

Join the League. The club entertainment Thursday evening was one of the best ever given.

"The Irish Doctor" is all right. See it at the opera house next Thursday night.

Take the STAR and HERALD home with you for three months for fifty cents.

The league will probably make arrangements for a proper celebration of Christmas.

Secretary Brown is at his desk again, after demolishing all the turkey in Kirkwood, Ill., his old home.

H. E. Martin has returned to Dwight from Chicago and is now employed as night clerk at the Livingston.

The club entertainment next Thursday, the 14th, bids fair to knock them all out. It will be in the opera house.

Mr. Armstrong, of the Chicago Herald, made us a very pleasant call. He is a very pleasant and able gentleman.

The entertainment evening has been changed from Thursday to Tuesday. The club elections have also been changed from the same day to Tuesday.

A short history of the Dwight league will appear in next week's paper, along a picture of the old and present club house, and the first and present secretary and many other points of interest.

Harry Lawrence, the proprietor of the great and only club store, has gone into the merchant tailoring business and a fine line of samples can always be seen there.

He says he will knock them all out on prices. He also sells fine gents' furnishing goods, Goodyear rubbers, and the very best brands of cigars and tobaccos.

On a Parity. BY JAMES T. DUDLEY. He was a sorry silver man who went down to "The Springs."

And on his brow were all the marks that disappointment brings: And in his heart was stored the grief a wayward life had brought.

But, guided by a random hope by some good angel sent, He to the Keeley Institute his reeling footsteps bent.

And there this weary silver man was very quickly told That silver coin was good enough to be exchanged for gold.

And so upon a parity the matter was arranged And, as it ever should be, gold for silver was exchanged.

And since he left the Institute with pride upon his brow, The silver man with courage cries: "I'm on my metal now!"

A Million Friends. A friend in need is a friend indeed, and not less than a million people have found just such a friend in Dr. King's New Discovery for Consumption, Coughs, and Colds.
