Resolutions of Respect.

The following resolutions were passed at a recent meeting of the Dwight Woman's Relief Corps, of which Mrs. J. C. Lewis was a member:

WHEREAS, Our Heavenly Father has seen ilt to remove by death our beloved sister, Mrs. J. C. Lewis, be it

Resolved, That in the death of our beloved sister the Dwight Woman's Relief Corps has suffered a great affliction and lost a member who was gentle, pure, true and faithful, and one who added much to the success of our society by her labors and kindness.

Resolved, That we sympathize deeply with the bereaved family fromwhich God has called a loving wife and mother, and mourn with them, and try to imitate the example that she so willingly carried out—that of faithfullness and cheerfulness to all.

Resolved, That a copy of these resotions be furnished the family of the deceased, and be spread upon the records of our Corps, and published in the DWIGHT STAR AND HERALD.

State Reformatory.

The new State Reformatory buildings at Pontiac are to be built immediately. The new board of trustees has adopted plans that front the building away from the city, and leaves the rear surrounded by a not very imposing stone wall. This has aroused the ire of the Pontiac people. Not even the "clock in the steeple" can soothe them. Editors Clark and Johnson went to Springfield last week and made a vigorous kick to the governor. The governor acknowledged the kick,or rather the justice of the kick, and will do all he can to have the plans reversed, so that the pilgrims of the Vermilion can look at the front of the imposing structure instead of the stone wall in the rear. If it is not turned around the people will have to look at the clock and try to smile.

Board Meetings.

A regular meeting of the town board was held Tuesday night and an adjourned meeting Wednesday evening.

The bond of the sewer contractors was approved and work will commence shortly.

The matter of abuse of water privilages occupied the attention of the board. It was reported that some parties were allowing others to use their hydrants, sprinkling day and night, cleaning out ditches and otherwise violating the ordinance. That part of the ordinance relating to violations is published in this week's STAR AND HERALD and should be read by all. The water rates are very reasonable in Dwight, and should not be abused.

The streets and alleys are reported in good condition.

Y. P. S. C. E. Rally.

An intererting meeting will be held at the Congregation church next Sunday evening at 8 p. m.

Short addresses will be made by the delegates to the New York convention besides reports from Miss McKay and Mr. Owens and a short address by the pastor.

The choir will sing Y. P. S. C. E. music. The society represents a membership of more than a million members. Their organized societies number 22,000 representing 30 Evangelical denominations. It is the largest young people's society in the church.

Chautauqua Camp.

A good deal of inquiry has been made as to the program of the Bloomington Chautauqua Camp, July 23rd to August 7th. We are now able to give the dates of some of the most distinguishnd speakers as follows:

Belva Lockwood, Friday and Saturday July 29—30. Gen. John C. Black(democratic day) Monday, August 1st Hon. W. G. Ewing, Wednesday. August3rd. Rev. Sam Jones, Thursday and Friday, August 4th — 5th.

Round Grove.

Grandpa Thomas came down from Joliet Sunday to spend a few days with his son Cyrus.

Gene George commenced harvesting his oats last Monday.

Jim Maguire is doing such a rushing business at Wilson the 3-I has concluded to open up the station again the first of August.

The delegates to the democratic county convention were B. M. Thompson, Lynn Glover, James Thompson, Thos. Feehery, B. Reilly and E. T. Potter.

Cyrus Thomas and wife are entertaining friends from Cincinnati.

Mrs. Thompson, of Normal, was visiting her son B. M. Thompson the past week.

Bernard Reilly has purchased property in Kankakee where he expects to move some time this winter.

The most of our farmers will finish haying this week.

A Pleasant Party.

About twenty members of the Ladies' Social Union, of the Methodist church spent a most enjoyable afternoon with Mrs. Sparks, out at the Davis farm, two and one half miles south of town, Thursday afternoon of this week. They took with them ice-cream, cake and lemonade which all enjoyed. Rev. Conard went along to keep order.

Loyal Legion.

The Temperance work is still more encouraging. A Loyal Temperance Legion has been formed in Dwight. Every child in the town should go; the meetings are to be held in the old Presbyterian church, every Thursday afternoon from 4 to 5 o'clock.

Miss Kittie Martin is Superintendent for a while. All come and help in the work for there is need of it in every town and let this be one of the largest and most prosperous bands. "Come all ye little ones, Come."

WATER REGULATIONS.

Extracts from Chapter 72 of the Ordinances of the Village of Dwight Regarding Water Privileges.

SEC. 2.—Rates when payable.—All water rates, benefits and rents are hereby declared due and payable quarterly in advance on the 1st days of January, April, July and October, at the office of the village clerk, and if not paid within 10 days after the same becomes due 10 per cent shall be added thereto for the expenses.

SEC. 6.—Not to supply other parties.—No occupant or owner of any building in which water is introduced will be allowed to supply other persons or families with water, and if found so doing the supply of water shall be stopped and all water rates paid shall be forfeited.

