Weese, who is just recovering from a severe sick spell. There is not a house to rent in Dwight and one agency has eight applications on file. And still the croakers croak—what for no one knows. The votes for members of the school board in Bloomington were about equally divided between men and women at the recent election. Chas. L. Romberger, while alighting from the "Limited" last Saturday, the train being in motion, had the misfortune to fall and was bruised quite badly. J. S. Gardener, since he has moved into his new building, has put in a nice line of stringed instruments and strings. Those interested in music should call and examine his stock. Mr. L. Howlett went to Chicago Sunday and returned Monday with Mrs. Howlett, who has been visiting relatives there for about three weeks. She is much improved in health. The ladies of the Woman's Relief Corps will give a strawberry and ice cream social Tuesday evening the 17th. They will also have a literary program and a very pleasant evening will be spent. A letter from Superintendent Foster published in the educational column this week would lead one to believe that many of the ignorant people are anxious to impart some of their ignorance to school children. It seems all most impossible to believe that the circumstances are as bad as Mr. Foster relates.

Wm. Hatting is building a substantial addition to his comfortable home on Delaware st. John Crocker had a very pleasant visit with his son's family and other friends in Minden Mines, Mo. Mr. and Mrs. John R. Oughton returned home Thursday from their northern trip having enjoyed a very pleasant visit. We are in receipt of some Grafton excursion literature from David McWilliams from San Francisco, Cal. Mr. McWilliams will probably be home in a few days. It is reported that Johnnie Deoherty was a deputy in the postoffice. We are not officially informed of this fact, but think he would fill the bill acceptably to all the patrons. We will give the Weekly Inter Ocean to anyone who will bring us one new subscriber paid in advance. Just please find out if your neighbor takes our paper and if he does not, get him to and get the Inter Ocean one year free. Try it. We will do this a few weeks. As the question of public improvements is settled in Dwight for several years and lots of good conscientious citizens who were dissatisfied, are going to vote for Mr. Haise, simply because they know his election will stop all controversy and everyone will be used alike. W. T. Prime and family have moved into the Gould house, corner Washington and Chippewa streets, where they are nicely located. Mr. Rinehart will occupy the house vacated by Mr. Prime and W. G. Dustin will occupy the house vacated by Mr. Rinehart. Both houses are being papered and painted complete. The Carolinians gave a fair concert at the M. E. church last Saturday evening, but it was not as good as many expected. The programs were evidently used to designate the songs they were not going to sing. The whistling was very fine. The troupe volunteered to sing Sunday evening at the church service and it was so crowded that some had to go away. Everyone will be pleased to learn that Miss Pauline Groll will continue to be one of the deputies in the postoffice. She has been there a long time and is thoroughly posted as to the duties, is quick to wait on the people and is always pleasant and accommodating and is a general favorite with the patrons of the office. Mr. Kelagher could not have done better. The ladies of Streator turned out to the number of eighty to a school caucus recently and nominated two ladies and three gentlemen. That's just what they should do in Dwight and nominate one lady and one gentleman. Every lady in Dwight should interest herself in the public schools and the best way to do it is to maintain their rights at the ballot box, on that particular question. Rev. E. F. Wright will preach morning and evening at the Congregational church April 8. Mr. Wright will be remembered as having been a candidate for the pastorate one year ago and made a favorable impression with those who met and heard him at that time. He will probably be a candidate for pastor the coming year and it is hoped that all will be present at the services Sunday. Dick Thornton has returned to Dwight and has opened up a lunch counter with DeWitt Miller in the handsome store in Hagerty block next to the postoffice. The store has been remodeled and presents a handsome appearance. Miller and Thornton are both popular, the former being an old resident and the latter having had lots of experience in the lunch, ice cream, etc., business. They will probably do a nice business. Conductor Gage passed through Dwight on No. 1 Tuesday. He now takes his regular run with the other conductors and will run on the accommodation only about once in ten days. The people of Dwight and along the line are sorry to hear of this change as Gage was very popular among all patrons of the road. Surely the life of a railroad man is varied and often very disagreeable. Mr. and Mrs. Gage were nicely located here and now their home is all broken up. The people of Dwight are sorry to lose them. Billy Bailey was with conductor Gage.

