

NOTICE.

We have repeatedly sent out duns to several of our subscribers who live away from Dwight. Some of them have responded promptly, others have paid no attention. The little slip on the wrapper of your paper tells you the time your subscription is paid to. It is an easy matter to see whether you owe us or not.

THE PUBLISHERS.

A Word to Graduates.

Gentlemen, you have spent years in bringing stigma upon the fair name of your family. You have worse than wasted some of the best years of your life in pursuing a course that at best could only bring you poverty and disgrace.

he had been home in St. Louis a while his appetite for whiskey was intense, and he constantly had a fight on his hands. He, however, never took a drink, and finally came back to the Keeley Institute in Dwight four weeks ago to have appetite for whiskey removed, which has been accomplished most effectually by Dr. Keeley's remedies.

AUXILIARY NOTES.

Last Wednesday was the election of officers, which resulted as follows: President, Mrs. Dr. Broughton, who thanked those present. Mrs. Broughton has made an excellent president, and has labored conscientiously and continually for the cause.

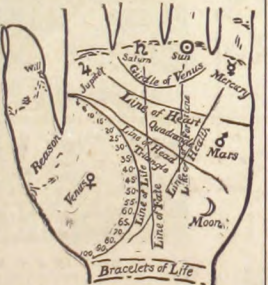

It was voted to hold a fair the second week in December, and to hold the meetings at residences until after that time. The first one was held at Mrs. Dr. Barr's last night.

YOUR FUTURE

IS IN YOUR OWN HAND. Palmistry assumes to tell what the lines in your hand indicate. It will answer you if you are a success or a failure. The above diagram almost explains itself.

Mr. Shanklin, ex-vice-president of the home Keeley League, stopped off here Wednesday and called on the boys and girls. He is prosperous and happy, and never had any desire for drink, and is on the road continually.

Hon. Nat Dryden, of Missouri, was finally induced to make a speech to the League last Friday. It was not a question of whether he could or not, but whether he would.

THE BEST PLASTER.—Dampen a piece of flannel with Chamberlain's Pain Balm and bind it over the seat of pain. It is better than any plaster. When the lungs are sore such an application on the chest and another on the back, between the shoulder blades, will often prevent pneumonia.

Are your children subject to croup? If so, you should never be without a bottle of Chamberlain's Cough Remedy. It is a certain cure for croup and has never been known to fail. If given freely at once, the croupy cough appears to will prevent the attack.

A Leader. Since its first introduction, Electric Bitters has gained rapidly in popular favor, and now it is clearly in the lead among pure medicinal tonics and alteratives—containing nothing which permits its use as a beverage or intoxicant.

Mr. W. M. Terry, who has been in the drug business at Elkton, Ky., for the past twelve years, says: "Chamberlain's Cough Remedy gives better satisfaction than any other cough medicine I have ever sold."
