Dr. Palm extracted a piece of tin from one of John Pettett's legs this week, about an inch square, which had been imbedded there since July 4, seventeen years ago. It had caused John considerable pain lately and the operation became necessary. He is getting along all right now.

Mr. and Mrs. Artie Corcker, of Goodfarm, expect to leave in about two weeks for their new home in Minden Mines, Mo., where Mr. Corcker will engage in the hardware business. Their many friends in Goodfarm and Dwight will wish them prosperity and happiness in their new home.

A farmer living near Fairbury, was taken in by a lightning rod shark one day last week. The rod was to be put up so much per rod, but when the bill came in it was double what the farmer thought. The prevention of that kind of thing is to be found in reading the STAR AND HERALD and trading at home.

As it is customary in Dwight to hold union services and change each year from the M. E. to Congregational church and visa versa, this year the services will be held at the latter church, Revs. Fisher and Ayling conducting the services, the latter preaching the sermon. A kind invitation is extended to all.

Quarterly conference will be held at the M. E. church this (Saturday) evening, presiding elder Haney being present. Rev. Haney will occupy the pulpit Sunday morning. After the regular services there will be communion. There will also be services at 3 p. m. Sunday. The pastor, Rev. Ayling, is particularly desirous that everyone attend these services.

The Dwight Art Co., N. N. Mike sen, proprietor, will hereafter keep his handsome rooms over Barr & Davis' drug store, open from 1 to 4 p. m., Sundays. It should be remembered also that Mr. Mickelsen has all the negatives since Petry & Evans started in business in Dwight, and is prepared to make reproductions from any of them. Call on him when in need of any work in his line.

Among the many guests from abroad who attended the Davis-Stevenson wedding at Bloomington last Tuesday evening, were Colonel and Miss May Morgan and Mr. and Mrs. Dwight Morgan, of Dwight. The wedding was a very brilliant affair and was attended by some prominent people from all over the country. The bride is a daughter of the veteran editor of the Pantagraph and the groom the son of the vice-president.

What has become of the Dwight business men's association? Did it die for the reason that if any one member tried to do anything the others sat down on him because he was getting too prominent? There were people here that wanted a cannery, oh, awful bad, but when they got a chance to get one, they wanted nothing to do with it because it took money. There are col-

leges, seminaries, and institutions of learning, factories, etc., being located every day, but there is no one to put in a bid for Dwight, the best place in the state for any such thing. Why? "Flash in the pan!" "Wind!"

New Doctors. It will be noticed by reference to another column under the head "Board of Health," that Mayor Fox under the protecting wing of the Constitution and By-Laws of the State of Illinois, has organized himself into a "Board of Health." Now the mayor is a very busy man, having enough private business for one man to attend to, besides looking after the city business. Of course the additional duties as Board of Health made more work and assistants were needed.

Dr. Mayor H. Fox, L. L. D., on assuming the position and duties of Board of Health, has appointed Dr. Geo. N. Flagler, Dr. B. A. Buck, Dr. D. B. Stevens, Dr. John Geis, Dr. Roger Mills and Dr. Geo. S. Baker as assistants, and they have been assigned to districts, as the article spoken of indicates, to look after the health of the community. Already there has been a vast improvement in the public health, several having gained in weight and many of our aged citizens have been rejuvenated and are around with more spirit step and brighter eyes since the eminent medical advisers have taken charge. These medical gentlemen all have their own ideas as regards the cure of patients.

Dr. Flagler thinks ice should be applied, but the patient must be careful and not get coal (unless bought at his place).

Dr. Buck is of the opinion that iron (if taken in stoves) is good for the blood.

Dr. Stevens says its a horse on the patient, but he will buy the horse and relieve the patient.

Dr. Geis suggests a box of long fillers, one after each meal, as a sure cure.

Dr. Mills wouldn't real estate what he would do if called upon.

Dr. Baker prescribes a vegetable diet with celery compound and bread pills on the side.

If there is a case of any kind that the staff cannot get away with they will turn it over to the "Board of Health" himself, for reference or instance.

We see only one fault regarding this arrangement and that is, that Bob Orr is knocked out of one of his jobs.

If Disease or Pestilence knows when he or she is well off they will give Dwight the go-by this year.

Christmas. Already arrangements have been commenced for Christmas, and it is probable that all of our churches will celebrate that happy occasion in a fitting manner.

It has been decided that the M. E. church will give their exercises, probably a cantata, and the usual beautiful custom of distributing presents on Saturday evening before Christmas. The programme and other particulars of the coming festivities will be given later.

Thanks and Announcement. We wish to return thanks to our brethren of the M. E. church for the use of their church basement during the past summer months, but since we are small in number we concluded to hold our services during the winter time in a private house.

So I wish to announce that we will have our services next Sunday Nov. 26th at 2 o'clock p. m. in the house known as Mrs. Peterson's, in the front part, where the undersigned lives.

B. C. WAGNER, Pastor.

Join the Woodmen. Many have asked us the cost of joining the Woodmen. It costs \$5 membership fee, in advance; \$4 a year, payable quarterly in advance, dues; and from 25 cents to 55 cents per month for each \$1,000, according to age. Any one of good character, between the ages of 18 and 45 years, is eligible for membership. It is very reasonable insurance. For further particulars inquire at this office.

Insurance Paid. The National Executive Board of Modern Woodmen of America has passed upon the claim of Mrs. Christian Eyer favorably, and the proper papers have been received by Clerk Mowbray, of Dwight, and the \$2,000 will be paid during the coming week. The board met last week and only four days afterwards the papers were received in Dwight, which is quick work.

No Raise in Price. Some of our subscribers have told us that owing to the hard times they do not feel able to pay \$1.50 per year for the STAR AND HERALD. As we do not desire to make it a hardship on any man to read our paper, we will not raise the price this year. The price will remain at \$1.25 per year, and subscriptions that are now due and past due will be thankfully received.

Read This. The STAR AND HERALD from now until Jan. 1, 1895, for \$1.25, to new subscribers, if paid in advance. Please tell your neighbors.

Are You Going South this Winter?

If so make your arrangements to go via the BIG FOUR ROUTE.

Whether in pursuit of health or pleasure, no portion of the country offers so many and varied attractions at this season as the Sunny South. The Orange Groves of Florida, replete with the perfume of sweet blossoms, wave their branches in hearty welcome to the tourist from the cold northern land and the mellow breezes from the Southern Sea woo the invalid from the blizzards of the north. There is one line to Florida, "The Big Four Route" which on account of its excellent train service, perfect connections in Union Depots and absence of transfers, forms the "Tourist's Ideal Line to Florida." From all points north of the Ohio river the Big Four Route, in connection with the through car lines from Cincinnati, will be found to offer the BEST TIME, BEST SERVICE and BEST EQUIPMENT to all Southern Points, and if you desire to travel with comfort and ease, be sure your tickets read via the Big Four Route.
