HAS AN ANNUAL SALE OF 3,000 TONS.

A Christmas Present from Dr. Talmage.

DR. TALMAGE, who has a genius for doing things on a gigantic scale, recently placed the largest book order ever recorded. It was for 100,000 beautiful OXFORD TEACHERS' BIBLES, fresh from the Oxford University Press of England, each Bible containing 1,460 pages, bound in leather, Divinity Circuit, gilt edges and round corners. With these 100,000 Bibles it is the intention of Dr Talmage to make 100,000 hearts happy by making a Christmas present to each new subscriber to THE CHRISTIAN HERALD at $2.

DR. TALMAGE is editor of THE CHRISTIAN HERALD, which is issued every Wednesday, and it is needless to say that it is edited in a helpful vein. It is filled with bright pictures and every issue contains a charming piece of music contributed by Ira D. Sankey.

The orders for THE CHRISTIAN HERALD, since Dr. TALMAGE'S Christmas present was first mentioned by the press, are pouring in by mail, telegraph and express at such a tremendous rate that it is quite evident that the supply will give out before the end of the present month. Each one of these Bibles contains a Concordance, subject-Index, 12 beautiful Colored Maps and a great quantity of information absolutely indispensable to a proper interpretation of the Holy Scriptures.

The best investment of a two-dollar note is to send it to T. DEWITT TALMAGE, 777 to 783 Bible House. Do it to-day.

Metal vs. Wooden Ties.

For five years a test has been progressing on the Begian state railways to determine the value of metal ties as compared with those of wood. Two kinds, weighing about 165 pounds each, have been tried with rails weighing 76.6 pounds a yard, the ties being about two and one half feet apart, center to center. Official reports of the tests state that it was very difficult to keep the track laid with them in good shape, particularly as the stone ballast under them was gradually pulverized. The ties themselves were much damaged after five years' wear by cracks starting from the post holes. Up to the time of making the reports from which these facts were taken the track with metallic ties has cost for maintenance about nineteen times as much as track with creosoted oak ties, and many of the metal ties were so damaged that they must soon be removed. All of which goes to prove that the Pennsylvania Railroad Company is not the only one which has found metallic ties unsatisfactory.

A Dangerous Deadlock

Occurs when the sieve-like action of the kidneys is interrupted, and they partially cease to secrete from the blood those impurities for the escape of which they are such important channels. Bright's disease, diabetes, suppression of the urine, and weakness and inaction of the bladder—these are complaints to the relief of which Hostetter's Stomach Bitters is admirably adapted. These ailments unchecked are very formidable, and the utility of a recourse to this fine remedy and preventive cannot be pleaded with too much insistence. The Bitters is likewise efficacious in an incomparable degree for malaria, indigestion, costiveness, rheumatism and debility. In neuralgia it has also proved itself a sovereign medium of relief.

Another Discovery at Pompeii.

A beautiful little palace has just been disinterred from its grave of vocanic ashes at Pompeii in the fifth region of the excavations. The entrance is an elegant atrium of tufa columns covered with stucco, and having Corinthian capitals finely sculptured. From the number and measures of the fragments broken at the time of the great eruption, it will be impossible to restore completely the atrium. Then comes a peristyle less injured, also of tufa columns fluted and covered half way up with stucco. The pediment resting on the columns is decorated on both sides with very fine stuccoes. Iron supports have been specially arranged to preserve the peristyle in its ancient state, and to preserve it from bad weather. The roof has been repaired with tiles made exactly like those still remaining. The lower half of a pair of folding doors has been successfully reproduced in plaster.

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by taking Hall's Catarrh Cure. Send for circulars, free.

Smoke Screen.

Through experiments made by English military authorities it has been found that whenever the atmosphere is laden with smoke or mist the power of an electric light is greatly diminished by crossing the beam of light by that of another at a certain angle. At the point of intersection the illuminated space is practically made a screen. It is proposed to utilize this knowledge, since the electric beam can thus be made to serve as a screen, back of which tactical operations might be conducted in secret.

A Mammoth Competition.

$6,500 in prizes for the best seven stories was what *The Youth's Companion* offered; $5,000 for the best Serials; and $1,500 for the best Folk-lore tales. No less than 3,963 stories competed for these prizes. The successful stories are just announced to appear in *The Companion* during 1895.

"The millionaire?"

"Yes. Well he died yesterday without making a will, and here are half the lawyers in town starving to death. His heirs will probably get every farthing."

Average Deaths Per Day.

The annual mortality of the entire human race amounts, roughly speaking, according to a French medical journal, to 33,000,000 of persons. This makes the average deaths per day over 91,000, being at the rate of 3,730 an hour, or sixty-two people every minute of the day and night the year round. A fourth of the race die before completing their eighth year, and one-half before the end of the seventeenth year; but the average duration of life is about thirty-eight years. Not more than one person in a hundred thousand lives to be a hundred.

Swift's Specific.

The old-time simple remedy from the Georgia swamps and fields has gone forth to the antipodes, astonishing the skeptical and confounding the theories of those who depend solely on the physician's skill. There is no blood taint which it does not immediately eradicate. Poisons outwardly absorbed or the result of vile diseases from within all yield to this potent but simple remedy. It is an unequaled tonic, builds up the old and feeble, cures all diseases arising from impure blood or weakened vitality. Ask for a treatise. Examine the proof.

The American Horse.

An American breeder has bought for one hundred and fifty thousand dollars Ormonde, the most famous English sire of running horses. The sale shows that the demand for racehorses is greater in the United States than it is in England, and that the future home of the fast horse is in this country. Kentucky has already produced a distinctive strain, California will add another. The speed of a racehorse depends not upon his legs, but upon his lungs. If his lungs are large, capacious, in good working order, and his heart sends the blood to them, so that they purify it perfectly, his legs will carry him all right. All people and all animals who undergo great exertion fail first at the lungs and then at the heart. This shows us how important these organs are, and it also shows us how dangerous a thing it is to allow a cold to settle upon the lungs or throat. Coughs, for cold affects both of these organs. When you take a cold get a bottle of REID'S GERMAN COUGH AND KIDNEY CURE and take it freely. You will feel the beneficial effect with the very first dose, and each succeeding one will aid you more and more. Get this great remedy of any dealer. Small bottles are twenty-five cents, large size fifty cents.
