

HEAVY RAINS.

Gardner Visited by a Flood Which Does a Great Deal of Damage to Property.

The heavy rains which have been falling the past two or three days have not only had a serious effect upon the railroads, but have damaged many residences in our little city to a greater or less extent.

Almost the entire town lying south of the railroad was covered with water, varying in depth from 2 inches to 3 feet. Jackson street was the worst, many houses being completely surrounded, and the lower floors of several residences covered with water.

Several serious washouts were reported on both the Alton and Big 4 roads. Bridges on both roads are being constantly watched, and for a while it was feared that the new bridge over the Mazon was in danger.

Proposals for Sewer System. Sealed proposals will be received by the President and Board of Trustees of the Village of Dwight, Illinois, until two (2) o'clock of the 17th day of May, A. D. 1922, for the construction of a sewer system...
