The Greatest Medical Discovery of the Age.

KENNEDY'S MEDICAL DISCOVERY.

DONALD KENNEDY, OF ROXBURY, MASS., Has discovered in one of our common pasture weeds a remedy that cures every kind of Humor, from the worst Scrofula down to a common Pimple.

He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humors).

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the right quantity is taken.

When the lungs are affected it causes shooting pains, like needles passing through them; the same with the Liver or Bowels.

No change of diet ever necessary. Eat the best you can get, and enough of it. Dose, one tablespoonful in water at bedtime. Read the Label. Send for Book.

Scott's Emulsion arrests the progress of Consumption, Bronchitis, Scrofula, and other wasting diseases by raising a barrier of healthy flesh, strength and nerve.

Superstitions About Salt.

In some parts of the North Country it is regarded as unlucky to put salt on another person's plate. Hence the couplet: Help me to salt, Help me to sorrow.

A second help, however, is supposed to avert the ill luck on the homeopathic principle that "like cures like." For salt to fall toward a person at table portends in the west of England coming dice disaster.
