The history of the Keeley cure will be illustrated by a calcium light stereopticon at the club room next Monday night. Rev. P. J. Cole will be present.

and Mr. Gray Staunton will have charge of the lantern. The views to be given were made by Mr. Staunton and are taken from the old negatives used during the early history of its growth and development. This entertainment will be given for the benefit of the Ladies Auxiliary Keeley League. Admission 10 cents. The regular services at the M. E. church to-morrow will be very interesting and instructive. Rev. Conard will preach morning and evening. The music will also be a special feature, the choir being very fine. Everyone is cordially invited to attend all services. Quite a number of the Eastern Star lodge, of Dwight, visited the handsome suburban home of Mr. and Mrs. Geo. L. Taylor, one evening last week and enjoyed a splendid time. They all say there is no nicer place to go, and certainly there is no more pleasant crowd to entertain. It was very agreeable all around. Next Sunday evening at the Congregational church, there will be a musical program rendered by the choir. In connection, some very interesting addresses, by Rev. and Mrs. Cole. Mr. G. M. Ely, the choir leader, will favor the congregation with a few applicable remarks on music. A cordial invitation is extended to all. Prof. J. H. Kowalski, of Chicago, as assisted by Miss Ella Wheeler, also of Chicago, gave a musical recital at the home of Miss Minnie Lower Wednesday evening. About forty were present. A very fine program was rendered consisting of vocal and instrumental selections. Mr. Chambers, of Peoria, also favored the company with readings. The Sons of Veterans reception last Saturday evening at their hall, proved a very pleasant affair. The company was composed of just the Sons and a few intimate friends. All kinds of games were played and the boys served a very nice lunch all by themselves. None of the girls were even allowed to visit the kitchen. It is proposed to keep up these social entertainments during the year. Sunday, February 19, being the 23d birthday of the Pythian order, arrangements are being made by Hebron Lodge, No. 175 K, of P., of this place, to have appropriate services held in one of the churches. This is a good thing. Other places have for years followed this custom, and it has to a great extent removed a deep-rooted prejudice that had existed among a number of intelligent people. Fireman's Meeting. The regular monthly meeting of the fire company was held Monday night at the town house. Considerable business was transacted, among which was the election of officers for the ensuing year, and hearing communications in relation to some adequate fire alarm. The officers elected for the ensuing year are as follows: The chief and assistant the same as past year, Dr. M. Keeley, and V. S. Wright. The hose company re-elected their captain, A. R. Zimmerman, and for lieutenant, Geo. Webster. In the hook and ladder department, Joe Callahan was elected captain, and Will Patterson lieutenant. Several communications in relation to bell and whistles for fire signals were read but no definite action taken in the matter, it being laid on the table until the next regular meeting. The company decided to hold two regular meetings each month instead of one and in the future, the first and third Mondays will be the nights of meeting. Hershall Hagerty was re-elected secy. and treas. The company believing that their secretary was deserving of some recognition for his faithful services, unanimously voted him a salary of \$10 per year for his trouble, with a prospect for an increase on good behavior. The company is in earnest in regard to this work, and as soon as the weather permits, contemplate a thorough drill each week. Prominent Visitors. Mr. John H. Fullinwider, of El Dorado, Kansas, is a guest of C. Y. Trice at the Pennsylvania House. "Uncle John," as he is familiarly called, in company with the genial C. Y., called on us Wednesday. Mr. Fullinwider is a prominent man in the state, and had the honor of raising the wheat that took first premium at the last world's fair. He is an old personal friend of Senator Cullom, of Illinois. We found "Uncle John" a very pleasant gentleman and enjoyed his short visit. Married. We noticed in the marriage licenses issued last week at Pontiac those of Frank F. Doughan of Union, and Miss Ella Lyons of Nevada, and Jake Drollinger, of Gardner, and Lucy E. Brown, of Round Grove. The four long before this are two, and we wish them much success and happiness. Business Notice. The undersigned, a practical shoe maker, has opened a shoe shop at his residence at 265 Prairie avenue, near the treatment hall. I am prepared to do any kind of work in the line of shoemaking. Work done satisfactorily. KARL SCHMIDT. Carpet Weaving. Karl Horn, a first-class carpet weaver, is now located at 440 West Delaware street, Dwight, and is prepared to do all kinds of work in his line, and carpet weaving especially. Good work guaranteed.