SEC. 7.—Owner to become responsible.—In all cases where more than one family or other consumer is supplied from a pipe or pipes governed by one stop, the owner or lessee of the building or the party introducing the water must become responsible for the payment of all bills, and keeping in repair all hydrants, pipes, stopcocks, etc., otherwise the water will be shut off from such building or buildings so supplied until such responsibility is assumed, and any amount of arrears are fully paid.

SEC. 8. Location of hydrants—Regulation.—Hydrants shall not be located so as to expose to use by non-paying consumer, and all hydrants so situated must be removed to some secure location or the water turned off. No hydrant shall be located on the sidewalk or on the front area, nor shall they be allowed to run when not in actual use by the owner or occupant. Taps at wash basins, water closets, baths and urinals must be closed when not in actual use.

SEC. 9. Turning off water.—Upon the return of a bill to the city clerk's office for the non-payment of water rates the water will be immediately turned off, and where the ferrule is drawn, $5 will be charged for resetting the same.

SEC. 10. Turning on water—Fee.—In all cases where the water is turned off on account of abuse or non-payment of water rates, the owner or occupant shall pay in addition to the past due rate the sum of $1 for again turning the water on.

SEC. 11. Notice of alteration of pipes.—No alteration or addition whatever in or about any conduit, pipe or water cock, or any extension of any service pipe shall be made or caused to be made by any person or persons taking water without notice thereof being previously given and permission had therefor in writing from the village clerk.

SEC. 13. Use of water regulated.—The converting of street sprinklers into jets or their use for any other purpose than sprinkling streets and lawns is strictly prohibited.

SEC. 14. Applications, how made.—Applications for water must be made by the owner or agent of the property to the village clerk in writing upon forms to be furnished by said clerk and must state fully and truly all the purposes for which it is required, and when paying the quarterly charges for it parties must frankly and without concealment answer all questions put to them relating to its consumption; in case of fraudulent representation on the part of applicant or of use of the water for any other purpose than those stated in the application, or unreasonable waste of water, the village clerk shall have the right to forfeit his payment and the supply of water shall be stopped unless the party shall promptly pay the additional charges as the case shall seem to warrant.

SEC. 15. Sprinkling regulations.—Sprinkling must be confined to the property or the front for which application is made and only one front will be allowed except upon payment of double rates, and water will not be permitted to be used from a street washer or sprinkler for domestic purposes.

SEC. 17. Abuses.—The following abuses are absolutely prohibited: No. 1. Permitting or allowing the water to be used for any other purpose than those authorized by the permit. 2nd. Sprinkling gardens or vegetables or sidewalks or washing carriages, omnibusses, cars or other vehicles with hose without a special permit obtained and paid for at the village clerk's office, and in no case will hose be allowed for the above purposes with hose or nozzles when used for washing carriages and other vehicles over .31. Forming leaks. 4th. Allowing water to flow unnecessarily while washing pavements or for similar purposes.

SEC. 18. Hours when sprinkling is to be done. —Hose for garden purposes, street and lawn sprinkling may be used two hours per day, not later than 9 o'clock in the forenoon nor earlier than 5 o'clock in the evening, and must be shut off on the alarm of fire being given.

SEC. 19. Fixing sprinklers prohibited.—The practice of fixing sprinklers with the water turned on to trees or fences or otherwise allowing them to flow without control or limit at different or other hours than those mentioned in section 18 of this ordinance is expressly prohibited.

SEC. 20. Regulation of "wash pavement."—A "wash pavement" will allow the use of hose for cleaning windows, floors and washing sidewalks of the premises of such owner only and no hose using used for such purpose no unnecessary waste of water will be allowed. Persons owning or occupying adjoining buildings and desirous of using water from the same "wash pavement" must first obtain permission of the village clerk to use such and pay therefor.

SEC. 24. Penalties.—Any violation of any of the provisions or requirements of this ordinance shall subject the offender to have the water turned of from their premises, to a forfeiture of all moneys paid as water rents and where no penalty is expressly provided, to the payment of a fine not less than $5 nor more than $100 for each offense.

The True Southern Route to California.

A new through route to California has been established by the Chicago & Alton Railroad in connection with the St. Louis, Iron Mountain & Southern Railway, Texas & Pacific Railway and Southern Pacific Company. The geographical position of this route recommends itself particularly during the winter months to the overland traveler, and invalids at all seasons of the year will appreciate "the true Southern Route to California," for it is without high altitudes, and the possibility of snow blockades is absolutely precluded. The traveler also passes through or nearly touches every winter resort of note in Arkansas, Texas, New Mexico, Arizona or California. Elegant Pullman Drawing-Room Buffet Sleeping Cars are run through daily, without change, from St. Louis to Los Angeles, San Francisco and other important California points. Direct connection is made with this sleeping car by through trains of the Chicago & Alton R. R. For further particulars call upon N. H. Coole, ticket agent, Chicago & Alton R. R., Dwight, Ill.
