Bichloride of Gold Club.

ITEMS OF INTEREST

Picked Up at the Club Rooms and Various Parts of the City.

A great many new patients arrived on the different trains Monday.

Burt Hatton who has been employed at the laboratory departed for Chicago Friday night.

Vice President Fielder filled the chair Tuesday morning in a dignified manner and with credit to himself.

The patients have a great deal of sport with McGinty, the buttermilk man, every evening as he makes his rounds about town.

Harry Lawrence is an interested worker for the best interests of the club, and a day does not pass by without his inducing many new comers to join the club.

Very few aside from the sunflower brigade were present Monday evening. Interesting farewell speeches were made by Messrs. Lee of Kentucky, and Tuttle of Warren, Ohio.

Thursday morning the regular election for officers was held resulting as follows: President, Colonel Wm. A. Ewing of Chicago. Vice President, F. W. Fielder, Chicago.

The iron fence in front of the club grounds has been painted in mourning colors. The top of the fence has been fixed with short points, so that the masons will be unable to sit upon it and watch the summer girls pass by.

Prominent among the departures for home Wednesday was ex-president Mr. T. F. Tierney and Mr. Briggs of Clinton, Iowa, and many a hearty grasp of the hand, and a God bless you my boys was given them at the depot before they bade farewell to Dwight.

The workmen at the opera house are kept busy day and night getting the interior in readiness for the sessions of the National Convention commencing Sept. 13, and continuing for three days. A large attendance of delegates and visitors are expected here at that time.

Mr. Spinney of Chicago, addressed the club Saturday with words of encouragement for all who took the Keeley treatment. Mr. Powers of Richmond, Va., also addressed the club stating that it was no trouble to keep from drinking after taking the Keeley treatment.

Dr. Blaine made an address to the club Friday and in his usual pleasant manner gave a descriptive account of the effects of alcoholic poisoning and its eradication from the system by the Keeley treatment. The remarks of Dr. Blaine were listened to with the closest attention by all present.

The club members were pleasantly entertained Wednesday morning by an eloquent and forcible address from Colonel Thos. P. Brown of Meridian, Miss., who graduates this week. The Colonel was a gallant officer in the Confederate service during the war of the rebellion, and during his stay among us has made many warm friends who will regret his departure.

A large audience assembled at the club room Sunday morning expecting to listen to an address by Colonel Nate A. Reed Jr. the editor of the Banner of Gold, Chicago, but for some unexplained reason Col. Reed failed to materialize, much to the disappointment of the large audience. The usual song service was held with President Pierce in the chair and Miss Flagler presiding at the piano.

Mr. Frank W. Yale, of Rockford, who graduated about eight months ago was present at the club Wednesday morning and delivered an excellent and telling address to the men now in line. Mr. Yale cannot speak too highly of the benefits arising from a course at the Keeley institute, and he delights in revisiting the scenes where he came off victor in the fight against his worst enemy—whiskey.

Horace W. Shepard went to Chicago Sunday morning and passed through Dwight on the "Hummer" in the evening enroute to his old home at Warrsburg, Mo. where he will pass a couple of pleasant weeks visiting the scenes of his "youth." It is just one year ago since Horace came to Dwight for treatment and this is his first visit since then to the parental roof. His numerous friends wish him a pleasant visit and a safe return.

F. Y. Hedley President of the Gazette Printing Company, of Bunker Hill, Ill. and the author of a book entitled "Marching Through Georgia," presented the Dwight club with a handsomely bound copy of his book Tuesday morn-

ing, and on motion of C. G. McNeill, the secretary was instructed to write Mr. Hedley a letter accepting his present and thanking him on behalf of the club for his kindness.

Col. Nate A. Reed Jr., the managing editor of the Banner of Gold, Chicago, was the guest of the Livingston Wednesday night. Col. Reed regretted exceedingly that he missed the train last Saturday night and was unable to meet the club on that account Sunday morning and address them, but he expects to be with us next Sunday and favor us with one of his characteristic speeches, the bare announcement of which will insure him a crowded house.

