

THE KEELEY LEAGUE.

David Goetz, of Chicago, was elected president Tuesday.

Rev. Fisher was a welcome visitor to the League Sunday morning.

The Photo-Autograph Souvenir is the nicest thing out yet.

Rev. E. M. Crow, of Macon, Mo., completed his treatment Wednesday and bade the members farewell at the club.

Call on Secretary Brown for a Photo-Autograph Souvenir. They are for sale by him for 25 cents, and are just what you want to take home with you.

The following old graduates made encouraging remarks at the meeting Tuesday, Col. Harry Lawrence, John D. Bevans, Harry E. Martin and Willard S. Brown.

Since the first call was made for donations of books to the League library the Secretary has received from ex-patients throughout the country almost two hundred books. They are highly appreciated by the patients.

Eugene V. Debs, one of the most popular graduates that ever left Dwight, and "ex-ex"-president, was in town Wednesday with a friend who will remain four weeks. Mr. Debs made one of his splendid addresses at the club meeting Wednesday morning, and gave encouragement to many of the boys.

Mr. Burson, of Philadelphia, Pa., manager of five Keeley Institutes in Pennsylvania, was in town Monday on business with the parent institute. Mr. Burson has just returned from the sad duty of attending the funeral of his father, in Iowa. He reports business good in Pennsylvania, each institute doing a good business. The head institute of the state, where Mr. Burson makes his headquarters, has recently moved from Media to 812 N. Broad St. Philadelphia, where they have elegant quarters and ample accommodations.

Dr. Strange, one of the best equipped physicians in the Keeley cure service, and a very fine gentleman, is still with Mr. Burson at the Philadelphia institute. Mr. Burson informs us that Mrs. Ida B. Cole is doing excellent work in the state of Pennsylvania.

A special meeting was called Tuesday evening for 8:30 o'clock to listen to an address from ex-president Eugene V. Debs, of Terre Haute, Ind., who arrived that evening with a friend who he placed in line for treatment. The address of Mr. Debs was filled with words of encouragement for all the new patients, and in speaking for himself he said the past year had certainly been the happiest one so far of his life, and he knew absolutely that he would never touch liquor again as long as he lived. It will be remembered that Mr. Debs was the first man ever honored to succeed himself as president of the Dwight Keeley League. At the close of his address he was given a unanimous vote of thanks for his able and eloquent talk. After the adjournment he held an informal reception and many came forward to grasp his hand and have him write his autograph in their books. He departed on the 10:30 a. m. train Wednesday for Chicago. Mr. Debs is president of the American Railway Union.

The STAR AND HERALD Photo-Autograph Souvenir of the proprietors and medical staff of the parent institute at Dwight are now being sold by Secretary Brown, at the league office, Harry Lawrence at his store, Harvey Martin, at the Livingston and at the STAR AND HERALD office. They contain half-tone engravings of Dr. Leslie E. Keeley, the president of the company and discoverer of the double chloride of gold cure, J. R. Oughton, the chemist and vice-president, and Major G. J. Judd, the secretary and treasurer; Dr. J. E. Blaine chief of staff; Dr. Milton R. Keeley, Dr. J. R. Broughton, Dr. Win. Brown, and Dr. Lonergan. On each page is the autograph of each one. The front cover is printed in two colors and the back cover contains a small picture of the laboratory. The whole is fastened at the top with a neatly tied ribbon. The portraits are all splendid reproductions, natural as life, and the autographs like the original. They are on sale at the above places for 25 cents each, and every graduate should have one to take home with him.

Notice is hereby given that the annual meeting of the stockholders of the Dwight Creamery Association will be held Wednesday, February 28th, 1894, at the town house, in Dwight, Ill., at 2 o'clock p. m.
