ITEMS OF INTEREST

Picked Up at the Club Rooms and Various Parts of the City. A handsome bouquet, the gift of Miss Della Pearre, on the secretary's table, was greatly admired by everyone Friday.

Tuesday, Sept. 6, delegates to the National and State conventions of the B. C. of G. C. will be selected by the Dwight club from its members.

Large additions have been made to the club during the past week as a direct result of the speeches made, urging new patients to become club members.

The Joliet club has selected the following delegates to the National and State Conventions: Mm. Strickland, C. W. Munn, S. P. McCowlick, P. H. McSherry and A. Murphy.

On account of cold weather Tuesday the card players who have been congregating under the trees were compelled to seek more comfortable quarters in the cosy rooms up stairs in the club house.

Short graduation speeches were made Saturday by J. J. Bell, of Lacon, Ill., Mr. Elliott, Chicago. Interesting letters were read from Col. Thos. P. Brown of Meridian, Miss Ed. Samp, Walnut, Ill. and ex-chairman Wm. A. Connell, Scranton, Penn.

It has not been decided advisable to tender Dr. Leslie E. Keeley a public reception from the patients now in Dwight, on his return from Europe, and the committee appointed for this purpose was, on motion of Willard S. Brown, discharged Tuesday.

An interesting letter was read Monday morning by Mr. Pierce, from Geo. A. Ward, of Camden, New Jersey, who graduated from Dwight a few days ago. Mr. Ward is very happy since his return home, over the bright prospects in store for him in the future, says his wife is supremely happy over his cure and life wears a different aspect to him and his.

John S. Murphy, editor of the Daily Telegraph, Dubuque, Iowa, leaves for home to-day, after a stay of four weeks among our people. Mr. Murphy has no superior as a practical writer in Iowa and his paper is the acknowledged leader of the Democratic party in his part of the state. The best wishes of numerous friends made during his stay here accompany Mr. Murphy on his return to a happy family and a pleasant home.

A very interesting letter was read by Sec. J. W. Durean to the club Tuesday morning from Col. Barney Hughes, general freight and contracting agent of the Memphis & Charleston Railway, at Memphis, Tenn. Col. Hughes is a graduate of the Keeley Institute at Memphis, and before becoming a patient, was very skeptical in regard to the cure, but was more than satisfied that it is the most wonderful remedy that has ever been discovered.

N. H. Coole, local agent of the Alton, addressed the club Saturday, upon the importance of notifying all who expected to attend the convention of asking their home agent for a certificate entitling him to a return ticket at one third of the regular fare. He also desired everyone who came to call upon him as soon as possible after their arrival in order that the return tickets to their respective homes might be arranged for, thus avoiding the rush on the last day of the convention.

At the Sunday morning service, Col. Nate A. Reed Jr., of Chicago, editor of the Banner of Gold, made one of his characteristic speeches that was listened to with the closest attention by his auditors. Col. Reed spoke of the importance of every patient joining the club. He also spoke of the different clubs and institutes visited by him on his tour of the western states. He spoke for an hour and his remarks left a favorable impression on all who heard him.

One of the most prosperous Associated Keeley Bichloride of Gold Clubs in existence is the one at Bloomington, Ill., it has a large membership and is doing a vast amount of good by sending men to Dwight for treatment. They hold their regular meetings every Saturday evening and this evening by special invitation Willard S. Brown, resident correspondent at Dwight of the Banner of Gold, and Harry Lawrence will visit their club and make addresses, returning home on the "hammer" at 5 o'clock Sunday morning.

Dr. Blaine, Chief of Staff, was a club visitor Friday and was invited to make

a few remarks. He spoke chiefly upon its being the duty of every man who came here for treatment to join the club as soon as possible after arriving in Dwight, which club is a parent club and a membership in it is something one can always be proud of. The reputation and influence of this club has spread all over the world and it is only a matter of time when the Bichloride of Gold club will wield a greater influence than any other organization in the world, and it is a valuable auxiliary to the patients undergoing treatment. Dr. Blaine was followed, in short speeches, by Mr. McNeill, Mr. Lawrence, Judge McSherry, of Joliet, and others who spoke of the great benefits arising to anyone from a membership in the club and the wearing of the badge, especially the latter after a patient has been cured and left Dwight. It was a very interesting meeting.

