MRS. MCKINLEY SUICIDES

And Poisons Her Two Year Old Baby While Insane

The sad news spread rapidly about town Thursday about 10 o'clock that Mrs. McKinley the wife of J. K. McKinley, the marble man, had shot herself and poisoned her two year old little girl, while laboring under a fit of temporary insanity. For the past year or more Mrs. McKinley has at times shown that her mind was in a bad state. It is said that it was caused from severe headaches. Thursday morning Mrs. McKinley seemed well as usual and was sewing at her sewing machine and talking pleasantly with her sister, who was visiting her. Mr. McKinley was out walking with his brother-in-law. Suddenly Mrs. McKinley arose from her sewing machine and took the innocent little babe out of the house and gave it arsenic, and the little one came running in shortly after frothing at the mouth, and died in agony in about a half an hour. It seems the unfortunate mother, after her insane act went directly to the barn, and took a 32-caliber revolver and shot herself through the heart, of course causing death instantly. Mrs. McKinley's sister thought she heard a noise and went to the barn after taking a look, and found her as stated above. Physicians were called, but too late, the mother and child were both beyond the help of mortals.

Mrs. McKinley was about thirty-two years old and a pleasant lady and lived pleasantly with her husband and little girl of six and the little two year old baby that is dead, only at these times when her mind was affected. A coroner's jury was summoned in the afternoon and a verdict rendered as above. The remains of the mother and child were taken to Ottawa, Mrs. McKinley's former home, for burial. It was a great shock to Mr. McKinley and the people of every community that know him will extend sympathy.

Prof. Schlabach.

From the Clinton Age.
The Clinton Schools are said to rank first in the great state of Iowa, which has the lowest per cent. of illiteracy of any state in the Union. The reason is the earnest interest taken in the past by the directors, and the able, long time secretary of the school board, Mr. A. H. Pad dock. Nor does that interesting at present, for the present school board is just as earnest and progressive in its efforts to keep the schools in the lead of all Iowa schools, as is evidenced by the selection of Prof. Carl E. Schlabach, of De Witt, superintendent of the Dwight schools in the past year, to take the professorship of science. So many words of commendation has the Age used of this young and talented instructor, that it hesitates this time, but clips the following from his home paper, the De Witt Observer:
Prof. C. E. Schlabach, of this city, has been elected Instructor of Science in the Clinton High School. Mr. Schlabach excels in this line of study and he will be a strong addition to their school. Clinton has the finest school building in the state of Iowa, and from its selection of instructors we should judge that their school was second to none in the state. Mr. Schlabach is numbered among the best educators in Iowa.

Campus.

Weather to dry for fall plowing. The Campaign ball was well attended. A great many of our people attended the rally at Reddick Saturday evening. G. M. Kime sold his farm (160 acres near Emington last week for seventy dollars per acre. While drilling for water on Fred Ahern's farm the drill went through a vein of coal thirteen feet eight inches thick, at a distance of 212 feet from the surface, at 251 feet they struck a vein of water that rose within seven feet of the top of the ground. While going home from church Sunday, Fred Ahern's horse became frightened at a boy riding a bicycle, and upset the buggy throwing Fred out and under the buggy, in which manner he was dragged several rods. He however hung to the lines and stopped the horse, but could not get out until the buggy was lifted of him. Horse and driver got off without a scratch but the buggy is a total wreck.

The New Organ.

The organ fund is increasing daily, \$500 is already raised. Special music for Sunday will be rendered by the choir. Subject of sermon Sunday morning "God's Hand in the Discovery of America." Evening, "Paul's Journey to Rome," illustrated by map. Services at 10:45 a. m. and 7:30 p. m. sharp. All welcome.
"Dorothy" Very Fine.
S. T. K. Prime and Chas. L. Romberg, managers of the "Dorothy" last Friday evening and saw the Andrew's Opera company in "Dorothy." They pronounce it very fine. They are at the opera house this Saturday evening. The reserved seats are going rapidly at Dr. Barr's drug store. It will be the finest musical treat ever in Dwight.

