

THE KEELEY LEAGUE.

John J. O'Reilly, of Pittsburgh, was elected president this week. His soul is in it.

Pat Barry, of Chicago, a graduate of two years ago, was in town Sunday with a friend in tow. The friend is now in line. Pat was an old room mate of Willard S. Brown, and is all right. He occupied an important position under the city government in Chicago.

Mr. and Mrs. Willard S. Brown entertained a few friends among the patients at their residence, No. 117 Delaware street Thursday evening. The Imperial Male Quartette was present and added to the pleasures of the evening by rendering several excellent selections.

During the past few weeks a great many contributions of books have been made to the league library. In response to the appeal made by the club, Wednesday a large box of books was received by Secretary Brown from Dr. S. L. Brown, of Ransom, Ill., a former patient of the Dwight Institute. All such contributions are thankfully received and are greatly appreciated by the members.

Dr. J. E. Blaine, chief of staff of the Dwight Keeley Institute, was present at the club meeting Thursday morning and answered numerous questions in regard to the treatment and everyone was delighted and interested with his explanations. When the Doctor is seeking the closest attention is paid him. The club house was crowded with patients, everyone of whom felt well repaid for going.

Owing to the entertainment in the opera house next Tuesday evening, the regular club entertainment will be postponed until Wednesday, at which time it is expected that an excellent program will be given. There is a great deal of good talent among the patients now here and an effort is being made by Mr. Percy Simpson, chairman of the entertainment committee, to work in all the available talent for that evening.

Mr. Ives, of Bloomington, was in Dwight Sunday with a friend who is now in line at the Keeley institute. Mr. Ives reports the league at that place in a flourishing condition. They hold two societies a month, one under the auspices of the auxiliary and the other of the league, and serve a ten cent lunch or a twenty-five cent supper, and keep their treasures in good condition. Bloomington has two of the best working societies in the United States and always have someone in line at Dwight. Already the societies are making arrangements for the state convention in June. They have secured a hall and the receipts of one of the entertainments spoken of before is being placed in a convention fund. There should be a large turn out of graduates and everyone who goes is sure of a warm welcome and a good and profitable time.

One of the most pleasant social events of this season among the patients now in Dwight was gotten up by M. M. Williams, of South Chicago, who is spending the winter in this city. It was in the shape of a literary and musical entertainment and was of an informal nature, given in the spacious dining room of the Strufe house Wednesday evening. The audience was composed of the boarders and a few guests from some of the hotels and residents of the city. They were favored with songs by Mrs. Willard S. Brown, a recitation by Mrs. Harrison, violin and organ, Miss and Master Perry and Prof. J. H. Temple, the Imperial Quartette, composed of Messrs. M. M. Williams, Richard F. Bennett, Mr. Myers and F. C. Marin, gave several pleasing songs. Brief addresses were made by Rev. E. M. Crow, John J. O'Reilly, president, and Willard S. Brown, secretary of League No. 1. All in all a very pleasant evening was spent and one long to be remembered by the participants.

Attractions.

Howards Stock Co. of players will be at the opera house in Dwight, Monday and Tuesday evenings, Feb. 12 and 13. Florence Hamilton, who has been in Dwight several times and is a favorite here, is with the company, and quite a number of others equally as good. Popular prices. Further notice next week.

"Side Tracked" is booked for the opera house at an early date, which will soon be announced.

Our Great Offer.

In another column we announce the particulars of our special clubbing arrangement with the Weekly Detroit Free Press, a paper so well known by reputation at least any special mention of its great merits seems scarcely necessary. While one of the funniest of papers, it does not depend alone on its humorous features for its popularity; it is equally noted for its literary excellence. The best writers of America and Europe contribute to its columns. Indeed our readers will find the Free Press a perfect cyclopaedia of the best current literature. When the great cost of production is considered, it is a matter of wonder how so interesting and instructive a journal can be furnished for so low a price as one dollar a year, and a handsome premium included.

We know that every one of our friends will be benefited by reading The Free Press and we congratulate ourselves and them on our ability to furnish it with the STAR AND HERALD for so low a price as \$1.90. It is certainly an opportunity which all should take immediate advantage of. This includes The Free Press Portfolio of Twenty Photos of Curious People seen in Midway Place.

Binding.

The STAR AND HERALD office is now ready to do all kinds of binding. If you have files of any paper or magazine that you wish to preserve we will bind it for you in any style, at a reasonable price and as cheap as anywhere.