Considerable interest was manifested at the regular weekly election for officers Thursday morning, and the following gentlemen were placed in nomination for the office of chairman: Messrs. W. E. Long, of Arkansas, Frank Crosby, of Chicago, James R. Cline, Amsterdam, New York. Mr. Long receiving the highest number of votes cast was duly declared chairman of the club for the ensuing week. Mr. Malcom McKay, of Minnesota, was elected vice-chairman. The retiring chairman, Col. Wm. A. Ewing, of Chicago, was unanimously tendered a vote of thanks by the club for his efficiency in presiding over the meetings of the club during his administration. Col. Ewing in his usual happy manner thanked the members of the club for their uniform kindness to him during his stay in Dwight. Colonel Ewing has made a most excellent presiding officer and has been very active in advancing the best interests of the club.

It can be safely said that no entertainment ever given by the club was any more pleasing or successful than the one given last Tuesday evening, and the audience testified their pleasure by an unbounded amount of applause, and the seating and standing capacity of the club room was taxed to its utmost by a well pleased and most delighted audience. The singers were all in excellent voice and their selections were highly praised by all who had the pleasure of listening to them. The entertainment committee is to be congratulated upon their good work in securing upon the program some of the best talent in Dwight as well as among the club members. The ladies of Dwight who made the entertainment such a delightful success and Mrs. Ida Buxton Cole, Miss Lizzie Winkler and the ladies quartette consisting of Misses Adams, Fenn, Barr, Lower, with Miss Flieger, pianist. It is sincerely hoped that these ladies will often lend their services for the amusement and entertainment of the club. Following is the programme:

For Justice of the Sessions. John H. Baxter graduated from the Dwight Keeley Institute about a year ago and his many friends in Dwight will heartily second his nomination. The Keeley graduates haven't exactly got wings but they get there just the same. We clip the following from the Peekskill, N. Y., Messenger:

The term of John C. Holmes as Justice of the Sessions will expire on December 31.

We know of none who has filled that office in the years past with more efficiency and more capable of sitting on the bench than John H. Baxter, of this village.

He is a man who understands criminal law in all its branches as has been clearly proven when he was incumbent of that office. For this reason we present the name of John H. Baxter to represent the Republicans of this county and we know of no reason why he should not be the unanimous choice of the delegates of the county convention for the nomination of Justice of the Sessions.

Women to Organize for World's Fair Work.

The Illinois Woman's Exposition Board has decided to organize clubs of women in every county of the state. The election of officers and the management of these clubs will be entirely in the hands of their members. For the purpose of such organization in this county, a meeting will be held at Fairbury on the county fair grounds at 11 o'clock a. m., Thursday Sept. 8.

Auxiliary clubs will be formed in other cities of the county under the auspices of the Central Club. Mrs. Robert H. Wiles, Vice President of the Illinois Woman's Board, will speak of woman's opportunities at the World's Fair and answer any questions which may be asked.

The Legislature directed the Board to "represent the industries of the women of Illinois at the Exposition." This cannot be done without the earnest co-operation of the women of the State. Therefore these clubs are necessary to actively assist in discovering and receiving for exhibition examples of the best work of women in every department of activity—the home, the profession, the studio or the factory. Illinois is the only State which has appropriated money for a separate display of the industries of women, and

therefore this display will attract much attention, and if the women of the State come forward loyally to its support, it may be made a memorable feature of the Exposition.

It is hoped that every woman in the county will take an interest in the club and join if possible, not only that the interests of women may have full representation at the Exposition, but also that the club may exert a powerful influence in fitting every woman to derive the largest possible benefit from the study of the Exposition, which will be the world brought to us in miniature.
