Bichloride of Gold Club.

H. W. SHEPARD, REPORTER.

ITEMS OF INTEREST

Picked Up at the Club Rooms and Various Parts of the City.

Secretary Kehoe is attending the convention at Chicago this week.

John P. Kline, of Highland Park, Ill., was sergeant-at-arms to fill the vacancy caused by Mr. Gass' resignation.

The club piano was tuned and put in shape Wednesday. God knows it needed it. Now get the rest of the instruments in shape and organize an orchestra.

Mr. Doolan, of Missouri, addressed a few parting words to the club Wednesday morning. He left for home Thursday, perfectly happy and sure (with a big S) of his cure.

Secretary Flemming, of the Bichloride of Gold Club, of Canton, Ill., was in the city last week on business. He says the club at his home has a large membership and is doing well.

Mr. Storms, of the Hot Springs Institute, who graduated at Dwight two years ago last March, was here on a visit and made a few well timed remarks to the club at Monday morning's meeting.

Several very interesting letters from former graduates to patients now taking treatment, were read to the club by Sec. McNeill last Tuesday morning. They were all full of encouragement and words of cheer.

A great many democrats who have been to Dwight, and a great many more who should be here now, have been at Chicago this week, expatiating on the great principles of democracy, and helping to nominate a president.

The St. Louis Globe-Democrat had quite an interesting picture of our friend Walter Young, manager the Keeley Institute at St. Joe, Mo., last Tuesday. It was "Walter Young instructing the delegates on gold cure."

Mr. Harry White, "a traveling man from Chicago," and a graduate of last August, was in Dwight on business Wednesday, and while here visited the club and made a short talk. If any are skeptical about the Keeley Cure they should talk to Harry.

Mr. Reese, of Missouri, a former graduate, and his wife, stopped off at Dwight for a few hours last Wednesday, on their way to Chicago. While here they attended a meeting of the club and Mr. Reese gave the "boys" the benefit of his experience.

The election of officers Thursday brought two good men to the front. Mr. J. T. Davidson, of Lexington, Ky., was the choice of the club for president, and Mr. T. I. Fouke, for vice-president. Part of the election created a good deal of merriment at the expense of Mr. Fouke.

It was decided at Tuesday's meeting to have programmes printed for the entertainments in the future. This is a good idea, as anyone who allows their name to be used on the programme will hardly refuse to take part at the last minute, as has often occurred heretofore.

At the meeting Thursday morning the club were entertained by Mr. W. E. Brown, of Chicago, who is traveling agent for an anatomical chart showing the effects of alcohol and narcotics on the human system and vital organs. The subject proved quite interesting to those present.

The retiring sergeant-at-arms, J. W. Gass, of Attica, Ind., addressed the club in a neat little speech Tuesday morning. Mr. Gass has made a very competent officer, and the boys were all sorry to see him go. He left for home Tuesday afternoon with perfect faith in his permanent cure.

Mrs. Geo. R. Scott and daughter, Mabel, of South Bend, Ind., were in Dwight Monday visiting Mr. Scott, who is at present taking treatment. While here Miss Mabel entertained the club with a recitation entitled: "A Voice from the Poor House." Although only twelve years of age, Miss Mabel is already an elocutionist of great ability, and the recitation was well delivered and highly appreciated. She is expected here to take part in next Wednesday evening's entertainment.

D. V. Vermillye, of Montana, a former vice-president of the club, visited in Dwight Tuesday. He was invited to address the club, but excused himself saying he would talk to them Wednesday morning, but left for home in the meantime. It will be useless for anyone to try to excuse himself in the future, as the club has discovered the truth of the old adage, "A bird in the

hand is worth two in the bush," and hereafter they won't be put off until tomorrow.

Vice-President G. H. Williams, was called home by telegram Tuesday, and Wednesday morning Capt. Doyle, of Greenfield, Ill., was elected vice-president to fill the vacancy. The captain, in a neat little speech, accepted the honor bestowed upon him, and as he has been a very active member there is no doubt but he will make an efficient officer.

"Red, white and blue," is what the STAR AND HERALD will be next week. Bring in your advertising.

The Entertainment.

The entertainment at the club house Wednesday night was one of the best ever given, and although it was exceedingly hot and close, everybody was sorry when it was over. Owing to the fact that two members of the club quartette were called home that morning, one of the best numbers had to be omitted. Messrs. Cole and Ely were down for a duet, but as Rev. Cole failed to "show up" that, too, had to be omitted. Following is the programme as it was given:

- Piano Solo.....J. Walter Screener
Song.....Miss Cora Adams
Select Reading.....Miss Verlie Koehnlein
Recitation.....Dr. Banning
Song.....Miss Mabel Huey
Song.....Mrs. Ubelaar
Recitation.....Messrs. McCreary and Wheeler
Duet.....Miss Marie Koehnlein
Song.....Miss Mabel Huey
Quartette.....Dwight Ladies Quartette
Song.....G. M. Ely

For Both Capitalists and Health Seekers.

If capitalists or syndicates would examine the advantages at Magnolia, Miss., cotton and woolen mills would be erected paying full 40 per cent. annual profit. Health seekers would build summer and winter homes. If you want to build a paying factory, if you really want to build a home for comfort, for health, and live at a beautiful place, no excessive heat or cold, no malaria, no mosquitoes, among churches, excellent schools and good people, do not delay but go and examine, you'll never regret it. Magnolia will be the commercial city and health resort of Southern Mississippi. Its farms and grape lands cannot be excelled.--Manufacturers' Record.

The National Capital.

The City of Washington is an object of perennial interest to all patriotic Americans. Not alone because it is the great throbbing heart of the mightiest and grandest Republic the earth has ever known, but also on account of its material magnificence. All Americans take pride in its beautiful avenues, majestic architecture, stately homes, and well stored gallery and museum as things of grandeur and beauty in themselves, apart from the historic interest with which they are invested.

It is a hope and aspiration of all "YOUNG AMERICA," at least, to some time or other visit the Capital of his country.

The Baltimore & Ohio R. R. offers unequalled facilities in aid of this desire. All its through trains between New York, Philadelphia and Baltimore on the east and Pittsburgh, Cincinnati, St. Louis and Chicago on the west, pass through Washington. Its fast Express trains are vestibuled from end to end and heated with steam. Pullman's latest and best productions in the way of sumptuous Drawing Room Sleeping Cars are attached to all its through trains. The present management of the B. & O. have made vast improvements in the last two years, and the road is to day one of the foremost passenger-carrying lines in the country. Through tickets via B. & O. R. can be procured at all the principal ticket offices throughout the United States.

Wanted.

Palmer & Smith wish to purchase a good team, weight about 2,000 pounds; also a good milk cow, Jersey preferred. Call at their meat market, corner Delaware street and Prairie avenue.

Yellowstone National Park.

Have you ever seen this world's wonderland? If not and you contemplate a trip to it this summer, it is well to bear in mind that the Wisconsin Central Lines is the through car route from Chicago and Milwaukee via the Northern Pacific R. R., running through Pullman vestibuled and Tourist Sleepers, without a change. Meals served on route in dining cars. The Wisconsin Central Lines is also the best route from Chicago to all the beautifully cool summer resorts in Wisconsin and the Northwest. Pamphlets containing valuable information will be sent free upon application to C. E. Lennon, D. P. A., Chicago, Ill., or to Jas. C. Pond, General Passenger and Ticket Agent, Chicago, Illinois.
