Dr. Bump made the league a fine talk Friday.

Ex-President Alonzo Givens presided at the regular meeting Tuesday.

Everett Fulton, of Malta Bend, Mo. told his farewell tale Friday and went home happy.

On the first day of December Keeley League No. 1, of Dwight, numbered 475 members.

James Flanders finished his four weeks and returned to Joliet this week a first-class citizen.

Messrs. Will C. Conant and Geo. W. Rathell, of Chicago, enjoyed visits from their wives last Sunday.

Beecher Talbott, of Chicago, made his escape Friday without delivering his graduating essay, as he promised to.

John B. Keene, of Newark, N. J., was made an honorary member of Dwight Keeley League No. 1 Wednesday.

The STAR and HERALD is the first paper to publish the proceedings of the B. C. of G. C., now the Keeley league.

The new Keeley League No. 1 charter was received this week, and occupies a prominent place on the walls of the club room.

J. M. Hogg, of Bethany, Ill., wrote Secretary Dereen a letter full of encouragement, which was read to the league Friday morning.

Harry Lawrence gave the boys an excellent talk Sunday morning. The first thing Harry knows he will wake up some morning a full fledged orator.

Chas. D. Hughes is now vice-president. He was elected to fill out the unexpired term of S. D. Dills, of Galden, Ill., who was called home Monday.

Mrs. Mattie L. Bump, of Buffalo, N. Y., read an original poem Thursday morning. It was a very pretty production, and was dedicated to Dr. Leslie E. Keeley.

Dr. Way, of Oklahoma, made the league a visit yesterday. He is an ex-graduate and firm in the faith. He was called on for testimony, which he gave in a pleasant and encouraging manner.

The STAR and HERALD and Banner of Gold will be sent to any address one year for \$2.50. By subscribing for both these papers you will get all the news of Dwight and the institutes and leagues all over the country.

One of the farewell orators Monday morning was genial Frank N. Barney, of New Whatome, Washington. Mr. Barney made this office a pleasant call while in Dwight. He is a prominent and successful business man.

Thursday morning the following officers were elected: President, C. D. Crumb, Cleveland, Ohio; vice-president, G. W. Rathell, Chicago, Col. J. T. Hopkins, of Henderson, Ky., was appointed by the new president as sergeant at arms.

President McCall has been under the weather for the past week and has not presided at the meetings. The boys all hope to see him regularly in the chair once more. He was present for the first time Wednesday morning and makes a splendid presiding officer.

Mrs. Mattie L. Bump made a few pleasant remarks to the club Monday morning and on Tuesday became a full member of Keeley League No. 1. Mrs. Bump was cured of the morphine habit at her home in Buffalo, N. Y. in 1891, by the Keeley remedies.

Anyone from away from Dwight or vicinity will confer a favor on us if they will examine the tag on the wrapper of their paper, and if it is not paid in advance, forward \$1.25 for one year's subscription without delay. The date on the wrapper is the expiration of your time.

T. A. Quail, Esq., a popular ex-president of Keeley League No. 1, turned up looking bright as a world's fair half dollar, Sunday, and made a speech to the boys at song service in the morning. Mr. Quail is one of the valued representatives of the Chicago Credit Review.

Rev. Jenkin Lloyd Jones, pastor of the All Souls church, Chicago, preached a splendid sermon last Sunday, which was published in full in the Tribune Monday morning. His theme was the liquor traffic, its evils and horrors, and he predicted that the gold cure, as administered by Dr. Keeley, will be the means of wiping out the traffic. Mr. Jones was in Dwight during the last convention and was a careful observer, and knows whereof he speaks.

A grist of letters was read to the club by Secretary Dereen Tuesday morning among which were interesting epistles from E. F. Donahue, Cleveland, Ohio; Chas. F. Sinclair, M. D., Chicago; J. H. Ruenzi, Mexico, Mo.; and H. F. Tracy, of Chillicothe, Ill. The boys are all feeling well and want the whole world to know it.

Miss Lucy Gaston, of Lacon, Ill., president of the ninth district W. C. T. U. of Illinois, addressed the club in a happy manner Thursday morning. Miss Gaston has been a prominent worker in the above organization for several years and has held important positions and has seen the workings of the union, but at the same time she is a consistent worker, and a firm believer in the Keeley treatment. Her experience has taught her that in many cases it takes more than moral suasion or religion to induce the drinking man to reform. She is now, with hundreds of thousands of other thinking people, of the firm opinion that the liquor habit is a disease, after a certain stage is arrived at, and that the Keeley treatment is what is needed. It is a noticeable fact that in every case where persons take the pains to thoroughly investigate the Keeley treatment they are from that time supporters of it, and the sooner all the great temperance workers of the world, to use a rough but meaning expression, "get into the band wagon," the sooner the temperance question will be solved.

Mr. J. P. B. is an extensive real estate dealer in Des Moines, Iowa, narrowly escaped one of the severest attacks of pneumonia while in the northern part of that state during a recent blizzard, says the Saturday Review. Mr. Blaize had occasion to drive several miles through the storm and was so thoroughly chilled that he was unable to get warm, and inside of an hour after his return he was threatened with a severe case of pneumonia or lung fever. Mr. Blaize sent to the nearest drug store and got a bottle of Chamberlain's Cough Remedy, of which he had often heard, and took a number of large doses. He says the effect was wonderful and in a short time he was breathing quite easy. He kept on taking the medicine and the next day was able to come to Des Moines. Mr. Blaize regards his cure as simply wonderful. For sale by Dr. C. H. Barr, Dwight, Ill., and W. H. H. Augustine & Son, Braceville, Ill. Dec 3-1m
