Bichloride of Gold Club.

H. W. SHEPARD, REPORTER.

ITEMS OF INTEREST

Picked Up at the Club Rooms and Various Parts of the City.

Mr. Hawley, an ex-graduate, addressed the club with a few words of encouragement Friday.

The "free for all" entertainment now comes on Wednesday night instead of Saturday night as heretofore.

Bichloride of Gold for the Kaiser would not be beneficial, as Dr. Keeley does not pretend to cure wheels in the head.—Bloomington Sunday Eye.

W. S. Martin, of Decatur, came up with a candidate for the Keeley cure Thursday. Most of the boys know Martin, who is very popular with all.

Messrs. Harrington of Chicago and Nobis of Milwaukee were prominent graduates of last Tuesday. Both gentlemen made short talks to the club.

Mr. McKinnon responded to the call Thursday and made the boys a short address of graduation. He leaves confident that his dealings with liquor are forever over.

Mr. Duncan made a short graduation address to the club last Saturday. He leaves for home filled with gold, hope and encouragement for success in his future life.

Mr. Sessor, ex-sergeant-at-arms, was a prominent graduate of Friday. He responded to the call for a speech and thanked the members for their courtesy in making him an officer.

Dr. Parsons, a morphine patient was called for at the meeting Monday morning and made a few remarks. He says he is entirely relieved of the awful craving for morphine which has made his life a hell for years past.

The salary of our worthy and efficient secretary has been increased from \$75 per month to \$100. This is not a cent more than his services are worth, as few people realize the amount of work connected with an organization like the Bichloride of Gold club.

At the election of officers Thursday W. S. Rowell, of Danverse, Ill., was unanimously elected president, and Mr. Monroe, of New York vice-president. A rising vote of thanks was tendered to Mr. Adams, the retiring president, who responded in a few appropriate remarks.

Col. Parker, a former graduate and club member, made an eloquent and encouraging address to the members last Tuesday. Col. Parker was a prominent member of the club while here, and those who listened to his talk are pleased that he is meeting with such success in life.

The salary of Thomas Wall, our janitor, has been increased from \$14 per week to \$17.50. Anyone acquainted with the club room knows the amount of labor connected with keeping it clean, and \$2.50 per day is not too much remuneration for the genial Thomas' services. You're all right, Tom.

There is one man taking treatment at the Rockford Keeley Institute in spite of himself. The Rockford Republican says he had been on a spree for some time, and his wife and sister finally got him into a hack and took him to the Institute and had him shot, and after he got straightened out he was glad of it.

A letter from O. B. Griggs, M. D., of Brooklyn, Ind., states among other things "that I have been away from Dwight seven months, and each setting sun finds me firmer and farther away from the accursed evil that took me there, thanks to the Keeley Cure." We remember the Doctor, and are glad to here of his good success.

Mr. Skinner of Sioux City, Iowa, was a prominent graduate of last Saturday. He made a short address to the club before leaving, in which he thanked the members for the honor conferred upon him in electing him vice-president during his stay. Mr. Skinner's many friends join the STAR and HERALD in wishing him success in the future.

A man from Virginia recently sent the club his badge with the request that the money he paid for it be returned to him. Secretary McNeill referred the matter to the club, and the members became so greatly incensed that some rather strong measures were advocated. These measures were finally reconsidered, however. We are heartily sorry such men join the club, for if a man who comes here, joins the club and reaps the great benefits derived therefrom is so stingy that he regrets the paltry sum of \$2.50 paid for

membership he is not worthy the fellowship of the order nor the Keeley treatment. Such cases, however, are extremely rare.

Mr. Jno. J. Flinn, of Chicago, ex-president of this club, came down Saturday on business. He dropped around to the club room during the morning session and made a few remarks of encouragement to the boys. Mr. Flinn is also one of the executive committee of the A. K. B. C. of G. clubs, and very popular with all club members.

There was a large audience present the opera hall last Friday evening to hear the lecture of Capt. Hoofsteter, of Sterling. His talk was about the treatment of inebriates at Dwight, giving also, interesting reminiscences of that world renowned place. He related his own experience and that of others with much effect. The feeling and sympathies of those present were deeply touched, and in response to an invitation to subscribe to a fund for the benefit of those who seek treatment there from here over \$900 was raised. There were said to be four who desired to receive treatment at the Keeley Institute. The lecture was under the auspices of the Sycamore Bi-Chloride of Gold club, and about 500 tickets to the lecture were sold. Miss Jennie Little sang a song which was followed with a prayer by Rev. Horn.—Sycamore City Weekly.

Gone to Dwight.

Dr. Keeley's Sanitarium is still drawing recruits from our sacred city. Last week the following new proselytes made a journey to the institute: Wm. Marker, Louis Ulrich, Emmons Stewart, John Voit, Alec Johnson and J. Hoffman.—Bloomington Eye.

New Election System.

The following resolutions were presented to the club last Saturday, and on motion unanimously adopted:

WHEREAS: There are apparent good reasons for correcting the manner of holding ballot elections for president of this club at such times as there are two or more candidates for such office, and

WHEREAS: The utmost harmony and good-will should always exist among the members of this club, therefore be it

Resolved: That on Wednesday morning before any election for president, the secretary shall provide a poll list upon which shall be entered the names of all those entitled to and desiring to vote for president, and this list shall be open to receive names until the nominations are closed. Before the election the secretary shall call this list and note the absentees. After this the ballot shall be gathered by tellers and counted on the president's table. And be it further resolved that this system of voting shall be called the registering plan and shall become rule 20 of the rules governing this club and be stated as follows:

"All members desiring to vote for president shall give their names to the secretary for registration before the nominations close and only those so doing shall be entitled to vote at such election."
