VICTIMS OF A MADMAN.
INNOCENT PEOPLE SHOT BY A CHICAGO MANIAC.

Wife of the Murderer and a Police Officer Wounded by the Frantic Madman—Police-men and a Big Crowd Held at Bay—Mob Violence Narrowly Prevented.

Deed of a Demon.

Herman Siegler, a cabinet maker, living at No. 723 North Paulina street, Chicago, got up early the other morning, went to his brother's house and borrowed a shotgun on the pretext that he wanted to go hunting, returned home, shot and killed his father and mother-in-law, seriously wounding his wife, and killed a policeman's nose full of buck-shot, he in return getting a bullet in his abdomen from another officer's revolver.

His work of death was done mainly in the house in which he lived, but after policemen were summoned the battle waged between him from the house and the officers from the street. He emptied a double-barreled shotgun at them a dozen times and bullets from their revolvers flew in his direction as rapidly as fingers could pull the triggers.

Thousands of people attracted by the fusillade swarmed around the house, and when Officer Dan McCarthy finally grappled with the madman, the murderer, they fairly howled for his blood. Some one started the cry, "lynch him!" and it was taken up by excited men and women. Although four patrol-wagon loads of officers were on the ground, they failed to prevent the infuriated people from making short shrift of the then cowering murderer. Men fought with each other to get at Siegler, each howling "Kill him!" "Lynch the brute!" Step by step, the

It is a great domestic remedy, and should be kept in every home. Mr. Norman Chesbrough, Waverly, Sussex Co., Va., who has never been without it for twelve years, subscribes to this opinion. He says: "Our family has been using Dr. King's Great Syrup for twelve years and an ever with it in the house. It is invaluable."

Swallowed the Knife, Fork, and Spoon.

When the patients at the asylum on Queen street west finished their dinner last Thursday a knife, fork, and spoon were found to be missing. A strict search was made, but there was no trace of them anywhere. Suddenly one of the attendants heard something rattling inside one of the patients, the son of a well-known Toronto clergyman, an examination revealed the fact that he had swallowed the knife, fork, and spoon. All efforts since have failed to recover the lost article, but in his possession has not bothered the man in the least. In response to a question, one of the surgeons said to-day: "He is all right. He eats just as heartily as he did before, and is apparently quite as well."

He is now allowed no knife, fork, or spoon for external use, however.—Toronto News.

A Tremendous Rumpus
In the system is produced by a disorderly liver. Bile gets into the blood and gives a saffron tinge to the countenance and eye-balls, sick headaches ensue, the digestive organs are thrown out of gear, the bowels become constipated, there are pains through the right side and shoulder blade, the breath grows sour and the tongue furred, dizziness is frequent, especially on rising suddenly. This state of affairs could not exist unless the disturbance were a serious one. Yet it is easily remediable with Hostetter's Stomach Bitters, which relieves every symptom of biliousness and indigestion, and promotes a regular action of the bowels, and is auxiliary of appetite and sleep. The Bitters is a superb specific for malarial and febrile conditions, rheumatism and debility. A wineglassful thrice a day.

HOLDING THE OFFICERS AT BAY.
officers, with drawn revolvers, forced their way through the crowd, and even when the prisoner was plac'd in the East Chicago patrol-wagon the danger was not over, for the horses were thrown back on their haunches, while men tried to climb over the wheels and steps to get at the object of their wrath. He was finally removed in safety to the East Chicago Avenue Police Station and subsequently to the County Hospital.

The result of the morning's bloody work was:

Dead.

Henry Siles, 66 years old, No. 723 North Paulina street; shot in face, arms, and body.

Mrs. Caroline Siles, 70 years old, No. 723 North Paulina street; shot in breast.

Wounded.

Bertha Guthman, 8 years old, No. 245 West North avenue; shot in left hand by scattering shot.

Jeremiah O'Donoghue, police officer; shot in face and neck; not seriously.

Herman Siegler, 37 years old, No. 723 North Paulina street; shot in abdomen; may recover.

Mrs. Herman Siegler, 30 years old, No. 723 North Paulina street; shot in face and neck; will recover.

Siegler's Statement.

Siegler made the following statement: "About 8:30 o'clock this morning I went to my brother William Siegler's house, 893 North Hoyne avenue, to get a gun. I was told by my brother-in-law to go and get a gun. I was born to realize this thing. The Lord said to me, to-day is the day of Judgment, and you have got to die. I brought the gun home and put it in the clothes chest, and after awhile took it out. Then my mother-in-law came down stairs. She is a witch. She said to me: 'You have got to die, and I will not go down stairs you want to send me.' I shot her in the hand. The old man came down stairs and I was confused, and I fired at the old man and shot him. I then came out on the steps and the patrol wagons came. Then I was wounded. I have been sick and been in bed for some time. It is strongly believed that Siegler is insane."

Trapped.
A lawyer trying to serve his client by throwing suspicion on a witness in the case, in the course of cross-examination said:
"You have admitted that you were at the prisoner's house every night during this time?"
"Yes, sir," replied the witness.
"Were you and he interested in any business together?"
"Yes," answered the man unhesitatingly; "yes."
"Ah! Now will you be good enough to tell us how and to what extent, and what the nature of this business was in which you and he were interested?"
"Well, I have no objection to telling," was the reply. "I was courting his daughter."

A Complete Cure by HOOD'S SARSAPARILLA.

This is from Mr. D. M. Jordan, a retired farmer, and one of the most respected citizens of Otego County, N. Y.:

"Forteen years ago I had an attack of the gravel, and have since been troubled with my Liver and Kidneys gradually growing worse. Three years ago I got down so low that I could scarcely walk. I looked more like a corpse than a living being. I had no appetite and for five weeks I ate nothing but gruel. I was badly emaciated and had no more color than a marble statue. Hood's Sarsaparilla was recommended and I thought I would try it. Before I had finished the first bottle I noticed that I felt better, and I began to eat. I had taken three bottles I could eat anything without hurting me. Why, I got so hungry that I had to eat five times a day. I have now fully recovered, thanks to Hood's Sarsaparilla."
