Remember Smith & Melhuish can furnish you in any thing to clean house with, from wall paper, paints and oils, to brushes for calculating ceilings.

At a general meeting of miners of Braidwood, Braceville, Carbon Hill, Suffernville, Gardner and other towns of this vicinity, held at Braidwood Thursday, it was decided to go on strike to-day.

Why do some people not believe in patronizing home trade? Is it because they want to pay ten dollars more for a suit of clothes than you would have to pay for the same suit at home, equal in every respect. L. Madsen, the tailor.

At a meeting of the Gardner Prohibition Club Thursday evening the 12th the following officers were elected to fill vacancies, Prof. W. L. Goble, president; J. Costello, Secy.; A. R. Doad, Central Committeeman. The next meeting was called for the first Monday in May.

The village election proved a surprise to all, the anti-license trustees and president being elected, the clerk, constable and street commissioner on the license ticket being elected. The license people in making up their ticket, failed to give the miners recognition, at which great offense was taken, so the miners nominated a ticket of their own, the head of which polled 52 votes. This divided the license vote so that a portion of the no license ticket was able to gallop right through the crevasse. Following is the vote:

License.		No License.	
J. H. Kaufman	74	W. H. H. Augustine	76
Geo. Smith	72	A. E. Baschler	72
A. L. Booth	72	T. S. Cumming	77

Two small boys ran away from school Monday but they came back with Wilson Bull.
Bert Strahl came up to school Monday on business. It's a long time since he has visited the old place.
Miss Gracie Wilson started to school Monday. Miss Grace was a student here last year and has many friends here who are glad to see her back again.

People who are interested in the school and cannot visit it may know what is going through the paper. Parents should all visit school and see how the children are getting along.

Braceville.
Election was a most quiet affair.
H. F. Blair, of Onarga, spent Sunday in town.
Z. Bailey's ice trade has opened up in good shape.

Miss Lena Lagerquist visited in Joliet last Saturday.

J. A. Sawyer and George Reay went to the city Thursday morning.

The tramps are getting more seldom around here for some unknown cause.

Chauncey Depew went through here in his private car on his way to Chicago from St. Louis.

Mrs. Gillispie has been very sick for some time, but is recovering under the care of Dr. Warner.

August Voth sustained a very painful injury at No. 4 last Tuesday by having his foot badly crushed.

THE TRIBUNE will issue next week, a new copy of the "By-Laws and Constitution of the Braceville Volunteer Fire Department."

Joe Bernisky and Paul Pranskavith, two men from here who were employed in the shaft at Gardner, were burned by the explosion of gas in the shaft.

Why don't our merchants see to it that merchants from other towns who peddle groceries here be made to pay a license the same as other peddlers do?

Adam Brooks, of Central City, comes down to Braceville quite frequently. We understand he is just looking things over preparatory to going into business here.

John Price has removed his store building from where it stood, next to T. T. Smith & Co's hardware store, to his own lots, and it will soon assume the shape of a comfortable dwelling.

The two workmen from here, who were injured in the Gardner shaft last Tuesday by the explosion, were brought home and put under medical care. Although they were very badly burned, they are recovering slowly.

The miners at No. 4 refused to go to work last Thursday morning, after asking for half a day's work on that day. Their reason was that they feared they should not be able to attend the Mass meeting in the afternoon.

A great time was had at the Miner's Mass Meeting held last Thursday in Glecken's Grove. A full attendance marked the gathering and questions of common interest to our people were discussed in a quiet, sensible manner.

Tonight there is to be another mass meeting in Malcolm's hall, for the purpose of nominating a delegate to the Illinois state convention of miners at Springfield. Our men are not much interested in this gathering and it is doubtful about their being represented there at all.

Mrs. Harry May was pleasantly surprised last Friday evening by a number of her young friends and all present had a most enjoyable time. The pleasant affair was the outcome of carefully laid plans by Misses Laura Ramsay, Mae Milner and Mrs. O. C. Lewis. Late in the evening refreshments were served and all present declare themselves delighted with the hospitality of Mrs. May.

