Nov 1 93 Nov 1 92.

As some of our subscribers do not seem to understand the date opposite their names on the little colored slip on the STAR AND HERALD, we rise to explain. If the first one above is after your name it means that your subscription expires November 1, 1893. If the second one, it means your subscription expired November 1, 1892. If you notice any mistakes please call at this office and have them rectified. We take it for granted that if you do not pay in advance it is a mistake. After Jan. 1, 1894, there will only be one subscription price for the STAR AND HERALD—\$1.50 per year. You can pay as much ahead as you please, but after Jan. 1, it will be \$1.50 in all cases.
