Notice,
CAMPUS, ILL., AUG. 18, 1892.
TO WHOM IT MAY CONCERN:—I desire to say to those who have so industriously circulated the reports regarding my land trade with Trice & Co. First, I did not trade for land without seeing it; nor until my son made a trip to look at land, then myself and other son went and took a general look at the country and can say, that we found everything as represented and since trading, my son has made another trip west, and finds everything as in our first visit. In regard to my sickness, will say, that my land matters had nothing to do with it. Nor did I faint when signing my deed, nor write any protest whatever. The whole story is as false as it is malicious. I have a fair track of land and am pleased with it, and I desire for those not interested to please drop my name from their false reports. By so doing they will greatly oblige, Yours Respectfully,
MARTHA R. FOX.
