

Dr. Blaine addressed the league Friday morning.

J. J. Miller, of the board of control, has an eye on business again.

A. M. Suive, of Charleston, South Carolina, was elected president Thursday.

The Brass Link Association received its death blow when Davis left it. He was the official organ's right bower.

Remember to examine the little slip on the wrapper of your paper this week. If you owe us anything pay it. We need it.

Col. Vissher and Chas. E. Banks left for Chicago Wednesday, much to the regret of the boys in the league. Their visit increased the interest here greatly.

We are sending the STAR AND HERALD to a great many away from home that should pay for it. The little slip on the wrapper tells you when your subscription expired.

Entertainment No. 1.

The entertainment Tuesday evening at the League room was a very fine one and the hall was filled to overflowing. President Dick was master of ceremonies, and filled the bill admirably.

Miss Wyman, an Auburn haired prettily little miss, from Odell, favored the audience with some very nicely rendered selections on the piano.

Chas. E. Banks gave several selections which were well received. His German dialect version of Mary and her lamb captured the house.

Miss Gertrude Ketcham entertained all with two pretty vocal solos.

Frank Ford gave one of his best piano selections in his well known able manner.

Lou Collins a gentleman of great musical ability, who is not here for cold feet but simply for his health, pleased the audience greatly by the vocal selections he rendered. The audience would have kept him going for an hour or two if he would, but he wouldn't.

Col. Will Vissher, the only one on earth, of course, was called upon. Wherever he is known he is called upon and he is known most everywhere, and where he is known best he is called upon more. He gave several selections which were highly appreciated, especially his story of Bill Nye and his dog, Etomologist, and Vissher's poem "Mart and Me."

Miss Cora Adams rendered a vocal solo very nicely.

No. 2.

The entertainment Thursday evening was not as good as the former one, but very good.

Frank Ford gave one of his best instrumental selections which are always appreciated.

Dr. Basket, a fine musician, gave some fine solos and received an encore.

Ex-president Dick favored the audience with an instrumental solo.

The gem of the evening was the address by Judge Arnold, an ex-president of the club. He is a man of great ability and his speech was full of telling points, and gave those under treatment lots of encouragement.

A collection was taken up for the cure fund to another fallen brother.

Take The Cure.

A number of cases have been reported in this city where Keeley graduates have been drugged. A man who would do this deed for the purpose of getting back a customer should be filled with lead up to his neck, and the man who does this brutal act as a joke should be filled with the same metal to the top of his hat. There can be no terms used too severe for a greedy whiskey peddler or fool of this kind.

The Keeley cure has done more for the human race than anything in our time. It can as successfully cure a man of whiskey drinking as any physician can treat the measles. It is a measure people can afford to back up, protect, defend and push. They should vigorously punish the dopers and firmly insist that all mandrill, tipsy nuisances should take the cure and stay cured. There is no need of being further annoyed with this useless class of humanity. If a man can keep sober he is under obligation to his neighbors to do so. If he cannot maintain sobriety under all circumstances, then he should take the cure. All know he can be cured and he knows it. Before many years it is to be expected that the authorities will by law compel a man to be decent and sober whether he will or not; at least retain him in safekeeping where he will not interfere with the peace and happiness of other people. Joliet Daily News.

Every criminal arraigned in the Vermillion county circuit court at a recent term pleaded guilty. Among them were four murderers. If the prisoners would all do this the expense to counties would be much smaller.

A load of corn was recently wagered on the election, in a neighboring town. The Democrat lost, of course, but he was an Irishman, and they generally play even in some way. The next morning he came down town with his son's little express wagon and wanted to know of the winner where he wanted his corn delivered.

It has been said that every part of a hog is now utilized but the squeal. It is proposed now to catch the squeal in phonographs and use the loudest ones for foghorns on the lake and coast, and the small ones to save breath for women when they see a mouse.

Heavy East-Bound Travel.

