A receiver has been appointed for the American Ice Company, a local ice trust at Bangor, Me. Assets, \$200,000; liabilities, \$145,000.

CRIME AND CASUALTY.

An attempt was made to wreck a passenger train on the Intercollegiate Railway just north of Truro, N. S. A switch was opened, and the engine jumped the track and went down a steep embankment. The entire train would have followed but for the breaking of the coupling joining the first car to the engine.

News continues to come in regarding the devastation of the recent storm in the South, and each report adds to the list of dead and swells the aggregate of the property lost. The number of dead now reported exceeds 2,000.

United States Marshal Jackson arrived in Midvale, Mont., bringing news that he had found the train robbers who held up and robbed the Northern Pacific train near Livingston on Aug. 25. Two Indian scouts went out and located the robbers, four in number, near the Blackfoot agency.

Masked robbers invaded the depot at Divide Station, Colo., the terminus of the Cripple creek stage line, and robbed the stage belonging to the Wells-Fargo Express Company.

At Pittsburg, the jury in the case of Edward D. King and Thomas W. Dickson, printers, charged with the murder of William Cunningham, another printer, just ending. They found the defendants guilty of voluntary manslaughter and recommending them to the mercy of the court. The extreme penalty is twelve years imprisonment and a fine of \$500. A motion for a new trial will be made.

The express office at Yellow Springs, Ohio, was robbed, two mail pouches being among the contents stolen.

Charles Johnson of New York is 97 years old, and colored, but he organized a band for purposes of highway robbery on the Erie Canal. The band consisted of James Vandervoort, 14 years old, and George Allen, 13 years old, as they were returning from church. Johnson ordered his followers to hold the boys and rifle their pockets, taking a silver watch and a gold chain. Frank Brown captured Johnson and Johnson was sent him to the Society for the Prevention of Cruelty to Children.

Joe Silvers and Edward Moore, of Staunton, Ind., have confessed to having tried to wreck trains on the Vandallia Road. They implicated others in the same town who will be arrested.

A riot in the Big Four yards at the Indianapolis shops, across the river from Indianapolis, resulted in the fatal shooting of Fireman James Pitts of the Peoria Big Four division. Special Detective James Stokes shot and killed Pitts, a crowd of several hundred men and boys who were jeering and throwing stones at the locomotive and single coach which were about to pull out for the city with the officers who had been on duty during the riot.

James Stokes, who shot and killed Pitts, is a half brother of the man who had entered the car, but Stokes lingered behind and shot here were a few of the strikers, but many more employes in the crowd, taking no part in the riot. After the shooting Stokes darted into the car. Pitts fell, a ball through the groin. He has since died, and great excitement prevails in the city.

The leader of the gang of train robbers who held up the Northern Pacific train last Tuesday has been captured near Kallispell, Mont. The entire gang is now in jail.

James Stokes, who shot and killed Pitts, is a half brother of the man who had entered the car, but Stokes lingered behind and shot here were a few of the strikers, but many more employes in the crowd, taking no part in the riot. After the shooting Stokes darted into the car. Pitts fell, a ball through the groin. He has since died, and great excitement prevails in the city.

Heavy rains have fallen in the Valley of Mexico, and have caused unprecedented high waters and great damage to property in the suburbs of the City of Mexico. The city is at present almost completely surrounded by water, and the situation is regarded as serious.

The delegates to the Pan-American Bimillennial convention in St. Louis were called to order Thursday morning by Secretary Newell. General A. O. Flisk was chosen presiding officer. Governor Tillman, from the Committee on Resolutions, to which was referred the resolution calling for the withdrawal of the United States capital from Washington, recommended the rejection of the resolution. J. B. Follett, of St. Louis, moved the adoption of the majority report of the Committee on Resolutions. Delegate J. B. Follett, of St. Louis, moved the adoption of the majority report of the Committee on Resolutions. Delegate J. B. Follett, of St. Louis, moved the adoption of the majority report of the Committee on Resolutions.

The entire town of Fulton, Ark., a thriving town of 10,000 people, was destroyed by fire Wednesday morning.

