10 Cents a Line.

We announced in our issue of Jan. 2, that all local reading notices would hereafter be charged at the rate of 10 cents per line.

The Firemen.

The Dwight Fire Company met at the town house Wednesday night. There was not the attendance there should have been.

The committee on uniforms did not report, but it is understood that the amount necessary to buy a good serviceable outfit is about \$250, and that about \$50 is needed to purchase different articles and place the company on a good footing.

The following signals to be blown by the waterworks whistle were agreed upon for regular, special or adjourned meetings of the department: Two short blasts, pause, one short blast; repeat at intervals.

The New Building.

The new building on West street being erected by The Leslie E. Keeley Co. under the supervision of Contractor Jackson, will contain two handsome stores and hall and office up stairs.

We understand that store buildings will also be put up on the site of the Stevens, Geis and Weicker buildings as soon as they are moved, then keep your eyes open for a club house and opera house.

Good Girls.

The Y. W. C. T. U. will meet with Miss Myrtle Martin next Friday evening. This organization is keeping up its good work in the city and they deserve great credit.

Paid Back.

The money subscribed for the blow out at the time Dr. Leslie E. Keeley returned home from Europe, was paid back to each subscriber in full last week, much to the credit and pleasure of all concerned.

DR. PRICE'S Cream Baking Powder. Used in Millions of Homes—40 Years the Standard.

heard nothing regarding the returning of the money except from two or three, and the principal one to question the action of the committee was a man who didn't give a cent.

Literary and Dramatic.

Miss Ella Knight, the celebrated impersonator, will give dramatic recitals at the Congregational church next Thursday evening, under the auspices of the ladies' church society.

Much Obligated.

The following from the Pontiac Sentinel makes us smile: "The DWIGHT STAR AND HERALD last week issued a handsome edition, devoted principally to the Keeley Institute and the improvements now going on in that thriving city.

New Laundry.

The building and necessary rooms for the new laundry at Spencer's factory are nearly completed. Mr. Wright informs us that the new "washoe washes" will contain the finest modern machinery obtainable and that he intends to turn out excellent work.

Election.

Town clerks should bear in mind that the STAR AND HERALD will print all instructions necessary regarding the new election law in poster form for putting up in public places.

We will also have all the necessary outfit for printing tickets under the new law. Call on us any time next week or after for information.

New Dynamo.

The new dynamo was tested Monday night, and the result was that our incandescent lights showed up in the best shape they ever did. Mr. Seigert had an expert here Monday, but after he left the machinery failed to do its duty and Tuesday night it was almost impossible to find one of them.

Teachers' Examination.

A teachers' examination will be held in Dwight in west school building on the 11th and 12th inst. Examinations will begin at 9 a. m. and close at 3 p. m. each day.

Odd Gentlemen.

The Dwight Odd Fellows went through a great many oddities Thursday night at their hall. They had work in the first, second and third, and afterward enjoyed a fine banquet at the Star restaurant.

Council Meeting.

Tuesday night. President Thompson—"Come to order, gentlemen; call the roll, clerk." Bell—here. Lower—here. Leach—here. No quorum. Adjourned.

Receipts For Special Assessments Given Away.

To the parties buying the first ten lots in Rutzer's addition through the Dwight Land and Loan Company, Mr. Chas. L. Romberger, proprietor, will be presented with a receipt for the amount of the special assessment for sewerage. Inquire into it.

Attention K. of P.

As a matter of great importance will be brought before Hebron lodge next Wednesday night, it is of vital interest that every knight should be present. This is a matter that is of importance to every knight personally.

Attention Band!

Every member is requested and urged to be present at the meeting Monday night. There is business of importance to be transacted.

Reception.

February 24th there was a wedding reception at the residence of Michael Smith's in Round Grove, in honor of his daughter, Katie, and Thomas Gavin. The tables were bountifully spread for a large gathering of friends and relatives.