Mrs. Dr. Brown returned home Sunday morning from Missouri where she went to attend the funeral of a relative. J. R. Oughton left last Saturday for a trip to Milwaukee, Minneapolis and points in Wisconsin. He returned Thursday. Major C. J. Judd returned home Saturday evening much improved in health. His many friends will be pleased to hear this. The first of April didn't fool Fred Liggitt very much for it brought a shower of joy into his family in the shape of a fine healthy boy. Mr. and Mrs. James Gregory returned Thursday from their wedding trip to St. Louis. They will occupy rooms at L. J. Trunnell's for the present. The band boys are raising some money for uniforms, and we hope to see them succeed. Their subscription was headed with \$25 by the Keeley Co. Last fall Dr. Oakshott was awarded the Diploma of the Post Graduate Medical School and Hospital of Chicago and on Tuesday next, he will be graduated by the College of Physicians and Surgeons of Chicago. These are both recognized throughout the United States as leading medical colleges, very rigid examinations in all branches are required of each Alumnus. The Doctor will continue in the city and will limit his practice to the special department of Gynaecology. An old subscriber called on us recently with what he chose to call a new item. It read something like this: "A fine line of seed potatoes for sale at — per bushel," with the name attached. He argued that we should put the item in as a news item, but of course, as everyone should understand, it is from such advertising that we get our living, and we refused and told him it would cost him 40 cents. He said he would never pay 40 cents and that as soon as his paper run out we could stop it. This will give the reader some idea of what a newspaper man has to contend with from day to day. It comes a great ways from being all sunshine. The township election is passed and good men have been elected. As far as that is concerned both tickets were composed of good men. We have no bad ones in our community. The way the election was conducted was very creditable to all. There were no hard words, no underhanded work that we heard of, and nothing happened to mar the friendship of the candidates. The Republicans won simply because there are more republicans in this township than democrats and the lines were drawn between the parties in caucus and at the polls. When the opposite party is in power it always tends to solidify the one out of power which is highly proven by the local result. This certainly looks like a republican year all around. A Pair of Runaways. Two youths, Henry Schroeder, aged 17, and Arthur Fowly, aged 13, living three miles south of Dwight, severed their home ties Thursday night of last week by leaving surreptitiously for parts unknown—a clear case of pure unadulterated, old-fashioned "runaway." Both had good homes and were well treated, but were not "traveled," and that was what they aspired to. The boys were traced to Dwight by Mr. Fowly, who discovered that two boys answering their description had been placed on a freight train Thursday night bound for Chicago. The young fellows have selected a singularly unfortunate year to roam abroad and it is highly probable a little taste of the want of something to eat will give them a better appreciation of home, and bring them back to the enjoyment of it. Kohl & Middleton's Dime Museum Messrs. Kohl & Middleton are the Western pioneers of permanently located cheap, wholesome and eminently pleasing popular entertainment. They have a chain of combined Dime Museums and Family Theatres, including two in Chicago, one of which is located at 150 Clark st., and the other—The Globe—at State and Van Buren sts. Both control a very large patronage, and are among the most successful pleasure resorts in the city. Each one includes several spacious Curio Halls, wherein are continuously exhibited every procurable extraordinary living wonder, of every kind and rare and costly collections of the strangest and most interesting things from every clime. Each one also maintains two separate theatres, for the production of varied and amusing stage performances, including magical, musical, stereoscopic and gymnastic exhibitions, first-class farce and comedy representations, and bright and candid specialties by the very best of vaudeville artists. One cent ticket admits to everything at either place, and a whole family can enjoy a genuine holiday, full of wonder and fun, for less than the price of a single ticket to many resorts, which do not provide a tithe as much. When visiting the city on pleasure bent, bear this well in mind. Chain of Lakes, Waupasa, Wis. The attention of those figuring on a place for their "summer outing" is called to Waupasa, Wis., located on the Wisconsin Central Line, about 200 miles from Chicago. It is a delightful spot surrounded by a beautiful chain of lakes, which abound in bass, trout, pike, pickerel and muskallong. Good hotel accommodations at rates within the reach of all. For full particulars, maps and guide books, address Jas. C. Pond, Gen'l. Pass. Agt. Milwaukee, Wis.
