

WILLARD S. BROWN.

Will be Held in Dwight.

The following call speaks for itself. Letters are a ready received that indicate that there will be a large crowd in Dwight on this occasion:

BLOOMINGTON, Ill., May 22, 1893.

A convention of the Local Keeley Leagues of the State of Illinois will be held at the rooms of Keeley League No. 1, in Dwight, on Tuesday and Wednesday, June 27 and 28, session beginning at 10 a. m. Tuesday.

The objects of this meeting are to complete the state organization, to make arrangements for the successful holding of the National Convention, which convenes in Chicago September 12, and to transact such other business as shall come before the convention.

Special rates have been secured at the numerous hotels and boarding houses for those in attendance, and the Leslie E. Keeley Company and citizens of Dwight generally extend a cordial invitation.

In the matter of representation each Local Keeley League is entitled to five delegates, and it is especially urged that every League in Illinois send its full quota, as business affecting the future of the organization will be discussed and acted upon.

Local Keeley League will please take immediate action in the matter of selecting delegates and forward a list of same, as soon as possible to the undersigned.

GEO. W. WETZELL, State Committeeman, 1109 1/2 Park Street, Bloomington, Ill.

ON A GOLD BASIS.

Harry Lawrence spent Sunday in Chicago.

The services at the club Sunday morning were very interesting as usual and well attended.

W. C. Davis, of Chicago, president of Keeley League No. 12, was in Dwight Friday morning, and made an interesting talk to the club.

Secretary Condon, of Keeley League No. 12, of Chicago, visited Dwight last week. He is a good secretary and a favorite with all who meet him.

The Sunday meetings of Keeley League No. 12, at 399 Dearborn street, are very interesting. All graduates in Chicago and visitors from anywhere are invited to be present.

The STAR and HERALD presents a fine half tone portrait of Willard S. Brown, the secretary of the largest social club in the world, Keeley League No. 1, of Dwight.

We sent out several notices recently notifying subscribers of the expiration of the time the STAR and HERALD is paid for. Please respond immediately. We need our money.

The Golden News has been making improvements in its appearance, and is now issued in magazine form. It is full of golden news and we should judge by the advertising patronage that the paper is a financial success.

According to the Chicago Daily News, of Monday, Mr. Eugene Debs, an ex-president of Keeley League No. 1, is about to become the editor of a daily newspaper in Chicago. The paper is to be devoted to the betterment of the condition of railway men and to give the railroad news. We wish Mr. Debs success and believe he will get it.

Judge Arnold, the irrepresable, was in town several days last week. He is an editor and came to Chicago with the Texas editorial association to attend the national meeting of editors and visit the world's fair. The judge has become a regulation Texan since he went to the Lone Star state. He wore a white sombrero hat, that would make a good sized parol for the fat woman. His hair was long and curly. The Chicago Herald, of Friday, pictured the judge in a threatening attitude, inferring that he was about to eat a Columbian guard, or some other innocent. However, the Judge is all right, as a Texan, an ed-

tor, an orator, as a judge or most anything else, and he has hosts of friends everywhere who are always glad to see him. He spoke sound words of encouragement to the boys of No. 1 Saturday morning. He left for Chicago on the Denver Saturday, and for Texas Sunday night. He is the manager of the very successful Keeley Institute at Lampasas, Texas.

Eugene V. Debs, the only person that was ever reelected president of the Keeley League No. 1, was in Dwight Tuesday, and addressed the club. Mr. Debs is a very interesting talker and everyone present was well pleased. As one man expressed it "I would be willing to go without my meals to listen to that man." Mr. Debs was kept busy dealing out autographs after his speech until train time. He is always welcome in Dwight.

The entertainment Tuesday night was particularly fine one and the hall was crowded. Ex-president Kraus presided as usual. He has been a great help to the club since his stay in Dwight and has made many warm friends here.

"In the Sweet by and bye," Audience Poem, written for this entertainment. Chas. Harbin, Prof. A. O. Cole, Violin Solo, "The Great McCuskey Fight," John Rance Song, "Unrequited" written for this entertainment by Mr. Smith. Cornet Solo, Mr. Strong. Quartette, Gabler, Kraus, Smith and Rodman.

The promptness and certainty of its cures have made Chamberlain's Cough Remedy famous. It is intended especially for coughs, colds, croup and whooping coughs, and is the most effectual remedy known for these diseases. Mr. C. B. Main, of Union City, Pa., says: "I have a great sale on Chamberlain's Cough Remedy. While Mr. T. S. Richey, of Altona, Mo., was traveling in Kansas he was taken violently ill with cholera morbus. He called at a drug store to get some medicine and the druggist recommended Chamberlain's Colic Cholera and Diarrhoea Remedy so highly that he concluded to try it. The result was immediate relief, and a few doses cured him completely. It is a remedy for bowel complaint and nothing else. It never fails. For sale by Dr. C. H. Barr, Dwight, and W. H. H.
