The STAR AND HERALD is now prepared to print by-laws and constitutions for Keeley Leagues just as good and cheaper than any printing office in the United States. We have plates all ready except where there is reference to the local club. Send us an order for 500.

Dr. Bennett, the author of the "Sweet Bye and Bye," was in Dwight several days this and last week, a guest of the Columbia. It will be remembered that the genial doctor told the story of the authorship in Congregational church while here some time since, a report of which was published in the STAR AND HERALD.

Everything seems to be working finely for the success of the national convention of the Keeley League in Cincinnati next September. The leaders have spared no pains or money to keep the fact before the public and it is evident that it will be the largest meeting of practical temperance people ever held in the world, and will attract the attention of the whole world.

Under the management of Mrs. Cole as secretary the Ladies Auxiliary Keeley Leagues are increasing in number very fast, and that lady finds lots of work to do attending to the routine. Applications for charters are coming in quite rapidly, and by the annual meeting there will be a large representation at the convention, which through the influence of Mrs. Cole and the Dwight Auxiliary, will be held in Dwight.

It cured me in three days. Cholera in Pennsylvania.

Swickley, Penn.: We had an epidemic of cholera, as our physicians called it, in this place lately and I made a great hit with Chamberlain's Colic, Cholera and Diarrhoea Remedy. I sold four dozen bottles of it in one week and have since sold nearly a gross. This Remedy did the work and was a big advertisement for me. Several persons who had been troubled with diarrhoea for two or three weeks were cured by a few doses of this medicine.