Register Your Name.

Be sure and register this year and save trouble at the polls. Dwight will cast considerably over 500 votes this year and under the Australian system it will take a long while, and every voter should see that his name is properly recorded on Tuesday, Nov. 1. Look after this matter.

Republican Meeting.

The republicans held an enthusiastic meeting last Saturday evening in Lyceum hall. The marching club was out to the number of about 100, and marched from the town house to the hall through the principal streets. Col. Lewis called the meeting to order and introduced Hon. H. H. McDowell who addressed the audience for about an hour and made a good republican speech. Remarks were made by Ed. Shroyer and then followed several citizens who told why they were republicans. They were David McWilliams, Frank Smith, John Denehe and others.

There were some toughs present who took occasion to hiss everything that was said that didn't exactly suit their ideas. No one but a miserable dirty loafer will attend any kind of a meeting and act in such a manner. A democrat attending a republican meeting or a republican attending a democratic meeting should not expect to hear anything that would please them to any very great extent, but the speakers in both parties should receive gentlemanly treatment. Anyone, democrat or republican, who cannot do this is a disgrace to himself, his family and friends and his community, and should be kicked out of any meeting.

Death of Uncle Benj. Waite.

Mr. Crocker informs us that he received a telegram Sunday that Uncle Benj. Waite died Saturday the 15th inst. Mr. Waite was a resident of Dwight for about thirty-five years and is well known to all the old residents here, and had some nice still living in this vicinity. Alvin Wait, his son, was at his bedside at the time of his death. He has resided in Butler county, Kas. some time, and that is where his death took place. The many friends of the family in these parts extend their sympathy during the trying times of his relatives. He was buried at his late home in Kansas.

Great Meeting at Pontiac.

The great republican mass meeting of Livingston county for the present campaign, will be held in Pontiac, Tuesday, Nov. 1, 1892. The county central committee are endeavoring to make it the largest meeting ever held in the county, and have sent out invitations to every republican marching club and band in the county and many outside. The Dwight club is included, and the undersigned wishes to request those that will go to leave their name with him at his store, and that there is about ten more umbrellas that can be secured and should be immediately. The Pontiac people turned out well for the republican rally in Dwight and the Dwight republicans should return the compliment. Commence to register your names right away. J. C. LEWIS
Capt. Republican Marching Club.

Register.

Considerable over 600 names were registered on the poll books Tuesday last and there are more to come. Remember that Thursday Nov. 1 is the last and only day left. It should be borne in mind that the polls open at 7 o'clock and close at 4, and that it will take every minute of that time to cast the votes if they are all registered. If any have to be sworn in some one will get left. Don't neglect to register under any circumstances, if you wish to vote, and every voter should vote without fail.

Republican Rally at Gardner.

We are informed that Col. Ed. Harlan, department commander G. A. R., Hon. P. S. Gossopp, of Chicago, Res. of Streator, and Hon. G. W. Patton, of Pontiac, will speak at afternoon and evening meetings, in Gardner Saturday Oct. 29. The Dwight marching club is invited to attend.

Orange Judd Farmer.

Now here is an excellent chance! We will send the ORANGE JUDD FARMER and DWIGHT STAR AND HERALD for one year for \$2.00 a year. We will not do this. The Orange Judd Farmer subscriber must be a new one, but we will do the same by any STAR AND HERALD subscriber who will pay in advance between now and Jan. 1, 1893.

Sunday-School Convention.

The Dwight township Sunday-school convention was held in the M. E. church last Sunday, and was largely attended. The morning session opened at 10 o'clock by a praise service. Immediately afterwards the Oct 16 Sunday school lesson was taught by C. E. Legg, of Pontiac.

Prof. W. T. Wilson's address on "A successful Sunday-school" was a masterly effort, and highly appreciated. "The Duty and Responsibility of Superintendent" by C. E. Legg, of Pontiac, was full of new thoughts and suggestions.

