

THE KEELEY LEAGUE.

Nearly one hundred persons joined the league last month.

Dr. Blaine, the genial chief of staff, is on a western tour.

The boys have been taking in the show this week pretty regularly.

Mr. Percy Simpson, of Palmita, New Zealand, was elected president this week.

Johnnie Bavans, the league news boy was sick last week, and did not make his appearance.

Mr. Martin, the gentlemanly night clerk at the Livingston, is very popular among the boys.

The Bloomington Keeley League has rented Turner hall for the state convention in June.

Willard S. Brown's page in the Banner of Gold still commands the attention of thousands of graduates.

Dr. Burdick's familiar and kindly face is now seen at the laboratory. He is examining physician, and a good one.

Keeley League No. 40, of Chicago, meet at the Grand Pacific every Thursday evening. All leagueites are invited to attend.

Mr. Cobb, the new secretary of League No. 40 in Chicago, is a hustler, and is doing telling work in the city among unfortunates.

The Chicago Tribune, of Tuesday, published the wonderful report recently submitted by Dr. Broughton on morphia treatment at Dwight and gave a half column complimentary editorial notice of the same.

Harry Lawrence has been known by almost all the names in the country, including "Buttermilk Harry," "Colonel Lawrence," "The Missouri Orator," but the last one takes the cake and there's money in it. It's "The Yankee Peddler."

Quite a number of the Keeley league met Dr. Keeley at the depot in Bloomington on his way to New Orleans. It is impossible for the Doctor to go anywhere and not receive a warm welcome from some of the many thousands saved through the efficacy of his treatment. Dr. and Mrs. Keeley arrived home last Saturday, having enjoyed a very pleasant visit at New Orleans.

AUXILIARY NOTES.

Mrs. Watkins was admitted to membership.

Watch for the "Mother Goose" entertainment.

A very nice selection was read by Miss Mabel Owen.

A letter was read from Mrs. Ida B. Cole, in which she says she is very pleasantly situated in Philadelphia.

At the last meeting it was voted to give a "Mother Goose" entertainment soon. A committee consisting of Mrs. Barr, Mrs. Brown, Mrs. Prime, Mrs. Owen and Mrs. Buck was appointed.

Our Great Offer.

In another column we announce the particulars of our special clubbing arrangement with the Weekly Detroit Free Press, a paper so well known by reputation at least any special mention of its great merits seems scarcely necessary. While one of the funniest of papers, it does not depend alone on its humorous features for its popularity; it is equally noted for its literary excellence. The best writers of America and Europe contribute to its columns. Indeed our readers will find The Free Press a perfect cyclopaedia of the best current literature. When the great cost of production is considered, it is a matter of wonder how so interesting and instructive a journal can be furnished for so low a price as one dollar a year, and a handsome premium included.

We know that every one of our friends will be benefited by reading The Free Press and we congratulate ourselves and them on our ability to furnish it with the STAR AND HERALD for so low a price as \$1.90. It is certainly an opportunity which all should take immediate advantage. This includes The Free Press Portfolio of Twenty Photos of Curious People seen in Midway Plaisance.

Are You Going South this Winter?

If so make your arrangements to go via the BIG FOUR ROUTE.

Whether in pursuit of health or pleasure, no portion of the country offers so many and varied attractions at this season as the Sunny South. The Orange Groves of Florida, redolent with the perfume of sweet blossoms, wave their branches in hearty welcome to the tourist from the snow-cold northland and the mellow breezes from the Southern Sea woo the invalid from the blizzards of the north. There is one line to Florida, "The Big Four Route" which on account of its excellent train service, perfect connections in Union Depots and absence of transfers, forms the "Tourist's Ideal Line to Florida." From all points north of the Ohio river the Big Four Route, in connection with the through car lines from Cincinnati, will be found to offer the best time, most service and best equipment to all Southern points, and if you desire to travel with comfort and ease, be sure your tickets read via the Big Four Route.
