For one week we will offer the STAR AND HERALD to new subscribers to Jan. 1 1893, for 50 cents. Please mention this to everyone you know that does not take the paper.

Look here! Have you seen those elegant samples of spring and summer suitings that Schott is showing now? They are simply immense, and if you want a nice neat business suit or a full evening dress there is the place to go. His prices are always reasonable, and you are sure to be suited.

Reader, spend a leisure minute occasionally examining the tag on your paper or wrapper. It tells you in glowing terms when your subscription to the STAR AND HERALD expires. The best and most satisfactory plan is to pay it in advance just the same as you have to your newspapers away.

We have a good stock of Reliable gasoline stoves, both generator and evaporating process, which will be almost indispensable during the hot summer months. We are disposing of them at rock bottom prices, and can suit you in any line you wish. Call and examine the stock. Flagler & Potter.

Mr. Meyer, the agent of Trice & Co., the hustling real estate dealers, of Kansas City, made a pleasant call at this office the other day. The firm is doing considerable business in this part of the country, as will be seen by reading their advertisement of the excursion to Kansas July 6, in another part of this paper.

"Talk about your Fourth of July" said a man in the postoffice "you ought to have been here the year Jim Parsons was firing off the fire works near where the new freight house is. His patriotism was given such vent that he got excited and the stand fell down with all hands. A few bruises was the only bad result."

Joe Gerson, a resident of Dwight twenty-five years ago, now of Newton, Kas., called on friends here last week, and renewed old acquaintance. Joe was considerable of a character in his day here. A story is told on him something like this: He hired a lawyer to attend to one of his numerous cases, and after the case was over Joe refused to pay only half of the lawyers charges.

The lawyer consoled himself, however, by saying: "Joe, I rather work for you for half what I would for other people, because all I have to do is to tell you what I want to prove and you always have the witnesses ready, no matter what is wanted."

The following officers were elected for the Danish Brotherhood for the ensuing term: President, Jens Schott; vice-president, Jacob Jacobsen; secretary, H. C. Hansen; treasurer, Jens P. Brodersen; guide, Jens P. Jensen; inner guard, M. C. Nielsen; outer guard, Jens Jensen; trustees, Jorgen P. Hansen, Simon P. Klitz, J. J. Smith.

The following officers of Hebron Lodge, No. 75, will be installed Wednesday evening: Chancellor Commander, Frank Reeb; Vice Chancellor Commander, Geo. L. Kern; Prelate, H. Ivens; Keeper of Records and Seals, Simon Klitz; Master of Exchequer, John Leach; Master of Finance, De Witt Miller; Master at Arms, A. R. Zimmerman.

Rev. Cole will preach an appropriate sermon for Independence Day next Sunday morning at 11:45 a. m. In the evening subject of sermon, "The Religion of the Ancient Egyptians." Pilgrims Progress illustrated Wednesday night at 8 p. m. This fine lecture is growing in interest each week. About 100 were in attendance last Wednesday night. Everybody invited.

The elegant summer suits now being made up by the fashionable tailor, Mr. J. Schott, are attracting a great deal of attention, both on account of their style, durability and price. His line of samples is the finest ever brought to Dwight, and he can please the most fastidious. He also does cleaning and repairing on short notice, and always in the most workmanlike manner.

Dr. W. H. Weld and bride who have been spending a portion of their honeymoon here with Mr. Weld's parents, Mr. and Mrs. J. D. Clapp, returned to Dwight, Ill., Wednesday, via of Freeport, Ill. This is Mrs. Weld's first visit to Fort Atkinson, and it is safe to say that all who met her here retain the opinion that she is a very charming little lady, and hope that she will accompany her husband here on many another visit.—Jefferson County Union.

Water Your Horses. The village and public in general are indebted to the following persons for the watering tank soon to be located near the town house:

Miller Bros., W. E. Austin, John Thompson, E. T. Miller, Geo. Z. Flagler, S. T. Lockhart, Baker Bros., Walter Weese, C. L. Romberger, Chas. Waters, F. E. Kirkendall, McConnell & Reel, W. H. Conrad, C. M. Baker, N. T. Nommensen, Jas. Kelagher, H. C. Rosendall, Philip Weicker, Anton Deifenbach, W. T. Scott, Leach & Reeb, B. A. Buck, Hagerty & Co., Ketcham & Smith, Star & Herald, Flagler & Potter.

The location is a good one. It is the intention of those interested to have the tank built round and surrounded with flagging out about ten or twelve feet, so that there will be no mud holes around the tank.

Firemen.

The Dwight Fire Department was out two nights this week, and tested their apparatus and did some fine work. They displayed one thing, that they have the right material, and after proper practice, will make one of the best departments in the state for a small city. The pressure was a hundred pounds and the stream was satisfactory. It would have torn the shingles off any house. Chief Keeley has good control of the boys and everything is working well.

The boys have sold a good many tickets for their dance, and it is hoped they will sell many more so that they may have sufficient money to buy neat uniforms. Everyone should buy a ticket anyway, and it wouldn't hurt some people to take five or ten. The boys are willing to risk a great deal to save property, and they should have no trouble selling tickets. No man with property has any business to refuse them.

Stores will Close. The merchants, generally, will close their places of business at 11 p. m. on the Fourth. Be sure and do your trading prior to this time.

He was accompanied by Miss Cole, one of the typists of the Institute, who will be in the employ of the Keeley company at Lampassas. Dr. Stewart and Miss Cole have only been in Dwight a few months, but have made hosts of friends who wish them success in the Lone Star State.

Caucus Saturday. The republican caucus was held at the town house last Saturday. E. T. Miller was elected chairman and A. R. Zimmerman secretary. Sixteen names were presented as delegates to the county convention, and the following nine were elected: Major C. J. Judd, W. G. Dustin, C. L. Romberger, E. T. Miller, Frank Reeb, Joe Miller, Ame Orr, W. T. Scott, W. H. Taylor. The following were elected alternates: R. D. Gregg, Martin Seibert, Jas Williams, A. Bovik, W. J. Hagerty. Our Advertisers. It will be noticed that the merchants of Dwight have taken advantage of this issue of the STAR AND HERALD to advertise their business. It is with pleasure that we recommend them to the public generally, and everyone will do well to read all the announcements and act accordingly. It is universally known that merchants that advertise are the best ones to do business with. Those who have advertisements in this issue that are not regular patrons of the STAR AND HERALD will do well to continue to occupy the space. Our representative will call on all of you.

The Harp Orchestra. The Dwight Fire Department has engaged the great Harp Orchestra, of Chicago, for their platform and evening dances on the Fourth. Good music is what the dancers like and they have got it this time sure. They have an orchestra that they can harp over. These dances are to assist the boys in getting uniforms and every man in town should buy a ticket whether he dances or not to help the boys along. The tickets are only \$1 and if everyone gives them a little help, which they deserve, they can purchase nice uniforms in the near future. Buy your tickets to-day.

Where to Get Your Butter. The Dwight creamery commenced operations this week and are now prepared to supply the people of Dwight or anywhere else with fine creamy butter at reasonable prices. Give them a call. They will sell at wholesale or retail.
