Mr. Harry Lawrence, of Dwight, Ill., came in yesterday and is quartered at the Hotel Peery. He is a graduate of the Keeley Institute at Dwight and is now engaged in the gent's furnishing business at that place. Mr. Lawrence has been appointed organizer for the Keeley League for Missouri and is now

out on a six week's organizing tour for the good of humanity. A short time since he was one of the hardest drinkers in this state, living then at Slater, Mo. Since taking the Keeley cure he is a wonderfully changed man and devotes his time to the amelioration of his fellow men with an avidity which is surprising. Every graduate of Dwight knows Harry Lawrence, and all who know him, like him. Yesterday afternoon Mr. Lawrence made a short talk at the court room to the audience who had gathered there for church service and will talk again at the close of the service this afternoon. To that end he would like to have as many of our business men and others interested in temperance work as possible to attend. For pains in the chest there is nothing better than a flannel cloth saturated with Chamberlain's Pain Balm and bound on over the seat of pain. It will produce a counter irritation without blistering, and is not so disagreeable as mustard; in fact is much superior to any plaster on account of its pain-relieving qualities.