Three rugs and carpet, Mr. and Mrs. Gavin; extension table and set of dishes, Mr. and Mrs. Smith; cook stove, Maggie Gavin; \$45 in cash, Annie Gavin, center table, John and Willie Gavin; picture frame, Maggie Gavin; drapey for toilet pin cushion, Mr. and Mrs. D. A. Mulford; water pitcher, Mr. and Mrs. Hulbert; table cloth, Mr. Wise and daughter; half dozen knives and forks, T. Guest, linen table cloth, Ella Deyo; cake stand, C. Guest; half dozen table-spoons, Ella Deyo; butter dish, T. Guest; half dozen silver knives, Katie Donegan; half dozen silver forks, Maggie Morrissey.

Round Grove.

Andrew Ross and wife returned from Kansas last Tuesday; they are greatly pleased with the country. Loss purchased a farm in Butler county.

Charley Butler, Spencer Brothers and some others expect to go to Southern Kansas in a few days to look for land. A freight engine jumped the track on the Washab between Camps and Redick a few nights ago, the result of running over some cattle.

Wm. Mahannah moved to Broughton this week. Dan Brown takes the place vacated.

R. D. Gregg will move to Dwight in a few days.

The marriage of Mr. Lewis Pfefferman and Miss Hannah Finagoh took place last Monday. They are both well known and very popular in this vicinity. A number of friends gathered at the home of the bride's parents to wish the happy couple joy and partake of the excellent dinner prepared for the occasion. In the evening about twenty invited guests gathered at the home of groom and spent the evening in dancing and other enjoyments.

The wedding party was very large and many of them were very young. They will enjoy one of their best and prosper in the wish of your correspondent.

Goodfarm.

J. Barnhart returned to his home in Ottawa, Quebec, last week. Goodfarm is doing real well; three weddings within a very few days, but we are sorry to say that we have some very impolite young men that have treated two of these young couples very disrespectfully, as their boisterous noises were heard in the neighborhood as well as the immediate families in torture. We hope we will not hear of the like soon.

Little Logan Barnhart, infant son of Mr. and Mrs. H. Barnhart, was seriously ill last week with lung trouble, but is improving. The party at Mr. B. C. Sindler's last Tuesday night was well attended and a pleasant time was had by all.

R. G. Thompson and H. L. Bartholic are having quite a large number of tile laid this spring.

Mr. and Mrs. A. Baker's Monday where they intend to live this coming year. Mrs. P. Leach is staying with her mother, Mrs. Mackey, who is dangerously ill, and was no better at the last report.

Kern-Kelly.

Mr. Thomas Kern and Miss Bridget Kelly were united in marriage, Thursday, the 25th inst., at the Catholic church in Kinsman, Father Bruton performing the ceremony. They returned to the home of the groom's sister, Mrs. James Nevilles, of the north side, and that evening a reception was held in their behalf. The number in attendance was about thirty-five. They received many useful and beautiful presents, viz: one hanging lamp, stand lamp, pair of pillows and cases, set of knives and forks, two table cloths, four towels, tea set, glass set, wash bowl and pitcher, set of silver teaspoons, sugar spoon, butter knife, set of napkins, toothpick holder, set of goblets, several quarts of fruit, and many other useful articles.

The newly married couple have lots of friends who all join in wishing them a happy and prosperous life.

Wilson.

Married.—On Feb. 29, by Rev. Father Moore, Miss Hannah Finagoh and Mr. Louis Pfefferman. A wedding supper and dance was given by the groom's parents at their residence. They received many useful presents.

Mr. Jno. Brophy shipped a car load of hogs to the city this week.

Mr. Geo. Orr completed tiling Thursday for the present, having put in four carloads.

Messrs. John Spencer and Chas. Butler leave Saturday for a western trip. Mr. John Brophy and son James visited the city of the world's fair this week.

Farm hands are in demand. Good, industrious boys will find plenty of work awaiting them.

Taking the Keeley Cure.

Francis M. Druley departed on Monday for the mecca of the unfortunate at Dwight. It is the prevailing opinion that if Mr. Druley don't break the machine it will stand all future tests. In fact France has been the champion of the town for many years, and if Dr. Keeley succeeds in changing his route from the saloon bar to the town pump it will be perfectly safe for any other person to invest in a course of bichloride of gold. We would like to place about twenty-five to fifteen that France pulls out a winner.

Mr. Jot Ireland, son of France Ireland of Hopedale, entered the Keeley institute on Sunday.—Tazewell County Press.
