

Harvey E. Martin has left Dwight and returned to his home at Englewood.

F. C. Newell, secretary of So. Chicago League, No. 29, was a Dwight visitor one day last week and made the boys at the club a rattling good talk.

Thos. F. Austin, of Conway, Mich., and A. A. Buckman, of Middle Grove, Ill., made farewell speeches Tuesday, and returned to their respective homes.

G. W. Smith, of Springfield, Ill., who was elected president last week, completed his treatment Wednesday, and returned home as he expressed it a regenerated.

We received a pleasant call Wednesday from Dr. W. J. Aldrich, of St. Johnsbury, Vt. The doctor is receiving instructions at the institute, preparatory to taking charge of a new Keeley Institute at his home in Vermont.

The club officers elected this week were: E. A. Archer, of Onarga, Ill., president; Anson D. Taylor, of Glencoe, Cook County, Ill., first vice-president; Jas. L. Drysdale, of Bloomfield, Mo., second vice-president; F. A. McNeill, of Chicago, was appointed sergeant-at-arms.

The Dwight League placed a gentleman from Louisville, Ky., in line for treatment Monday, and they are also assisting a patient from Princeton, Ill., to pay for his treatment. Over seventy-five men have been assisted by the Dwight club to take the treatment.

The club has not had an entertainment now for several weeks, owing to the lack of talent among the patients, but the committee appointed Tuesday, have strong hopes of arranging for an entertainment for next Tuesday evening. It is to be hoped they will succeed, for these club affairs are always greatly enjoyed by those who attend.

Dr. Leslie E. Keeley left Wednesday evening for Kansas City, and attended the great reunion at the Soldiers home near Leavenworth, Friday. The Keeley Institute at the Home has recently passed the 1,000 mark, that is, over 1,000 old soldiers have been cured and over ninety per cent. of them stand as firm as they did during the rebellion. It's a great work.

No Collections.

Hereafter there will be no collections taken up at the club room of the Keeley League, No 1, for any purpose whatever. The Board of Control has had complaints come to them regarding the above and collections have proved very harassing to some gentlemen here for treatment. It is very often the case, and indeed most always, that generous men are here for treatment but are short of funds and when these collections come up they will give their last cent and go without real necessities for themselves, because they do not wish to be outdone by those who are able to give.

There will be a mite box in the hall hereafter and anyone wishing to contribute to a cure fund at any time can do so.

The State Commander writes us from Lincoln, Neb., as follows: "After trying other medicines for what seemed to be a very obstinate cough in our two children we tried Dr. King's New Discovery and at the end of two days the cough entirely left them.