Hon. W. I. Klein of Barry, Ill., a graduate of last October was present Friday evening at the meeting of the club and addressed the club in an eloquent and forcible manner in praise of the Keeley cure. Judge Darling of Clinton, Ia., arrived from his home with two patients and being at the club house he was called upon for a speech and responded by relating in an eloquent manner his feelings at the time he arrived in Dwight for treatment and he thanked God and Dr. Keeley for being free from the accursed appetite for alcoholic liquors, and he had no doubt whatever of his radical cure.

Mr. Briggs, who left for home Wednesday morning, made the club an affecting farewell address Tuesday morning, and among other good things said by him was, that he thought it a duty that every graduate should arise in the club before leaving and make a few remarks for the benefit of the members. He came away from his home in the night when he started for Dwight because he was ashamed to have anyone know where he was going but he lost that feeling after being here a few days and informed all of his friends of his whereabouts and could say most sincerely and truthfully that he was glad that he came to Dwight and took this treatment.

On motion of Mr. McNeill of Chicago, Friday, an adjournment was taken for the purpose of greeting Prof. Daniel Wilkins of Chicago, who for eighteen years was the superintendent of the Washingtonian home in that city. Prof. Wilkins on account of feeble health, the result of a paralytic stroke was unable to address the club, but gave each member a hearty hand shake as they passed by him. During his stay in our city Prof. Wilkins was the guest of the Keeley Company who did all in their power to make his first visit to Dwight a pleasurable one in every respect, and many of the patients who greeted him Friday were well known to him having been at different times inmates of the home when it was under his immediate supervision.

The Banner.

The mid summer number of the Banner of Gold is a large and handsome issue, and is well patronized. The edition consists of 50,000 copies, thirty-two pages and a handsome old gold cover. It is profusely illustrated with half tone engravings, among which are splendid portraits of Dr. Leslie E. Keeley, Hon. Jos. Medill, Rev. T. De Witt Talmage, Opie Read, John J. Flinn, Albert E. Hyde, Major C. J. Judd, J. R. Oughton, Major R. E. Moore, J. M. Keeley and Mrs. Harry Insley. Among the views we noticed the Dwight passenger station, the Livingston, laboratory, club house and six inside views of the laboratory. It would take a couple of volumes of space to mention all the good points in the Banner, but suffice to say that it is complete and very creditable and should give that paper a great impetus.

Tuesdays Entertainment.

Another large audience assembled at the club house Tuesday evening to listen to the regular weekly entertainment provided for their benefit. The programme though brief was an excellent one, yet it is a matter of regret to anyone interested in the clubs welfare that so many who consent to take a part do not make their appearance at all when their names are announced. This is decidedly wrong and persons should not allow their names placed upon the programme unless they intend to appear. Another matter that needs attention is the long delay in the commencement of the programme, and the tedious waits between each number. Every performer should be prompt in their appearance as soon as their number has been called. The programme was as follows.

Piano Solo.....Miss Flagler
Song.....Mr. Hilton
Selection, by request.....Mr. Richards
Selection, by request, Statue of Liberty as seen by all nations.....Mr. Barnes
Recitation.....Mrs. M. M. Stewart
Song.....C. G. McNeill

The True Southern Route to California.

A new through route to California has been established by the Chicago & Alton Railroad in connection with the St. Louis, Iron Mountain & Southern Railway, Texas & Pacific Railway and Southern Pacific Company. The geographical position of this route recommends itself particularly during the winter months to the overland traveler, and invalids at all seasons of the year will appreciate the true Southern Route to California, for it is without high altitudes, and the possibility of snow blockades is absolutely precluded. The traveler also passes through or nearly touches every winter resort of note in Arkansas, Texas, New Mexico, Arizona or California. Elegant Pullman Drawing Room Buffet Sleeping Cars are run through daily, without change from St. Louis to Los Angeles, San Francisco and other important California points. Direct connection is made with this sleeping car by through trains to the Chicago & Alton R. R. For further particulars call upon N. H. Cole, ticket agent, Chicago & Alton R. R., Dwight, Ill.
