As the time grows near to election and there is more excitement, everyone should make it a point to avoid personalities. There is no use of having any ill feeling. Someone has got to get left, and they might as well take their medicine with a smile.

Your homemaker should be paid for in advance just the same as your other paper from away that you take. Look at the slip on your paper and see if you have done so. The object in making the price \$1.25 instead of \$1.50 is so that it can be paid in advance and be no hardship.