The Louis Falk Concert. The organ recital given under the auspices of the Congregational choir by Louis Falk, through the courtesy of Lyon and Hesly, was without doubt the finest of the kind that the people of Dwight ever had the pleasure of listening too. The attendance was not very large, owing a great deal to the severe weather. Prof. Falk did not arrive until 8:40, thus making it late before the concert began. But from the time he took his seat at the organ, to the close of the entertainment, everyone present was delighted. Mr. Falk is an excellent organist, and fully demonstrated the power of the beautiful instrument. The receipts of the evening's entertainment, including generous contributions, was over \$100, and will be applied to the organ fund. The choir has done exceedingly well in their efforts in regard to buying this instrument, when taking into consideration the severe weather and other things that occurred to somewhat interfere with their endeavor to raise sufficient funds to make the purchase of the organ a surety. But we are informed that they are in the position to make their payments promptly, and at the expiration of the time allotted, present it to the church. Following is the program as rendered Friday night. Organ—"Offertoire in D.".....Bastide (a) Marche Religieuse,.....Gullmunt (b) Meditation,.....Louis Falk. Song—Selected. Mrs. URELLAR, Rossini. Organ—"Overture William Tell,".....Louis Falk. (a) Chant Nuptiale,.....Dubois (b) Priere,.....Louis Falk. Quartette—Lullaby,.....Jakobowski. Mrs. URELLAR, MISS ADAMS, CALDER AND WINKLER. Organ—"March in E Flat,".....Best. LOUIS FALK. NEIGHBORHOOD NOTES & NEWS. Pontiac Pick-ups. About 100 from Dwight and 40 from Goodfarm township, in Grundy county, were witnesses in the Dwight sewer case here last week. They made things quite lively around town. The ceremonies of dedicating the new bell in St. Mary's church, attracted the attention of our Catholic and many other citizens last week. Rev. Father Lyons, our popular priest, was so to speak, the center of attention. The economy of blessing the bell took place Tuesday morning and was one of the many beautiful ones for which the Catholic Church is famous. There were about a dozen visiting priests took part, including Rev. Father Moore, of Dwight. Ed. Shroyer is now a traveling salesman, and we understand is doing a good business for the firm of Stark Bros., millers. And now what do you suppose? Pontiac is to have street-railways. There is no reason why a line from the Alton depot east and another from the Central depot to the Reform School should not pay. The Phoenix Hotel was crowded last week, and there were three nights that every room in the house was taken. Genial Ned Dixon and his corps of efficient employees make everything pleasant for their guests. The postoffice and mail are with us yet. Campus. Miss Minnie Feehery visited friends in Campus over Sunday. The Misses McGrath have just been presented with a handsome new piano. The Skelly Hotel has a new landlady. Mrs. McCard has moved to New York. There is talk of no-license in Campus at the spring election. P. Harrington is quite sick. Mr. Settle's horse is sick in New York. Mr. Beget was down home a few days this week. Three of L. Holmeier's children are sick. Miss Mollie Glynn had the misfortune to fall and strain her ankle recently, but is now getting along nicely. Like most other places, Campus is having a time over the weather. It is said Tom Feehery wants it bad. Mr. Brewster, our present p. m., is a good man and a good p. m., and should serve this time out, which he probably will, if one will tell. FRIEND. [From our regular Correspondent.] Another cold wave struck us with both feet last Monday, and we neglected to put our thermometers under our stove at night, we are unable to tell how cold it is. A good many of our young people attended the spelling school in the C. H. George district, last Wednesday night, and all enjoyed a very pleasant time. Edna George bore away the honors, being the last to sit down when spelling. P. Gorman had a sale last Thursday, and will move into town shortly to take possession of the hotel. James Walsh has purchased the barber outfit of Charley Dubits. The oldest inhabitants never saw the roads in so dangerous a shape, being all covered with ice. T. Connors says he can do the work of two men, all right, but when it comes to doing the work of about five, he is not in it. It is rumored that C. W. Chelton has sold out the tire factory to Mr. Siebert, of Dwight. Union. Mr. Williams, of La Moille, was here last week on business. He shipped farming implements back to Bureau County, having sold part of his farm, and rented the other. Mrs. Hess Fitzpatrick went to Gardner last Saturday to consult a physician, regarding a catarrh that seems to be growing over one eye, and threatening the sight. Things sold well at H. D. Boyd's sale last Tuesday. Will Murray sold six hogs to C. Drew of Eminington for \$7.25 a hundred. The friends of Mrs. Daniel Cassidy will be pained to learn of her continued ill health. Annie Sugg, daughter of Jacob Sugg, was quite sick for a few days last week, but at last account seems to be improving. The Congregational church at Eminington has been supplied the last three sabbaths with a minister from Indiana whose name we have not learned. A young son came to the home of Mr. and Mrs. Roth last Friday night. William thinks he will be a great and noted lawyer someday.

PEOPLE KNOW

A GOOD THING

WHEN THEY SEE IT.

You have good merchants, but why make them rich, charity begins at home, save a dollar, it cannot be easier earned, if 10 bu. of corn will buy a Suit or Overcoat, don't give 15 bushel.