At 2:30 p. m., the afternoon session opened with devotional exercises. Rev. H. M. Cole interested all by his remarks on "Normal Methods of Teaching."

The discussion on "Township and County Organizations" was opened by C. E. Legg, in an able manner, and followed by others.

The election of officers for the ensuing year resulted as follows:
President, Mrs. A. G. Huey.

Vice-president, A. B. Conant.
Sec. and treas., Lilly B. Conrad.

At 7:30 in the evening all joined in a song service, after which a splendid address was listened to from Rev. Joe Bell, pastor M. E. church, of Pontiac.

The meeting was full of interest and will undoubtedly prove of much benefit to the noble cause in this community.

Reception and Ball.

Henry Fox Camp, No. 270, Son's of Veters, will give their second annual reception and ball, at Lyceum Hall in Dwight, on Thursday evening, Nov. 3, 1892. The best music that can be procured and a good caller will be present. The Son's parties have always been a source of much enjoyment to their many friends and this will be no exception. All the young people and old ones too, if they want to, should make arrangements to be present. The arrangement committee is Capt. J. K. Buffham, Lieuts. Comford, Al Boyer, S. H. Boyer, Ed Little, W. G. Dustin, Leu Pfeifferman, Frank Mahannah and others.

Must Have Taken the Keeley Treatment.

George Metcalf, editor of the leading Republican newspaper in Allamakee county, says editorially in his paper of yesterday: "Notice is hereby given that the partnership heretofore existing between the editor of the Lansing Mirror and King Alcohol is this day dissolved. The legality of this dissolution is beyond question, but it has not been by mutual consent. We are willing to pay all debts contracted by the firm as our late partner, Mr. Alcohol, is known to be devoid of the least particle of principal and thoroughly irresponsible. We warn all against harboring or trusting him on our account."

Presented Flags.

While in Chicago recently, Mr. David McWilliams purchased the flags of every nation, and 144 stars and stripes. The latter he presented to the children of the primary department, who are to take part in the Columbus Day exercises.

Francis Murphy Here.

Francis Murphy, the great temperance apostle, was here Wednesday and Thursday, the guest of Dr. Keeley. He delivered a very interesting lecture in the opera house Thursday night which was too late for a report in this issue. He is very much pleased with the Keeley treatment.

From 7 to 5 O'clock.

Under the new election law, the polls on election day will open at 7 o'clock a. m., and close at 5 p. m. Voters must arrange their business to get to the polls within the time specified.

A \$3 Magazine for \$1.

The Postmaster-General writes to the editor of Arthur's New Home Magazine of Philadelphia: "As your magazine gets thicker it gets brighter. I congratulate you on doing what no one else has done in putting out two copies at the price others charge for one—it is half the price of other no better magazines. This was written when the price was \$1.50, but the circulation has grown so large that we can afford to make it \$1.00, and have made it larger and better at the same time. It has long been said that it was "the best magazine in the English language for the money," and it is better to-day than ever.

Democratic Rally.

There will be a grand democratic rally at Dwight, Ill., Thursday afternoon and evening, Oct. 27. The meeting will be addressed by Hons. C. S. Darrow, of Chicago, Congressman H. W. Snow, and J. C. Bock. The latter will speak in German. Music by bands and glee clubs and torch light procession in the evening. Everybody invited to turn out and hear the tariff question discussed from a democratic standpoint.

By order of COMMITTEE.

Democratic Meeting.

The first democratic rally was held in the opera house Tuesday night, S. T. K. Prime, the president of the club called the meeting to order and introduced the speaker of the evening, Hon. R. S. McCliff, of Pontiac. The rain during the day kept many away at night and the attendance was not very large. There were a great many republicans present to hear their old townsman speak. On the stage besides the president and speaker were John Thompson, B. A. Buck, Lou Trummel and Messrs. Yaeger, of Ford county, and Holly, of Pontiac.

Mr. McCliff was a well-known democrat and a very pleasant speaker, and from a democratic stand point made a good speech. He is a believer in the single tax theory and stands by the democratic platform.