On account of growth in east-bound business, the Nickel Plate Road inaugurated a new through express on Sunday, Sept. 3d, Palace Sleepers Chicago to Buffalo and direct connection at Buffalo for all points East.

It is a pleasure to note the addition of another through train to the already competent train service of the Nickel Plate Road. It will leave Chicago about 7:35 a. m. and reach Buffalo at 3:40 a. m. the following morning. Through sleepers Chicago to Buffalo. Direct connection at Buffalo for all points east.

SAVANNAH, GA., April 16, 1889.

Having used the bottle of P. P. P. for impure blood and general weakness, and having derived great benefits from the same, having gained 11 pounds in four weeks. I take great pleasure in recommending it to all unfortunate like yours truly. JOHN MORRIS.

OFFICE OF J. N. McLEROY, Druggist, Orlando, Fla., April 20, 1891. MESSRS. LIPPMAN BROS., Savannah, Ga. DEAR SIRS—I sold three bottles of P. P. P., large size yesterday, and one bottle small size today.

The P. P. P. cured my wife of rheumatism winter before last. It came back on her the past winter and a half bottle, \$1.00 size, relieved her again, and she has not had a symptom since.

I sold a bottle of P. P. P. to a friend of mine, one of the turkeys, a small one took sick, and his wife gave it a teaspoonful, that was in the evening, and the little fellow turned over like he was dead, but next morning was up howling and well. Yours respectfully, J. N. McLEROY.

SAVANNAH, GA., March 17, 1891. MESSRS. LIPPMAN BROS., Savannah, Ga. DEAR SIRS—I have suffered from rheumatism for a long time, and did not find a cure until I found P. P. P., which completely cured me. Yours truly, ELIZA F. JONES, 16 Orange St., Savannah, Ga.

Moving South.

Convenient markets, good soil, pure water, and excellent climate are advantages to be considered when looking up a home, business location, farm, etc. Maryland and the Virginia afford these, with many more advantages. Improved farm lands adapted to stock raising, dairying, grain, and fruit growing, can be obtained at low prices and upon easy terms. Thriving towns invite the merchant, mechanic and business man. Abundance of coal, timber, ore, water power, etc. Free sites for manufacturers.

Holiday Souvenirs.

Any of our merchants of Dwight, or neighboring towns, who are thinking of buying neat souvenir cards or calendars for 1894 to present to their customers Christmas or New Years will do well and save money by calling on us before purchasing. We can furnish the cards, printing and all for less than you can buy the cards alone anywhere else. Don't forget that the STAR AND HERALD office can print anything. There is no good reason for sending away for anything in the printing line, no matter what it is.

Are your children subject to croup? If so, you should never be without a bottle of Chamberlain's Cough Remedy. It is a certain cure for croup and has never been known to fail. If given freely as soon as the croupy cough appears it will prevent the attack. It is the sole reliance with thousands of mothers who have croupy children, and never disappoints them. There is no danger in giving this Remedy in large and frequent doses, as it contains nothing injurious. For sale by Dr. Barr, Dwight, and W. H. H. Augustine, Braceville.

Mr. W. M. Terry, who has been in the drug business at Elkton, Ky., for the past twelve years, says: "Chamberlain's Cough Remedy gives better satisfaction than any other cough medicine I have ever sold." There is reason for this. No other will cure a cold so quickly; no other is so certain a preventive and cure for croup; no other affords so much relief in cases of whooping cough. For sale by Dr. Barr, Dwight, and W. H. H. Augustine, Braceville.

THE BEST PLASTER.—Dampen a piece of flannel with Chamberlain's Pain Balm and bind it over the seat of pain. It is better than any plaster. When the lungs are sore such an application on the chest and another on the back, between the shoulder blades, will at once prevent pneumonia. There is nothing so good for a lame back or a pin in the side. A sore throat can nearly always be cured in one night by applying a flannel bandage dampened with Pain Balm. 50 cent bottles for sale by Dr. C. H. Barr, Dwight, and W. H. H. Augustine, Braceville.