Our Village election passed off very quietly, and was, from the

looks of the results, somewhat republican. Following are the tickets and count:

Democratic.		Republican.	
Wm. J. Rogers	89	Robert Milner	189
Henry Rutherford	160	Chas. A. Johnson	178
Reese Reese	162	A. D. DeNormandie	174
Joseph Guiney	84	Jas. R. Suffer	184
Robt. Wilson	213		
Henry McClarence	78	Evans Davis	185
Wm. Granger	126	John Ferguson	149
Jas. McCall	88	E. A. Steud	176

Quite a severe windstorm struck us here last Wednesday afternoon. No particular damage was done in town, but at No. 4, where all hands were at work, the elements ruled under the chute was full of empty cars ready to be loaded, the wind struck these and started them and as one was being loaded and the apron could not be drawn up, the car was torn pretty much to pieces. Several cars were thus badly damaged before the train could be stopped. Work was discontinued for the day.

Last Tuesday we noticed several large wagon loads of flour and groceries, from a neighboring town, unloaded liberally among our citizens, we also notice around town, a lot of circular advertising matter, and in the local paper of the same place we notice a goodly amount of advertising of the business men of that place. What does this mean? Simply this; the business men of the surrounding community, while they do not sell one cent cheaper than our own merchants, are able to come into our town and supply half the trade with their goods, and its just because they advertise. Will you still stand back and say that advertising in the home paper or by means of hand bills in a town of this size, does not pay.

Central City.
Everyone has commenced to make gardens.
Mr. Lagerquist is very busy reshingling his houses around Central City.
Michel Henderson, of Carbon Hill, preached in the P. M. church last Sunday.
Rev. Blenkinsops, a P. M. minister of Streator, visited Mr. Enoch Moss on Monday last.

There has been quite a good time in Central City over the elections. All past off very nicely and the boys did fine.

Robt. Bowman, wife and child started Wednesday morning for county Durham, England, for their former home. We wish them a safe journey.

Mr. and Mrs. Edward Barnes have commenced house-keeping. They have purchased the household furniture of Robert Bowman. We wish them joy and prosperity.

Wm. Gorman and Wm. O'Brien were in Pontiac last Saturday on business.

The Campus dance was well attended Friday night and all enjoyed a good time.

A good many of our young sports attended the races at Reddick Saturday afternoon.

Village offices here must be good pay, when votes are brought from another state to support candidates. But it seems worse when they get defeated anyhow.

The low license party came out victorious at the election Tuesday, the following parties being elected. President, M. R. Walsh, 51; Village clerk, John Gorman, 53; trustees, A. Gorman, Thos. Connors and L. F. Walsh, 51 each; trustee 1 year, P. Holloran, 51; Police Magistrate, Thos. Walsh, 57.

Pontiac Pick-ups.
Dr. Samuel Stewart died last Monday.

Pontiac went \$1000 license again this year.

John S. Murphy, of Pontiac, was in Dwight Monday on business.

Ned Dickson has leased the Phonex for five years more. Ned is all right.

Very impressive services were held on the anniversary of the death of Major Cairns. Addresses were made by Messrs. C. C. Strawn, A. E. Herring, W. T. Ament and J. I. Terry. Major Morrow presided.

Many Thanks.
We wish to return many thanks to those of our subscribers who have kindly remembered us with their subscriptions, and hope all others will do likewise as soon as convenient. The times are hard, and as our income consists principally from \$1.25 from each one of course it is important that each one attend to the matter.

We are still offering, and will continue to do so for a few weeks, the Weekly Inter Ocean one year for only 25 cts, extra \$1.50 for the two—or \$2 for the Weekly New York Tribune, the Weekly Inter Ocean and our paper. This will only last a short time.

The secretary of the Elkhardt Carriage and Harness Mfg. Co., of Elkhardt, Ind., informs us that their prices will be lower for 1894 than ever. He wishes us to ask our readers not to purchase anything in the line of carriages, wagons, bicycles or harness until they have sent 4 cents in stamps to pay postage on their 112 page catalogue. We advise the readers of this paper to remember his suggestion.
