DO YOU WANT TO ADOPT A BABY? Maybe you think this is a new business, sending out babies on application; it has been done before, however, but never have those furnished been so near the original samples as this one. Everyone will exclaim, "Well! that's the sweetest baby I ever saw!" This little black-and-white engraving can give you but a faint idea of the exquisite original.

"I'M A DANDY." which we propose to send you, transportation paid. The little dandy rests against a pillow, and is in the act of drawing off its pink sock, the mate of which has been pulled off and hung aside with a triumphant look. The fish tins are perfect, and the eyes follow you, no matter where you stand. The exquisite reproductions of this great painting of Ida Waugh (the most celebrated of modern painters of baby life) are to be given to those who subscribe to Demorest's Family Magazine for 1893. The reproductions cannot be told from the original, which cost \$20, and are the same size (12x22 inches). The baby's face is, and absolutely lifelike. We have also in preparation, to present to our subscribers during 1893, other great pictures by such artists as Percy Moran, Alard Humphrey, Louis Deschamps, and others of world-wide renown. Take only two examples of what we did during the past year: "A Yard of Paradise," and "A White House Orchid" by the wife of President Harrison, and you will see what our promises mean.
