"There's Many a Slip," Etc.

But the one that we wish to call your especial attention to is the little one on the corner of your paper, or on the wrapper. It has your name on it, and the date of the expiration of your subscription. If it is not correct please inform us immediately and we will rectify the error. And if you are behind please remember that your \$1.25 is needed to enable us to pay what your paper costs us and to keep square with the world. As all must know, the profit on a weekly newspaper like the STAR AND HERALD for \$1.25, is small, and it is only right, under the circumstances, for everyone to pay in advance. To those who have paid in advance we wish to return thanks, and hope we may have occasion to thank a good many more in the near future.

"Hutch," of the Bloomington Sunday Eye, which sees everything and prints everything worth printing, says that he understands the city of Bloomington is to have a number of big damage suits on its calander, on account of a glass door jumping on a man when he was going home at a late hour and cutting him up. It was all in the Family.
One day last week the Fox and Lewis families and connections with one or two immediate friends enjoyed a family picnic in the cool shades of Mazon creek, north of Dwight. The party consisted of Col. and Mrs. Fox and family, Col. J. C. Lewis, Mrs. Doherty and little ones, Mrs. Whiteman and children, of Michigan, Mrs. Emma Chamberlain and daughter, Mrs. Pritchett and others. They enjoyed a very pleasant day until the rain came which dampened their ardor some and they returned in the mud. They took a liberal supply of eatables along and put in the time fishing. We understand there is only one fish left in Mazon creek and that is a little one that J. C. didn't want.

Tennis Tournament.
About three lines of copy was overlooked in the closing paragraph of last week's report, which should have read: In singles McWilliams will play against McKay, and Schlabach against Eldredge. The winners to play final singles for first and second prize.
The result of the games was as follows:
Final Doubles.—Hayes and McWilliams defeated Schlabach and Van Eman; score: 10-8, 6-2.
The first set was a nice game, sixteen games played Friday evening and each side had eight. Game called on account of darkness and finished Saturday forenoon.
In singles McWilliams defeated McKay; score: 6-4, 6-3.
Schlabach defeated Eldredge, each winning a set, and the third was as close as a set could be made. Score was "advantage all," the service by Eldredge was good, it was returned, then sent back and on the final stroke fell on the back line, deciding the set and contest. Score: 7-6, 6-4, 7-6.
One set of the final singles was played Saturday forenoon by McWilliams and Schlabach, the former winning by a score of 6-4. This will be finished Saturday, July 30.

Appropriation Ordinance.
The new appropriation ordinance is published in this issue and should be read by all. It should be borne in mind that the present year's appropriation was entirely, or nearly so, used up before the new board took charge of affairs, and that this appropriation, it might be said, covers two years. The new board was obliged to provide means to carry on the business of the town and have done so, and like all debts, has to be paid back. The appropriation is no larger than the condition of affairs demanded, and every nickle of it will go to pay legitimate debts and for the best interests of the city.
Caught in the Rain.
The young ladies of the Y. W. C. T. U. gave an ice-cream and cake social in West-Park, Thursday evening, and were well patronized and would have sold everything, had the rain he id off a little longer. The rain came so suddenly there was a great rush, some had umbrellas, some got under tables and others rushed for the laboratory, but they all got wet some, and the pretty white dresses were not so pretty. The Y girls have had luck and, to have rain, it is only necessary to have them announce a social.

Removed.
Mr. C. L. Romberger, proprietor of the Dwight Land and Loan office, and attorney-at-law, is now nicely located in the new Keeley block on West street opposite the depot, in the north front room up stairs. Anyone desiring to purchase or sell property, insure life or property, or legal business to attend to, will do well to call at his office.
Returns.
McWilliams service is "dandy."
The intensely hot weather made the attendance on the games light. It also tried the nerve of the players.
Following is an interesting individual summary:

NAME	PLAYED	WON	LOST	PERCENT

Hayes	71	25	46	37
McKay	70	32	38	43
Barber	55	32	23	58
Schlabach	132	70	62	53
Van Eman	86	41	45	47
Eldredge	70	38	32	54
Smith	34	9	25	26

The prizes gotten up by J. C. Lewis are very pretty and handsome souvenirs of a very interesting tennis tournament.
Theodore Hayes and Charlie McWilliams have the first prize for doubles.
McWilliams and Schlabach will have the first and second prizes for singles, coming games determining which to which.
