She said in substance that when Mr. Cole came back to his home in Missouri from his first visit to Dwight that he was full of enthusiasm regarding Dr. Keeley and his cure, and insisted on speaking of the grand work in his sermons. Mrs. Cole tried to prevent it, but Mr. Cole said: "You will be just as enthusiastic as I am when you have been through it." And so it proved; she is enthusiastic and is doing much to bring thinking. C. T. U. to her way of a disease. Mrs. Cole spoke at length regarding the praiseworthy work of the Women's Auxiliary, and said the members were raising money right along to send afflicted ones to Dwight.

The regular election of officers was Thursday morning, and Geo. S. Elliot, of Charleston, Mo., was elected president, and was called on for a speech and made a very interesting talk, which was highly appreciated, then thanking the club for the honor conferred on him he was installed as president of the club.

A \$3 Magazine for \$1.

The Postmaster-General writes to the editor of Arthur's New Home Magazine of Philadelphia: "As your magazine gets thicker it gets brighter. I congratulate you on doing what no one else has done in putting out two copies at the price others charge for one—it is half the price of other and no better magazines." This was written when the price was \$1.50, but the circulation has grown so large that we can afford to make it \$1 and have made it larger and better at the same time.

It has long been said that it was "the best magazine in the English language for the money," and it is better to-day than ever.

MESSES. LIPPMAN BROS. PROP. P. P. P. SAVANNAH, GA. GENTLEMEN:

I feel it my duty to inform you of the cure your wonderful medicine P. P. P. wrought in my case. I have suffered for two years with Dyspepsia and Malaria in the worst form, and was a daily sufferer from sick headache. My bowels did not act but twice a week and frequently only once a week. I could not retain half I ate and my stomach was always uncomfortably heavy; I tried pills, all kinds of medicines, but only found temporary relief in them; I was despondent and was hoping to soon find relief in death.

Seeing your P. P. P. advertisement I decided to try it and requested Dr. Peak to get me a bottle, and after taking that bottle I felt one hundred per cent better; I have taken two bottles and will soon get another, I can now eat in peace a enjoy everything, and can sleep like top. My headaches have ceased and my bowels are regular. I would advise all sufferers like myself to give P. P. P. a trial, and they will write you as I have that P. P. P. beats any medicine on the market. Yours truly,

CURTIS COLLYER, Artistic Painter.