The burning of the steamer Jim Lee at Memphis is a mystery, and there is a strong suspicion that the fire was the work of incendiaries. The boat cost \$65,000 in 1887. It was insured in the Shillaker agency at Louisville for \$25,000.

Edward Adams' grain elevator at Wabash, Ind., was burned with contents of nearly 20,000 bushels of wheat.

THE FIRE RECORD.

The entire town of Fulton, Ark., a thriving town of 10,000 people, was destroyed by fire Wednesday morning.

The burning of the steamer Jim Lee at Memphis is a mystery, and there is a strong suspicion that the fire was the work of incendiaries. The boat cost \$65,000 in 1887. It was insured in the Shillaker agency at Louisville for \$25,000.

Edward Adams' grain elevator at Wabash, Ind., was burned with contents of nearly 20,000 bushels of wheat.

PERSONAL MENTION.

Mrs. Lucy Stone Blackwell, the world-famed worker for woman's suffrage, is dying, at the age of 75, at her home in Boston.

Obituary: At Baltimore, ex-United States Senator James Black Grooms—At Benton, Ill., John S. Webb, aged 63.

Mrs. D. W. T. Bull, who was Mrs. James G. Blaine, Jr., was severely injured by being thrown from a carriage in New York.

FROM WASHINGTON.

Justice Bradley, of the District of Columbia Supreme Court, has decided against the proposition to amend the case brought by Governor Tillman of South Carolina, who was refused permission to use the palm-leaf as a trademark for liquor sold by the State's saloons.

Comptroller Eckels has called for a report from the directors of national banks at the close of business Tuesday.

Secretary Carlisle has sent a letter to Congress explaining that his failure during July and August to purchase the full amount of silver prescribed by law was due to his inability to secure it at what he considered the market price.

Commissioner Lamoreaux, of the general land office, reports that during the fiscal year ended June 30 the aggregate of public lands disposed of was 11,891,147 acres of which 1,044,958 acres were sold for cash; 10,296,737 acres were miscellaneous entries and 89,457 were Indian lands. The cash receipts of the office during the year aggregated \$4,470,734. Agricultural products were issued during the year to the number of 43,657, which included 11,076 cash, 21,543 homesteads and 4,339 timber cultures.

FOREIGN.

Coal is getting so scarce in England, owing to the miners' strike theory, that dealers are arranging to import cargoes from Pennsylvania.

Pallas, the Spanish anarchist who made an attempt on the life of Capt. Gen. Martinez Campos by hurling two dynamite bombs at a general, was sentenced to life in accordance with the sentence of the court-martial before which he was tried. The prisoner refused to kneel when sentence was pronounced, but he consented to sign a copy of his sentence.

Reference to the report of the Interstate Railway Commission shows the railway mileage in the Western States increased during 1897-98, 3,100.78 miles.

At the Cincinnati Stock Yards a mad bull attacked John Maher, aged 19, and gored him frightfully about the head, one horn penetrating the skull near the right eye.

Gov. Matthews has permitted the use of \$1,000 of Indiana State funds to aid in abating the small-pox epidemic at Muncie.

The largest actual circulation of money in the United States was recorded in the monthly statement of circulation for September. The aggregate circulation is given at \$1,701,939,018, which amounts to \$23.20 per capita for an estimated population of 73,000,000.

The largest increase in the imports of gold to meet the monetary stringency in New York, which amounted during September to \$2,029,941. The next largest increase is \$5,052,617, which is in the national bank notes taken out under the same pressure of monetary stringency.

The shut-down of the Mahoning Valley roller mills since July 1, the longest period of idleness in the history of the iron business in that region, is causing much distress. Fully 60,000 men, women and children are without work.

The delegates to the Pan-American Bimillennial convention in St. Louis were called to order Thursday morning by Secretary Newell. General A. O. Flisk was chosen presiding officer. Governor Tillman, from the Committee on Resolutions, to which was referred the resolution calling for the withdrawal of the United States capital from Washington, recommended the rejection of the resolution.
