tailor, has just received some very fine samples of suitings from which he will make suits from \$24 up. Latest styles.

We offer the Weekly Globe-Democrat and the STAR AND HERALD for \$1.90 a year to our subscribers who pay in advance. This is a great offer. Has anyone a safe to rent or sell cheap, suitable to keep books in (no money goes). If so enquire at the STAR AND HERALD office immediately.

Frank Boll, of Ransom, was in town Wednesday looking around with the intention of locating in Dwight. Come along Mr. Boll, the town is all right. Of all unhappy human lives The saddest is we know, The boy who has a sled and skates And neither ice nor snow.

Lumber and stone of good quality is what everyone wants when building a new house or addition. You can find everything you need at W. H. Conrad's yards. The dance at the new tonsorial parlors of A. J. Deifenbach was largely attended Thursday night, and a pleasant evening spent. The music was good.

Dan North, the Pontiac murderer, plead guilty to manslaughter in the circuit court last week, and was sentenced to 33 years in the penitentiary at Joliet. Blair & Co., the plumbers, are prepared to make connections from the main water pipes for commercial or domestic use. Parties wanting water should call on them.

Albert Bros. new meat market, next to Seymour's drug store, presents a handsome appearance, having just been fitted up with the latest improved machinery, patent galvanized meat rack,

new blocks and scales. They are stocked up with choice meats, oysters and poultry. Give them a call.

Remember that we can get you any paper, magazine or periodical, that is published in the United States or Canada, and at as low a rate as any publishing house.

Mr. Warner is now editor of the Wilmington Review, Messrs. Stevenson & Styles having purchased a job printing outfit of Mr. Carter, of Streator, and removed to that city.

There was quite a gathering of young people at the residence of S. T. Lockhart Tuesday evening. Lots of good things to eat and plenty of fun was the order of the evening.

Rev. Dawson, recently of Washington, preached two very good sermons at the Congregational church Sunday. There is a prospect that he may be engaged here permanently.

A good suit of clothes made to order from \$24 up, by J. Schott, the tailor. His prices are very low and for cash only. Customers should call soon, as these prices will not last long.

The Metropolitan Accident Company is making very profitable terms with the members of the Bi-Chloride of Gold club who accept positions with that company. For particulars call upon Dr. C. H. Barr or address the company at 169 Jackson street, Chicago.

Dr. Conway, of Minier, Ill., has arrived in Dwight to remain. His office for the present is located at the residence of Mrs. Pearce. Read his ad. in another column. Dr. Conway intends to purchase substantial property here and make Dwight his future home.

Messrs. Rowe & Horr, the meat market men, will leave shortly for their old home in Saybrook, we understand. Since their residence in Dwight they have made many friends who will be sorry to hear of their departure. We predict for them success wherever they choose to locate.

M. Tschirg, jr., civil engineer, of Debuque, Iowa, was in town Thursday looking over the plans for sewerage. He has lately finished his contract at Pontiac building the main sewer. Mr. T. thinks the time granted in the ordinance for finishing the main sewer is not sufficient. He praises Mr. Philbrick's work very highly.

Herbert W. Birt, a noted sculptor of London, England, has become a resident of Dwight, and will undoubtedly conduct an immense business in his line from this point. Mr. Birt has contracted with the Leslie E. Keeley Co. for considerable work. Mr. Birt is a very pleasant gentleman, and we take pleasure in welcoming him to Dwight.

The Dwight orchestra has been reorganized with Frank L. Evans as leader and first violinist; Jas. Goodman second violinist; E. Flagler, cornet; Horace Shepard, bass; and Miss Stella Flagler, pianist. They are all excellent musicians and there is no reasonable excuse for sending away for music any more. They rendered splendid music at the hop Thursday night.

Subscribers will please examine the tag on their paper and act accordingly. We need money to pay our debts. All papers published away from home demand cash in advance invariably. Why not use your home paper the same. The STAR AND HERALD office is half a block east of Chas. Waters' brick building on the corner of Franklin and East Delaware streets.

We mentioned in the council proceedings that Supt. J. E. Moffett left for Clinton Thursday. Mr. Geo. Reed will take charge for the present and proceed with the work. He is a very competent and pleasant gentleman and it would be a good idea to employ him permanently. Mr. Reed informs us that he never in his long experience tested a better well than the one at the water

tower, both for public and private use. The reservoir is full within a foot of the top and there is a steady flow from the well without any pumping. The pump house and power house will present a fine appearance when the floor is laid and the engine and pumps painted.

There seems to be some difficulty in finding the STAR AND HERALD office. Everyone knows Walter Weese, "the village blacksmith," that truthful gentleman that pounds iron into all kinds of shapes. Well, the STAR AND HERALD office is just one-half block east. Call and take a look at our new office, no matter whether you are a subscriber or not. Call and get a "sample copy" and you will soon be a subscriber.

Johnnie George called on friends here over Sunday. Johnnie is so situated at present that he can accommodate all the girls who wish marriage licenses during leap year. They do say that when Johnnie walks up to the marriage license window in the county clerk's office, in Pontiac, that saucy smile of his just knocks out the arc light in the way of illumination. We don't believe the young deputy would take a back seat if there was any saluting the bride to be done either.
