

A Trip West.

A representative of the STAR AND HERALD was in Kansas City last week and while there called at the rooms of Keely League No. 3. They are nicely located in Masonic Building and have a business office and nicely furnished audience room.

The Keely Institute at Kansas City, Kansas, was also visited. We met Dr. Phillips, the medical director and Manager Allen, whom we found very pleasant and competent gentlemen, just the kind one might always expect to find in the cause.

But the grandest of all was the sight we saw at the Soldiers' Home Sunday morning at the league rooms in the headquarter building. Major E. Alliger and the writer arrived there about 9:30 Sunday morning, and immediately inquired as to the location of the league rooms.

They were directed to the headquarters building. In the basement is located the Keely Institute under the medical management of good Dr. Reese, whom many in Dwight will remember, and also the league room. We were met by the chaplain of the Home and introduced to Governor Smith, who introduced us to the league.

They were seated in the comfortably furnished hall about two hundred gray haired, benevolent looking old veterans, and if there was any doubt in any man's mind as to the good the Keely cure was doing it would only be necessary for him to take one look over that audience to be convinced.

Gen. Smith informed us that up to July 1, 601 old soldiers, their ages averaging over 60 years, had taken the Keely cure, and only seven per cent had "gone back." This is certainly the most wonderful showing the world has ever seen.

Dr. Leslie E. Keely addressed the League Tuesday morning, or rather made an interesting talk on different subjects relating to the cure and relation of the graduate to the public. The doctor's addresses are always full of interest, and very instructive, and when a graduate hears one of them and pays strict attention, he can only be well supplied with good moral and scientific arguments with which to go out into the world and induce others to be cured.

The Soldier's Home at Leavenworth is beautifully located on a high elevation about three miles from the city, and contains at present about 2000 inmates. They are comfortably housed in large brick buildings, which are kept neat and airy.

number of graduates will attend the Chicago convention.

Governor Smith has been in charge of the home since its construction and is very popular with everyone, and we wish to return thanks for his kind treatment while there.

At Leavenworth we met Dr. Carpenter, of the institute there. He is a very pleasant and popular gentleman.

The Convention.

At a meeting of the National Executive committee of Keely League in Chicago Monday it was decided to call the convention for the dates already named—Sept. 12, 13 and 14, at Central Music hall. Two sessions were held, there being present Messrs. John M. Kelley, of Pittsburg, Captain Mattox, of Ohio, Elliott, of Alabama, Stratton, of Texas, and several prominent outsiders.

The executive committee of Illinois Keely League met in the rooms of No. 12 Monday in Chicago, Chairman Davis, Murphy, McAllister, Dustin and Secretary-treasurer Elliot being present. It was called to formulate some united action to raise funds for the state league and to effect a better and increased organization.

ON A GOLD BASIS.

Harry Lawrence returned Tuesday from a visit to his wife in Benton Harbor, Mich. Mrs. Lawrence's health is improving rapidly.

Wednesday morning Dr. Blaine delivered one of his interesting and instructive lectures, which are always of much benefit. Thursday morning Mr. Ives of Illinois was elected president and Mr. McClure of Kentucky, vice-president, President Bone retiring.

Rev. H. M. Cole spent this week in Dwight with his family. Mrs. Cole has been quite sick, but we are pleased to state, is much better. He left yesterday for Evansville, Ind., where he will work in the Keely cause for a few weeks. They have been doing good work in Tennessee.

Deserving Praise. We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never had a complaint that we have not cured. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their own merits. Dr. C. H. Barr, Dwight, W. H. H. Augustine, Braceville, Druggists.

Last fall I was taken with a kind of summer complaint, accompanied with a wonderful diarrhoea. Soon after my wife's sister, who lives with us, was taken in the same way. We used almost everything without benefit. Then I said, let us try Chamberlain's Colic, Cholera and Diarrhoea Remedy, which we did, and it cured us right away. I think much of it as it did for me what it was recommended to do. John Hertzler, Bethel, Berks Co., Pa. 25 and 50 cent bottles for sale by Dr. Barr, Dwight, and W. H. H. Augustine, Braceville.

"My little boy was very bad for two months with diarrhoea. We used various medicines, also called in two doctors, but nothing done him any good until we used Chamberlain's Colic, Cholera and Diarrhoea Remedy, which gave immediate relief and soon cured him. NEWANSVILLE, Fla., June 5 1891. MESSRS. LIPPMAN BROS., Savannah, Ga.

DEAR SIRS—I wish to give my testimony in regard to your valuable medicine, P. P. P. for the cure of rheumatism, neuralgia, dyspepsia, biliousness, etc. In 1861 I was attacked with bilious-muscular rheumatism; and have been a martyr to it ever since. I tried all medicines I ever heard of and all the doctors in reach; but I found only temporary relief; the pains were so bad at times that I did not care whether I lived or died. My digestion became so impaired that everything I ate disagreed with me. My wife also suffered so intensely with dyspepsia that her life was a burden to her; she would be confined to her bed for weeks at a time; she also suffered greatly from giddiness and loss of sleep. Some time in March I was advised to take P. P. P. and before we (my wife and I) had finished the second bottle of P. P. P. our digestion began to improve. My pains subsided so much that I have been able to work, and am feeling like doing what I haven't done before in a number of years. We will continue taking P. P. P. until we are entirely cured and will cheerfully recommend it to all suffering humanity.

Yours very respectfully, J. S. DUPRIS.
