

**K. of P. Celebration.**  
 From the BEACVILLE TRIBUNE.  
 St. David's Lodge No. 90, Knights of Pythias, celebrated on Monday evening, 20th inst., the 28th anniversary of Pythianism with a supper and ball, the members and ladies being present to the number of 65 couple. It was a pleasant sight to witness the brothers and their wives, also the best girls of the brothers who are not fortunate enough to be classed as benedicts, as they partook of the good supper which had been provided by Duclos, the caterer, which consisted of roast chicken, turkey, beef, ham, all kinds of cake, fancy pastry, ice cream, fruits and coffee. After all had partaken of supper as provided, they proceeded from the supper room to the opera house, where an orchestra was stationed, which furnished music for those who were inclined to dance and many embraced the opportunity, while the older members and ladies were clustered in sections of the hall in little groups, and spent the evening in a social chat, talking of the changes in lodge matters from time to time, and also the many instances when St. David's lodge had proved herself true to every promise and obligation under all circumstances. To one who did not understand the principles upon which the order was established, it would be a lesson that would leave a lasting impression on many lives together as one family, with the strife and cares of life laid aside, each a brother's keeper, and a spirit of friendship exemplified that is essential in the conduct of every true knight, and as the hours passed and the time for home going became necessary, it was with that expression of love which brothers feel upon departing which was quite evident by their actions, and the sentiment and hope of each, was, that God in his future wisdom and mercy would deal as kindly with our lodge in the future as in the past, and that when the roll was called on the next anniversary that all would be spared and will meet again under as favorable circumstances. ONE OF THE BOYS.
