Z. G. W. Watson made an excellent farewell speech to the club Thursday morning. He had been a drinking man since the age of twenty-one years but he left Dwight a cured man and he knows positively that he would never touch another drop of liquor again as long as he lived.

S. S. Niblack, of Barotw, Florida, made an eloquent and touching farewell address to the club prior to his departure for his home in the Sunny South Friday. He declared that "Richard was himself again." He left Dwight followed by the best wishes of many friends.

Mr. C. W. Smith, a resident of Santiago, Island of Cuba, who graduated in this city two years ago, sends the following invitation to the members of Keeley League No. 1, of Dwight:

MR. & MRS. C. W. SMITH present compliments and cordially invite you to be present at their twentieth anniversary Saturday evening, Nov. twenty sixth at eight o'clock.

The club room was crowded Wednesday morning and after the usual routine of business had been transacted the audience listened to able addresses made by Rev. H. M. Cole, Col Nate A. Reed, Jr., Dr. Leslie E. Keeley and a lady who is a prominent member of the W. C. T. A. The speeches and advice given in them to the patients, if heeded, cannot help but be productive of much good.

C. S. Clark, city editor of the Evening Wisconsin, Milwaukee, celebrated the first anniversary of his graduation from Dwight by revisiting his alma mater last Saturday and Sunday. At the song service held at the club room Sunday morning Mr. Clark addressed a large and appreciative audience of club members and patients. Mr. Clark is a pleasant and forcible speaker and his address was full of encouragement to the patients now in line, and he succeeded in convincing all who had the pleasure of listening to him that no man after taking the Keeley treatment need ever resume his drinking habits if he will take the proper stand and not try to conceal the fact of his having made the grandest effort of his life for escape from his thralldom. Mr. Clark returned to Milwaukee Sunday afternoon.

An excellent entertainment was given at the club hall last Friday evening, and it was thoroughly enjoyed by all who were present. The principal features of the evening, however, were given by Frank Shea, a very gentlemanly young bootblack artist, who was on his way home to Kansas City from an extended tour of the United States, and who was induced by the patients to remain over in Dwight as their guest and take part in the entertainment given by the club. Master Frank sang and danced his way into the hearts of the audience, and a collection taken up for his benefit was presented to him amounting to \$7.80.

Frank is an unusually bright, enterprising boy, with an excellent reputation at his home in Kansas City, and if he lives well yet make his mark in the world. A recent number of the Kansas City Star contained his picture and an extended complimentary write-up of him. The patients were all sorry to see him depart for home on the "Hummer" Saturday night.

A would-be smart Aleck, who attended the Friday evening entertainment of the league with a couple of young ladies, disgusted everyone in his immediate vicinity by his loud talking during the performance, and by his other actions proved to the satisfaction of everyone that he was an unmitigated boor who did not know enough to be associated in company with ladies and gentlemen and that he was totally unfit, mentally and otherwise, to appreciate a good entertainment. He has evidently been accustomed to the society of people who have no higher object in life than to hang around the slums of a town with the class of loafers that frequent such places. Should he ever show up at the entertainment hall again he should be given the run on general principles, as he is unfit to associate with the class of people who attend these weekly entertainments.

The Entertainment.

The musical event of the season was the entertainment given Tuesday evening, and the committee having the matter in charge are to be congratulated. The audience was a large and appreciative one. The program, while not lengthy, was a most excellent one, and for the first time in several weeks the lady quartette, composed of Misses Cora Adams, Ada Fenn, Minnie Barr and Minnie Lower, favored the delighted audience with several of their best selections, which were faultlessly rendered and evoked much applause. Mr. Dills' vocal solos were worthy of special mention. Mr. Keene won the favor of the audience by his delightful cornet solos. The program as rendered was as follows:

- "Marching to Zion," By the Audience
Solo.....Piano, Cornet and Violin
Solo.....Mr. Dills
"Moonlight Will Come Again," Ladies Quartette
Cornet Solo.....Mr. Keene
Solo.....Mr. Dills
"The Legions," Ladies Quartette
