

Call For Convention.

The Illinois Keely League will meet in convention at Mecca Hotel, Monday, Sept. 11, at 2 p. m.

Vacancies in office to be filled, and other important matters.

By order of

H. S. ELLIOTT, AL. BURKHART, Secretary. President.

ON A GOLD BASIS.

Go to the convention.

The Mecca will be alive with Keely men and women next week in Chicago.

Col. and Mrs. Nate A. Reed Jr. were in Dwight Tuesday calling on friends.

The Dwight delegation to the convention will leave for Chicago Monday.

The program at the club Tuesday was a good one. The attendance was large.

Very pretty convention badges, Keely League No. 1, can be secured at the STAR and HERALD office today.

Neat Keely League No. 1 Delegate and Alternate badges have been printed under the direction of the Board of Control.

Mayor Harrison will welcome the Keely men and women to Chicago next Tuesday forenoon at Central Music Hall.

Every good league man would like to see No. 12, of Chicago, reorganized, provided they would clean out about one-half dozen members whom we might name.

The national and most of the State headquarters will be at the Mecca in Chicago next week. Illinois headquarters will be next to the National on the first floor.

Every graduate who possibly can should attend the great convention in Chicago. It will open the eyes of the world and be the greatest demonstration for practical temperance the world has ever seen.

Please pay for your paper if you have not. You know the times are hard and we need your subscription. If you can't send it right away pay at the time of the convention in Chicago.

Remember that ten per cent of all money paid for rooms or board at the Mecca goes toward paying convention expenses—not into anyone's pockets.

The official organ of the defunct league in Chicago remarks that it is impossible for some to tell what the name is, Keely or Kelly league.

Every reader of the STAR and HERALD should read the advertisement of the sale of Dr. Keely's bust for the benefit of the National Keely League.

The official organ of the defunct league in Chicago, which has been instrumental in the league's death, has made pretensions to be a "practical temperance paper."

Tuesday's Entertainment.

The entertainment given Tuesday evening was one of the best of the season, and created lots of fun.

From Neighboring Newspapers.

Fire on Monday last destroyed a couple of large barns and considerable stock of the Kankakee fair association.

A. R. Zimmerman, of Dwight, has sold his interest in the Dwight paper to J. F. Wassell, of Chester, Ill.

And still the cry for bread goes up, but many who shout this cry the loudest are not of the starving kind.

A wagonmaker who had been dumb for years picked up a hub and spoke, and a blind carpenter on the same day reached out for a plane and saw.

"After the War is Over," is the latest of the popular melodies of the day paraphrased into a religious song by the Salvation Army.

Tramps are always springing some new dodge to excite sympathy. Fumbling among a pile of letters taken from his pocket, he takes a photograph of a family group.

One of the secrets of successful advertising consists in keeping your establishment and the wares you have to sell before the eyes of the public continually.

After you get angry and stop your paper just poke your finger in water and look for the hole.

La Grippe.

During the prevalence of the Grippe the past seasons it was a noticeable fact that those who depended upon Dr. King's New Discovery, not only had a speedy recovery, but escaped all of the troublesome after effects of the malady.

Bucklen's Arnica Salve.

The best Salve in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblains, Coris, and all Skin Eruptions.

For a lame back or for a pain in the side or chest, try salve a piece of flannel with Chamberlain's Pain Balm a binding it onto the affected parts.

Among the incidents of childhood that stand out in bold relief, as our memory reverts to the days when we were young, none are more prominent than severe sicknesses.

A Good Thing to Keep at Hand.

From the Troy (Kansas) Chief. Some years ago we were very much subject to severe spells of cholera morbus, and now when we feel any of the symptoms that usually precede that ailment, such as sickness at the stomach, diarrhoea, etc., we become scared.

Heavy East-Bound Travel.

On account of growth in east-bound business, the Nickel Plate Road inaugurated a new through express on Sunday, Sept. 3d, Palace Sleepers Chicago to Buffalo and direct connection at Buffalo for all points East.

It is a pleasure to note the addition of another through train to the already competent train service of the Nickel Plate Road. It will leave Chicago about 7:35 a. m. and reach Buffalo at 3:40 a. m. the following morning.
