

NOTICE.

We have repeatedly sent out duns to several of our subscribers who live away from Dwight. Some of them have responded promptly, others have paid no attention...

The little autograph books are going rapidly. The lecture on "Japan" at the club house Thursday evening was largely attended and very interesting.

Hon. Nat Dryden, one of the finest attorneys in the state of Missouri, was unanimously elected president of the league Thursday morning.

Dr. J. E. Blaine answered the question box again Thursday morning at the league. There were a large number of interrogations all of which were clearly answered...

Mrs. Shaw, of Indianapolis, left Dwight last Wednesday. The club will miss her services, as she was a pianist of more than ordinary ability.

John H. Gillispie, of Burlington, the gentlemanly clerk of the last Keeley League Convention with his fog horn voice, was in Dwight the first of the week and gave the boys an encouraging talk Tuesday morning.

The national executive committee of the Keeley League, in their report made to the national convention lately held in Chicago, in calling attention to the papers giving support to the Keeley Cure and the Keeley Leagues, says: "They are the mouthpieces of our organization, and carry weekly to thousands the news of the progress of the movement."

A False Idea. Many men who have been addicted to drink and who have decided to take a cure for it, are very reluctant to have the public know that they are going to take such a step and want it kept quiet. This is in most cases an entirely wrong idea.

Meeting of the State Executive Board. The members of the Illinois State Executive Board Keeley League met in Bloomington, Ill., last Saturday evening. State President Al Burkhardt acted as chairman and State Secretary Ben Mason acted as secretary.

The new man is one of the very best in the state and is a valuable acquisition to the board. The board now consists of the following named persons: Geo. F. McAllister, Lincoln, M. Murphy, Joliet, Ill.; Wm. Armitage, 3225 Cottage Grove avenue, Chicago, Geo. M. Miley, Harrisburg, Ill.; Wm. G. Dustin, Star and Herald, Dwight, Ill.; President Al Burkhardt and Secretary Ben Mason, are ex-officio members.

Reduced rates to Kansas City and St. Louis and points beyond, from Oct. 7 to Oct. 18, inclusive. Rates one way Kansas City \$6, St. Louis \$3.50. Correspondingly low rates to points beyond by C. & A. R. R.

AUXILIARY NOTES.

The regular meeting Wednesday last was well attended.

It was announced that Rev. Fisher would address the ladies at the next meeting - Wednesday of next week. The donations amount to \$16. There is room for more.

The auxiliary propose to give a leaf social before long. This is something new. Imitations of different leaves are cut out of green cloth, two of a kind. The gentleman selects one and the lady that has the corresponding one is supposed to accompany the gentleman to supper, which will be 25 cents per couple. The gentlemen will then be blind folded and requested to step to a blackboard and draw a diagram of the leaf.

Mrs. J. A. Hayes and Mrs. J. C. Lewis became members last Wednesday.

The election of officers will be held the first Wednesday in November.

Written recipes are expected from each one at the last meeting this month which will be held at Mrs. Dr. Broughton's.

Mrs. Clarkson and Mrs. Howe were appointed visiting committee for October.

Every member should be present next Wednesday. Don't forget.

It Should Be in Every House.

J. B. Wilson, 371 Clay St., Sharsburg, Pa., says he will not be without Dr. King's New Discovery for Consumption Coughs and Colds, that it cured his wife who was threatened with Pneumonia after an attack of "La Grippe" and various other remedies and several physicians had done her no good.

We hope everyone who owns a horse will read the advertisement of the Elkhart Carriage and Harness Manufacturing Company, of Elkhart, Indiana, appearing in this paper.

Perhaps some of our readers would like to know in what respect Chamberlain's Cough Remedy is better than any other. We will tell you. When this Remedy is taken as soon as a cold has been contracted, and before it has become settled in the system, it will not only effect a cure, but will also greatly lessen its severity, and it is the only remedy that will do this. It acts in perfect harmony with nature and aids nature in relieving the lungs, opening the secretions, liquefying the mucus, and causing its expulsion from the air cells of the lungs and restoring the system to a strong and healthy condition.

Moving South.

Convenient markets, good soil, pure water and excellent climate are advantages to be considered when looking up a home, business location, farm, etc. Maryland and the Virginia afford these, with many more advantages. Improved farm lands adapted to stock raising, dairying, grain, grass and fruit growing, can be obtained at low prices and upon easy terms.

DEC. 12 1890. OFFICE OF J. S. ROSAMOND, GENTLEMEN - While in San Antonio on Texas last spring, I saw your advertisement of P. P. P. (Prickly Ash, Poke Root and Potassium) in the paper for the cure of rheumatism, and thought I would try a bottle, finding such great relief from it, on my return home I had my druggist, Mr. John McClellan to order me a supply. After taking, I think ten bottles, I have not had a pain or ache since, previous to that I suffered for twenty-five (25) years, and could not get the least benefit until I tried P. P. P. and therefore take pleasure in recommending it to all.

Yours truly, J. S. ROSAMOND.

Heavy East-Bound Travel.

On account of growth in east-bound business, the Nickel Plate Road inaugurated a new through express on Sunday, Sept. 3, Palace Sleepers Chicago to Buffalo and direct connection at Buffalo for all points East. It is a pleasure to note the addition of another through train to the already complete train service of the Nickel Plate Road. It will leave Chicago about 7:35 a. m. and reach Buffalo at 3:40 a. m. the following morning. Through sleepers Chicago to Buffalo. Direct connection at Buffalo for all points east.

Among the October periodicals, Arthur's New Home Magazine deserves special mention. Its literary contents are of a high order, the illustrations are numerous and good, and the fashion department is unrivaled. "The Orinoco River" is capably illustrated and most interesting paper. "Floral Culture" gives several pages of clear and useful directions to amateur gardeners, aided by a series of effective illustrations. Melville Phillip's new novel, "Was She Fairly Won?" opens in a very intense, realistic manner. "Paul Errol's Temptation," by Clara Augusta, is one of that popular writer's best efforts. Two other illustrated articles, "Soft Seves Porcelain" and "Early Homes of Mankind," add to the attractions of the number. The "Girls and Boys" department is a perfect treasure-casket for its youthful readers, and the "Home Circle" is invaluable in its varied information. "Woman's World" gives the newest styles of costumes, and needle work designs in abundance. Arthur's is a magazine that exactly meets the requirements of women, while offering instruction and entertainment for the entire household. Its very low price, one dollar a year, places it within the reach of everyone. Send five cents for a sample copy. Address: Arthur's New Home Magazine, Philadelphia, Penn.

"During my term of service in the army I contracted chronic diarrhoea," says A. E. Bendig, of Halsey, Oregon. "Since then I have used a great amount of medicine, but when I found any that would give me relief they would injure my stomach, until Chamberlain's Colic, Cholera and Diarrhoea Remedy was brought to my notice. I used it and will say it is the only remedy that gave me permanent relief. I no bad results follow." For sale by Dr. C. H. Barr, Dwight, and W. H. H. Augustine, Braceville.
