

ON A GOLD BASIS.

The entertainment was postponed to last night.

Harry Lawrence was in Chicago on business Monday.

Dr. Leslie E. Keeley and Col. Nate A. Reed made interesting addresses at the league Thursday morning.

Major Engley, of Chicago, has made an excellent president, and retired Thursday with the good will and best wishes of all.

The Ladies' Auxiliary held an interesting meeting Wednesday afternoon, which was addressed by Majors Alliger and Engley and several others.

Major Engley's administration has been an exceedingly successful one and he and vice-president Henry retired with the best wishes of all.

The STAR and HERALD is but \$1.25 per year in advance. If you get interested in Dwight and want the league, institute and city news, it's the paper for you.

Dr. Broughton made an interesting address to the league Monday morning. It was full of scientific research and very instructive, especially to morphine patients.

Donnell Gillian, of North Carolina, was elected president Thursday morning, and W. B. Robinson, of Kentucky, vice-president. These officers will be good ones.

Dr. J. J. McLaughlin, of North Adams, Mass., writes us that they have graduated fifty-five patients in about two months. That's a new record for a new institute.

Every patient in Dwight should join the league. All the stationary used will be supplied you free, also free use of the club house, and pleasant companionship while here. The cost is but a dollar.

Mr. and Mrs. Harry Lawrence went Chicago this morning and went to Benton Harbor on the lake excursion. The excursion is under the auspices of the Keeley League members of Chicago. It was expected that 500 would attend.

Fred Lavercombe, of Chicago, was in Dwight Monday and addressed the league. He graduated in December, '91 and is as firm as a rock, and always gives the men here lots of encouragement. Fred looks like a seven times winner, and his shiny tile and his handsome face are brighter every visit. When he came to Dwight he weighed about 140 pounds. He's a 200-pounder now. Gold did it, he says.

Albert E. Hyde was in Dwight several days this week. Most everyone here is acquainted with this young gentleman. He is a graduate of the Dwight institute of nearly three years standing and author of some of the best literature used by institutes all over the country. He addressed the league Sunday morning and gave lots of encouragement to the boys in line. He is no speech maker, but for a good straight forward, earnest talk he is not surpassed by any one.

Major E. Alliger bid the league an affectionate farewell Wednesday morning. The Major has been an untiring worker for the league and he will be missed greatly. He left Thursday for Chicago where he will remain for a few days, and next Monday enter the employ of a large publishing house. He expects to be in Kansas City for two or more months, but will probably be present at the national convention of Keeley leagues in Chicago in September. The Major has the best wishes of many friends in Dwight and all the men in line.

Elder S. S. Beaver, of McAllisterville, Juniata Co., Pa., says his wife is subject to cramp in the stomach. Last summer she tried Chamberlain's Colic Cholera and Diarrhoea Remedy for it and was much pleased with the speedy relief it afforded. She has since used it whenever necessary and found that it never fails. For sale by Dr. Barr, Dwight and W. H. H. Augustine, Braceville.

ABERDEEN, O. July 21, 1891. MESSRS. LIPPMAN BROS., Savannah, Ga. DEAR SIRS—I bought a bottle of your P. P. P. at Hot Springs Ark., and it has done me more good than three months treatment at the Hot Springs.

Have you no agents in this part of the country, or let me know how much it will cost to get three or six from your city by express. Respectfully yours, JAS. M. NEWTON, Aberdeen, Brown County, O.

Last fall I was taken with a kind of summer complaint, accompanied with a wonderful diarrhoea. Soon after my wife's sister, who lives with us, was taken in the same way. We used almost everything without benefit. Then I said, let us try Chamberlain's Colic, Cholera and Diarrhoea Remedy, which we did, and it cured us right away. I think much of it as it did for me what it recommended to do. John Hentzer, Bethel, Berke Co., Pa. 25 and 50 cent bottles for sale by Dr. Barr, Dwight, and W. H. H. Augustine, Braceville.

NEWNSVILLE, FLA., June 5 1891.

MESSRS. LIPPMAN BROS., Savannah, Ga. DEAR SIRS—I wish to give my testimonial in regard to your valuable medicine, P. P. P. for the cure of rheumatism, neuralgia, dyspepsia, biliousness, etc. In 1861 I was attacked with bilious-muscular rheumatism and have been a martyr to it ever since. I tried all medicines I ever heard of and all the doctors in reach; but I found only temporary relief; the pains were so bad at times that I did not care whether I lived or died. My digestion became so impaired that everything I ate disagreed with me. My wife also suffered so intensely with dyspepsia that her life was a burden to her; she would be confined to her bed for weeks at a time; she also suffered greatly from giddiness and loss of sleep. Some time in March I was advised to take P. P. P. and before we (my wife and I) had finished the second bottle of P. P. P. our digestion began to improve. My pains subsided so much that I have been able to work, and am feeling like doing what I haven't done before a number of years. We will continue taking P. P. P. until we are entirely cured and will cheerfully recommend it to all suffering humanity.

Yours very respectfully, J. S. DUPRIS.

A NARROW ESCAPE!

How it Happened.

The following remarkable event in a lady's life will interest the reader: "For a long time I had a terrible pain in my heart, which fluttered almost incessantly. I had no appetite and could not sleep. I would be compelled to sit up in bed and belch gas from my stomach until I thought every minute would be my last. There was a feeling of oppression about my heart, and I was afraid to draw a full breath. I couldn't sweep a room without sitting down and resting; but thank God, by the help of New Heart Cure all that is past and I feel like another woman. Before using the New Heart Cure I had taken different so-called remedies and been treated by doctors without any benefit until I was both discouraged and disgusted. My husband bought me a bottle of Dr. Miles' New Heart Cure, and am happy to say I never regretted it, as I now have a splendid appetite and sleep well. I weighed 135 pounds when I began taking the remedy, and now I weigh 109. Its effect in my case has been truly marvelous. It far surpasses any other medicine I have ever taken or any benefit I ever received from physicians.—Mrs. Harry Starr, Pottsville, Pa., October 12, 1892.

Dr. Miles' New Heart Cure is sold on a positive guarantee by all druggists, or by the Dr. Miles Medical Co., Elkhart, Ind., on receipt of price \$1 per bottle, six bottles \$5, express prepaid. This great discovery by an eminent specialist in heart disease, contains neither opiates nor dangerous drugs.
