(Sire Lady Thorne, 2:18; Woodford Mambrino, 2:21, and 23 sons and 16 daughters producers.) 2d dam, by Parks' Hildner. 3d dam, by Grey Eagle. (Grand sire dam of Grafton, 2:24, and Edgewater, sire of Harry W., 2:27 1/2 and dam of Edgemark, 4 years, 2:16.) 4th dam, by Bertrand. CHICKAMAUGA 4776, by Vermont Boy, son of Green Mountain Morgan, by Gifford Morgan (sire of Luella, 2:21; Danube, 2:21; Charlie B., 2:29, and Bell Chick, 2:40). 1st dam untraced.

NOTE.—Chickamauga Chief was sired by one of the best individual sons of the great producer, Almont 33; and Chickamauga, the sire of his dam, got but forty-eight colts and two of these have records better than 2:22, one of 2:29, and one of 2:40, a percentage of speed shown by few of the best trotting sires. Here is a promising young horse certain to sire roasters, and being from prolific speed sources he ought also to sire trotters. His breeding comprises Hambletonian, Mambrino Chief, Pilot, Jr., and Morgan, lines that have produced our most enduring roasters and fastest trotters. Chickamauga Chief has demonstrated the fact that he has speed and when properly developed will make a trotter.

Persons parting with mares known to be with foal, or failing to return them regularly, will forfeit the amount of the insurance. While all possible care will be taken to prevent accidents I will not be responsible should any occur.

The Line of Lakes. The above name has been applied to the Wisconsin Central lines on account of the large number of lakes and summer resorts tributary to its lines. Among some of the well-known summer resorts are Fox Lake, Ill.; Lake Villa, Ill.; Waukesha, Mukwonago, Cedar Lake, Neenah, Waubesa, Elletts, Belfort and Ashland, Ind. Wis. These lakes abound in numerous species of fish, such as black bass, rock bass, pickerel, pike, perch, muskellunge, white sportsmen will find an abundance of game, such as ducks, geese, quail, snipe, etc. In the grandeur of her scenery, the charming beauty of her rustic landscapes and the rare perfection of her summer climate, the State of Wisconsin is acknowledged to be without a peer in the world. Her fame as a refreshing retreat for the overheated, careworn inhabitants of the great cities during the midsummer months has extended southward as far as the Gulf of Mexico, and eastward to the Atlantic.
